Dear Max,

I have a joke for you:

Why did the horse cross the road?

Because the chicken needed a day off!  
- Caroline, 7, US

To LEGO Life, 

Hi, my name is Tom!

I’m turning 10 in one week. I’ve been begging my mum for the two-headed dragon Hands of Time set. I like LEGO because you can build whatever you want.

It’s fun to play with my family because we don’t have to follow instructions. I think LEGO helps me with my maths. My little sister is pretty good too.

Love your magazines, 
from Tom.

I dream of a better tomorrow... where chickens can cross roads and not have their motives questioned. BAWK-BAWK-B’GAWK!
