Next issue of the LEGO® Life Magazine out in March!

Dear Max,
I love to build creations using my LEGO® bricks. I made the bee farm from the Minecraft range and my own building. I love looking at all the LEGO builds in the LEGO Magazine.

Jacob

Dear Max,
I like all the LEGO® buildings and I got so many of them. Also, I like to create so many mixed LEGO creations. Me and my brother Ayrton have lots of fun with LEGO bricks. And comic books and magazines are my favourites too. Thank you for keeping us busy and improving our skills.

Arwin

Dear Max,
I have a suggestion for a future issue. I suggest that you should have venom in your next comic. And I also suggest that you should have dragons in your next comic.

Sincerely,
Cyrus
