

THE DREAMER DRAGON

Dimmey is
-courageous and
helpful! She is
the trainer of the
Dreamer Dragon!
She holds the book
of Imagination, in
which you can record ideas!!

Big feet to stand
properly if needed

The Dreamer Dragon. He is made out of soft clouds and carries a home on its back.

In the home is the book of imagination, to inspire the LEGO characters and to guide them on their quests.

Dimmey is the trainer of the dragon. I've always dreamed of floating islands and dragons, why not both?
