BUILDING LOG: DAY 1

Hector here – I just finished building one of my fave LEGO® NINJAGO® sets: Stormbringer the Lightning Dragon. It's awesome, but I wanna upgrade it! My dad just got me the new LEGO BOOST Creative Toolbox, so I'm going to use it to power Stormbringer. I've never coded before, but the instructions are easy, so I'll figure it out fast!

NEED:

- 1. BRICKS
- 2. BOOST
- 3. COOKIES (for a snack)

BUILDING LOG: DAY 2

I added some awesome moving functions to the head and neck by moving functions to code blocks in a sequence. Now I can move my dragon around to aim the flick missiles in the mouth!

BUILDING LOG: DAY 3

YES!! I did it!!! :) I finished coding my Dragon with BOOST. Now it can swing the tail back and forth AND walk on command using my phone! This is the best creation I've built in a while. Now, what other models should I add BOOST to, and make them move...?

Take the hilarious new LEGO® BOOST Dragon Poll in the LEGO Life App today, by logging on and going to the #Polls group!

JOURNEY THROUGH THE NETHER PORTAL!

Steve must make his way through the mysterious Nether portal and brave the fiery terrain in search of gear and resources he can use. But watch out, the baby zombie pigman and fire-spewing ghast are waiting to ambush him.

Can you help Steve get what he needs and escape?

Hey Max!
Love your haircut, but I think you look best in your real hair. If you remember I'm following the LEGO NINJAGO ad. I have seen seasons 1-6 and the LEGO NINJAGO MOVIE™! I have a cool Lloyd from the movie alarm clock. And I love it! I heard you're catching crooks with The LEGO City police. Is it hard? I bet it is. Who are you catching? Have you caught any yet? I hope so. Hey can you show me a quick build of the Temple of the Ultimate Ultimate Weapon in the LEGO Life Magazine? Thanks!

Your fan,
Taylor

PS. Thanks for the magazines.

Hi Taylor!
Thanks for the compliment! Maybe I'll just change my shirt next time, lol. It's hard to catch crooks with the LEGO City Police. The only thing I've caught so far is one of the K-9 puppies who accidentally escaped during a training exercise. 😊

I LOVED THE LEGO NINJAGO MOVIE too, I'm really happy you had fun watching it. Here's a picture of the Temple of the Ultimate Ultimate Weapon. Hope you like it!
