

# EMBARK ON A WILD JUNGLE ADVENTURE!

Look out! There are wild cats & creepy crawlies everywhere in this tropical land.

Enter the deep jungle with this wild building challenge for the whole family. Build and place all your favourite LEGO® animals into the scene. Lions & elephants are great but chickens, goats, even dinosaurs work too!

Using these illustrations as inspiration, draw and colour flowers on a separate sheet and get an adult to cut them out for you. You can stick them onto the oasis to bring your jungle scene to life!

Build on your own or as a team with the LEGO® Builder app. Scan the QR code to download now.
