

# BUILD AN AWESOME CITY WITH JUST YOUR IMAGINATION!

Things are really busy downtown with traffic rushing back and forth and buildings being built. What will this city look like when it's all finished?

Start your city build challenge by putting any cool LEGO® buildings, vehicles or characters you've made into the scene (or build some brand new ones!)

Then using the illustrations as inspiration, come up with some interesting business ideas and build them in the districts on the sheet.

Build on your own or as a team with the LEGO® Builder app. Scan the QR code to download now.
