SHOWDOWN WITH THE SKULL SORCERER!

When the ninja travel to the peaceful kingdom of Shintaro, they discover its terrible secret. Beneath the beautiful city, slaves toil in dark dungeons under the command of the dreaded Skull Sorcerer and his skeletal dragon! Can the ninja find new allies and defeat these powerful new enemies?

ZANE TITANIUM NINJA

In the kingdom of the Geckles, Zane frees a fearsome creature called a Mino from captivity and makes friends with the powerful beast. Together, they will confront the Skull Sorcerer!

COLE EARTH NINJA

Cole must master the power of the Spinjitzu Burst and guide a ragtag group of adventurers up from the depths of Shintaro Mountain. His abilities as a leader will be tested like never before!

NYA WATER NINJA

Nya is forced to fight to save Jay from having to marry the Munce Queen, Murtessa. But Nya learns that the Munce Queen is a powerful fighter who does not give up easily.

LLOYD GREEN NINJA

Lloyd must deal with his problems trusting others when Princess Vania offers to aid the ninja against the Skull Sorcerer. Is she telling the truth, or is this a trap for the heroes?

BE A NINJA FAMILY!

Here are some fun ninja activities you can do with your family and a little imagination. You can even use a stopwatch to time these and see who can do them the fastest.

KAI FIRE NINJA

Kai must somehow be a peacemaker to unite two warring tribes, the Geckles and the Munce, against their common enemy - the Skull Sorcerer!

JAY LIGHTNING NINJA

Jay finds himself in a strange situation when Murtessa, the fierce Queen of the Munce, decides he should be their king and stay in their underground kingdom forever!

1 NINJA TRAINING COURSE

Use paper, tape, pillows and couch cushions to design a ninja training course in your house. Who can make it from one side of the room to the other the fastest, avoiding all obstacles? Who can walk a straight line balancing a tower of LEGO® bricks in one hand?

2 CROSSING THE CAVE

You must use your ninja skills to make it across a volcanic cavern, but watch out! At any moment, lava could erupt from the cave floor! Better be prepared to leap to safety when someone yells, "Lava!"

3 NINJA CAMOUFLAGE

One member of the family is Master Wu and the rest are ninja. Use your stealth skills to show Master Wu how well you can hide as he tries his best to find you. Can you disappear into the shadows and avoid being spotted?

DECODE THE ANCIENT WRITINGS!

The ninja have discovered carvings on the cave wall that tell about the legendary weapons that can be used to defeat the Skull Sorcerer. Use the NINJAGO® alphabet to decode the message and discover the secret!
