We did it.

Day 204

This expedition has been... unnatural to say the least. On day 20, the fever nearly took me. A fortnight later I almost expired by the Mummy's curse. Each time I placed a brick... it seemed another week had passed!

Fortunately, I am joined in this quest by my trusted fellow adventurers. Without their help I would have been lost to the void. After many a dead end and many a sudden halt, forsooth! The Manor is finally complete!

-Carl Merriam, Expedition Lead

MANOR VON BARRON

Manor von Barron is a spooky haunted house theme park ride.

It was home to Samuel von Barron, one of the world's greatest villans. He travelled the globe in search of ancient artefacts to steal for his collection. But perhaps he stole too much! After von Barron snatched the Re-Gou Ruby, Pharaoh Hotep cursed his manor for 1000 generations. Enter if you dare!
