# SMART PLAY™

## Reacts to how you move and play

The SMART Brick reacts to how kids play and then plays back, responding to twists, turns, taps, identifying colours and much more!

### SMART Tag ...

The SMART Tag tells the SMART Brick what it should become and how it should play back with you. Just move the SMART Brick close to the SMART Tag to unlock sounds, endless variations and unlimited hours of play.

### SMART Brick ..

It's the brick that plays with you! A 2x4 LEGO® brick that recognizes SMART Tags and SMART Minifigures to bring play to life in incredible ways.

## SMART Minifigure

Now each SMART Minifigure reacts differently. Just bring it close to a SMART Brick to unlock their unique sounds, moods and reactions.

## SEE IT IN ACTION

Don't forget to ask your parent/guardian before going online.
