**Anti-Harassment, Bullying, Victimisation & Discrimination**
Do not tolerate any kind of harassment, bullying, victimisation or discrimination against anyone that works for or with you. This applies in the workplace and in any work-related setting outside the workplace, e.g. business trips and work related social events.

**Anti-Money Laundering**
Participation in money laundering is prohibited. Money laundering is an activity that occurs when money acquired through illegal activities, including terrorism, is channeled through legal business activities. All financial transactions must be documented and made in accordance with applicable laws and regulations.

**Charitable Donations**
Charitable donations must never be linked to any tender or sales process, and donations must never be made with the expectation of any gain – financial or otherwise.
