

Playful Pal

Zobo messed up Olivia's sudoku! Try to solve it anyway. Remember that no image can be repeated either horizontally or vertically.

A 5x5 grid puzzle. The grid contains the following icons:

		Heart		
	Heart			Paw
Flower		Large Pink Block		Heart
	Music	Paw		Flower
Flower	Music	Paw	Heart	

Surrounding the grid are various decorative elements: a gear icon in the top right, a musical note icon on the left, a flower icon in the top left, a large pink block in the center, a hash symbol (#) on the right, a star at the bottom, and a network diagram at the bottom left. A dashed arrow points from the star towards the bottom-right corner of the grid.
