

Build A Unicorn Horn

How to set up & play

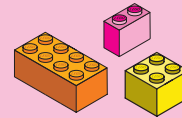

How it works

Children team up and use LEGO® bricks build their own colorful unicorn horns.

The tallest one is the winner. Big horns and big fun.

Things you need:

LEGO bricks

Optional extra
Prize for the tallest unicorn horn.

A ruler or tape measure

A clock or stopwatch

What you need to do:

On the day

1. Split the children into equal teams.
2. Give each group a selection of LEGO bricks.
3. Explain the task and set your stopwatch.

You can also include some more unusual LEGO pieces (not just bricks) to make the build slightly more challenging.

Unicorn facts:

A unicorn's horn is called an alicorn, said to have magical healing powers.

The national animal of Scotland is the unicorn.

2-5 mins

Depending on the age of the children, and if they are playing in groups or individually.
