STUNT POWER UNLEASHED!

TECHNIC™

WHEELIE FUN FACTS

- 1 A wheelie is also called a wheelstand.
- 2 Wheelies are easiest to do when a vehicle has just started moving.
- 3 The first wheelie is believed to have been performed by a stunt bike rider in 1890.
- 4 Although wheelies look awesome, they can be dangerous. Don't try to do one without lots of training and practice - unless it's with the Technic™ Stunt Racer!

Two Technic™ Stunt Racers challenge each other in a game of Car Soccer! Which can drive the ball into the other's goal? It's all-out action in this exciting video in the #Technic group in the LEGO® Life app!
