We took three models – the Sneaky Scorpion, Saber-Toothed Tiger and the Fire-Breathing Dragon and mashed them up together! What we got was a brand new creature that your parents wouldn’t want flying around the house or hiding in your sock drawer. In other words … it’s awesome!

What would you make with these models?

  - Glider wings let the creature soar silently, except when it starts shouting “Whee! Power dive!”
  - Powerful flame-throwing tail scares off bigger animals. Also great at barbecues.
  - Sharp claws are great for clinging to branches or tapping on your shoulder to make you turn around.

Scooping up a handful of slime, she turned to see her pet’s reaction to it. But he was gone! Olivia looked everywhere. Worried, she called Andrea, Emma, Stephanie and Mia. “My pet has vanished too,” said Mia.

“So has mine,” said Stephanie. Emma and Andrea said the same.

Where could all the pets have gone? “Let's all use our special talents to find our missing pets,” said Olivia. “Here we go!”

Where do you think the Friends’ favorite pets have gone? How will Olivia and the rest find them?

“Let’s meet our first contestant, Stephanie,” said the TV host.

“I’ve been baking for years,” said Stephanie. “So I know my way around a cupcake. I’m ready to compete and win!”

“And taking on Stephanie today will be David!”

“I’m new to baking, but I love it,” said David. “So I’ll just try my best!”

The host spun the wheel to discover what treat the bakers would have to create.

“The wheel says … fish cake with chocolate frosting!”

Stephanie got right to work. She put all her ingredients in order, checked the recipe and started making her batter. She was sure she would take home the prize!

David was going a little more slowly to make sure he didn’t make any big mistakes. He was still mixing his batter when Stephanie was already frying her fish!
She had moved onto making her frosting when David smelled something funny. Stephanie had forgotten to flip her fish over and it was starting to burn!

“Look out!” he said. “Your fish!”

Stephanie saw the trouble right away and fixed it. “Wow,” she said to herself. “He helped me even though we are competing against each other.”

Later, David took his cake out of the oven and got ready to frost it. Stephanie knew if she didn’t say anything, she would be sure to win. “But I don’t want to win that way,” she thought.

“David, put your cake in the freezer first,” she said. “It will make it easier to frost.”

Finally, the cakes were done. Neither Stephanie nor David tasted their creations. Chocolate-covered trout isn’t anyone’s idea of a good time.

“Time’s up!” said the host. “Let’s see who won!”

**Who Is the Bake-Off Champion? You Decide!**

Head to the LEGO Life app and vote in the special LEGO Friends Bake-Off poll for who you think should take home the prize! Will it be Stephanie or David? **Vote today!** Then go build your own LEGO cake and see what you can make!
