Re: Products Requiring Small Parts and Related Warnings in Advertising

Dear Valued Customer:

The LEGO Group (LEGO), in accordance with the provisions of Section 105 of the Consumer Product Safety Improvement Act of 2008 (CPSIA), hereby advises you about a list of LEGO items which carry required safety warnings on packaging. This information is typically required to be placed with point of purchase advertising on-line or in catalogs. This may or may not be required by all customers; however it remains LEGO's legal responsibility to inform.

The list can be viewed or downloaded at www.LEGO.com/compliance.

If you have questions or require further information on this information, please feel free to contact me. We appreciate your support and look forward to working with you.
