FROM LEGO® CITY TO THE MOON!

The trip from LEGO® City to the Lunar Space Station takes a long time! That's why astronauts tell jokes on their way! Once they reach the station, there's plenty of work to do but also plenty of time to make each other laugh. Let's take a look at their "home away from Earth"!

SUNRISE, SUNSET!

These solar panels (and the astronauts) see 90 sunrises and sunsets every day. As soon as they put their sunglasses on, they have to take them off again!

BUZZING BEES!

Little robots called Astrobees help the astronauts do chores. And, yes, the first one was named Bumble!

TIME FOR LAUNCH (UM, LUNCH)

In space, you still have to eat your vegetables! Astronauts grow lettuce, peas, Chinese cabbage, radishes and more.

EYES IN THE SKY!

A space station never sleeps! It can feature over 350,000 sensors like this one, designed to monitor systems and keep the station and astronauts safe.

WAY OUT WORKOUT!

To stay in good shape in zero gravity, astronauts have to work out at least two hours a day. Special straps on the treadmill go around the runner's shoulders and waist, so they don't float away.

How many paperclips would it take to reach the moon?

One, but it would have to be really big!

How does Jupiter hold up its pants?

With an asteroid belt!

CLEAR AS CRYSTAL!

Astronauts experiment with growing crystals in space, just like the ones found in these geodes. Studying these crystals can help with things like medical research.

WE'RE HERE!

Astronauts take a spacecraft to reach the station, which attaches to a docking port. Good thing they don't have to go outside and ring the doorbell!

CAMPING IN!

Real astronauts sleep in sleeping bags attached to the wall or ceiling. Otherwise, they would float away!

zzzzzzzzzz

What is the astronaut's favorite place on a computer?

The space bar!

Why is Saturn so rich?

It has lots of rings!

HA HA HA!

WHAT DO YOU DO WITH A GREEN ALIEN?

WAIT UNTIL IT'S RIPE!

GET READY!

THESE ARE BLIZZARD SAMURAI,
THE ICE EMPEROR'S LOYAL TROOPS.

NEVER-REALM, A FROZEN WASTELAND RULED BY THE
POWERFUL ICE EMPEROR. LLOYD AND HIS NEW ALLY, AKITA,
ARE IN SEARCH OF THE MISSING ZANE, THE TITANIUM NINJA.

THEY ARE STRONG,
TOUGH AND AS COLD
AS THE WEATHER.

COLOR THIS COMIC!

You can use whatever colors you choose
to bring the ninja's new adventure to life!

IT WON'T BE ENOUGH.

NEVER THOUGHT
I WOULD BE
SAYING THIS TO
ICE GUYS, BUT -

THERE ARE
MORE WHERE
THEY CAME FROM ...
A LOT MORE.

CHILL OUT!

WHAM!!

ASPHEERA PICKED A
GREAT PLACE TO BLAST
POOR ZANE OFF TO.
I HOPE HE'S OKAY.

THE SEARCH FOR ZANE

NO ONE HERE WILL EVER BE OKAY WHILE THE ICE EMPEROR RULES.

I'M HERE TO SAVE MY FRIEND AND GET HIM BACK SAFELY TO THE NINJAGO WORLD.

IF THE ICE EMPEROR GETS IN MY WAY, IT WILL BE JUST TOO BAD FOR HIM. I'M GOING TO FIND ZANE -

"- EVEN IF I HAVE TO TAKE THE ICE EMPEROR'S CASTLE APART, BRICK BY BRICK!"
