The background image shows a lush, green landscape with a hobbiton-style house (a hobbit-hole) built into a hillside. The house has a large, round, green door and is surrounded by dense foliage and flowers. A stone path leads up to the house, and a small wooden bench is visible on the path. The sky is a mix of blue and orange, suggesting sunset or sunrise. In the foreground, there is a large, green circular overlay with a brown, scalloped border. Inside the circle, the title 'Una fiesta largamente esperada' is written in a white, serif font. Below the title, there are two paragraphs of text in a smaller, white, sans-serif font. The text describes the world of 'El Señor de los Anillos' and the LEGO set 'El Señor de los Anillos: La Comarca'.

Una fiesta largamente esperada

El entrañable universo de *El señor de los anillos*, creado por J. R. R. Tolkien, se desarrolla en el encantador mundo de la Tierra Media, una mítica región rica en historia, relatos de personajes heroicos y el poder de la amistad. La primera película, *La comunidad del anillo* (2001), comienza en la Comarca, hogar de los Hobbits™. Este sereno escenario palpita de emoción cuando Bilbo Bolsón se prepara para su centésimo decimoprimer cumpleaños. La alegre celebración de Bilbo es una fiesta de especial importancia, llena de banquetes, mágicos fuegos artificiales y la llegada de Gandalf el Gris.

Pronto, la armonía y la pintoresca belleza de la Comarca contrastan con una oscuridad inminente. Cuando Bilbo desaparece misteriosamente de la fiesta, deja tras de sí un antiguo artefacto con siniestros poderes: el Anillo Único. Sus acciones desencadenan un viaje cargado de sucesos que marcará el destino de la Tierra Media. El set LEGO® *El Señor de los Anillos*:

La Comarca es un diorama muy detallado de la acogedora casa de Bilbo bajo la colina. ¡Entra y disfruta de la calidez, la hospitalidad y una buena taza de té antes de emprender el camino!

Impresiones del equipo de diseño de LEGO® Icons

Te damos la bienvenida al frondoso y alegre escenario de Hobbiton™. Para facilitar que pudiésemos mantenernos fieles a la película, nuestros socios de Warner Bros. Discovery nos proporcionaron abundante material de referencia, como un detallado plano de Bolsón Cerrado. Descubrirás y construirás montones de momentos de la historia de *La comunidad del anillo*, incluidos algunos que solo aparecen en la versión extendida de la película. Nuestros equipos de diseño gráfico y de textiles ayudaron a recrear la escena de la fiesta con dos elementos de tela impresos totalmente nuevos para la pancarta de felicitación y la carpa de la celebración. ¡Esperamos que te sientas como en casa entre las hermosas y ondulantes colinas de la Comarca, que te pongas cómodo en Bolsón Cerrado y que disfrutes de los festejos!

Frodo Bolsón se relaja con su libro en una tranquila arboleda de la Comarca.

Frodo saluda a Gandalf el Gris, querido mago y perturbador de la paz, cuando llega en un carro lleno de fuegos artificiales.

Sentado en su escritorio, Bilbo Bolsón no quiere ni pensar en recibir más visitas, admiradores o parientes lejanos.

En un feliz reencuentro con su entrañable amigo, Gandalf se da cuenta de que a Bilbo no le afectan los años.

Antes de que empiecen los festejos, Bilbo insiste en que los dos tomen un poco de té y tarta.

En esta noche memorable, Gandalf y Bilbo disfrutan juntos de un agradable momento.

Los fuegos artificiales mágicos resultan demasiado tentadores para los curiosos Hobbits™ Merry y Pippin.

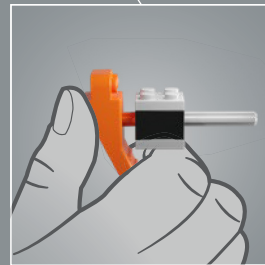

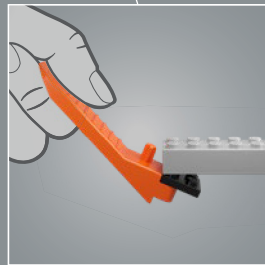

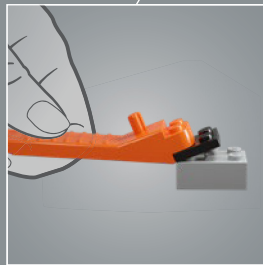

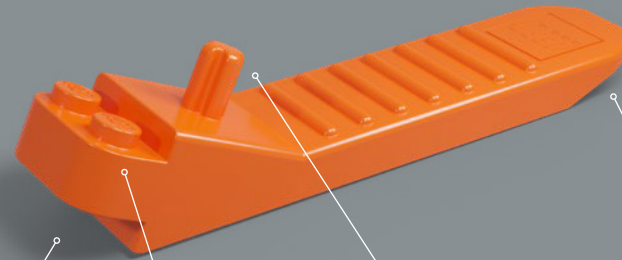

Bilbo sube al escenario, pero su alegre discurso da un giro misterioso y, en un instante, desaparece.

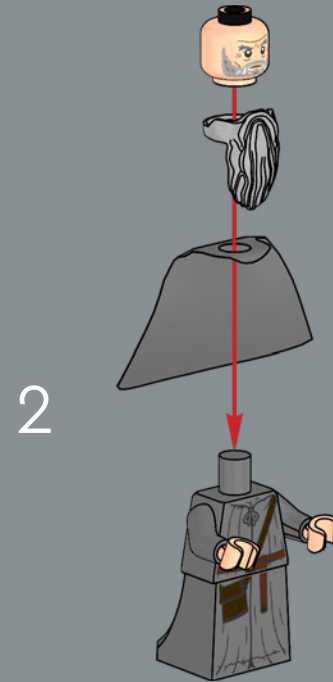

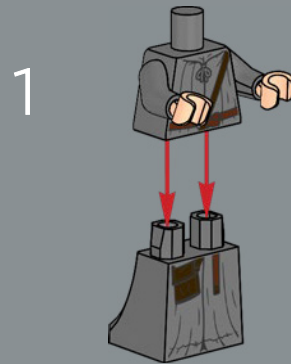

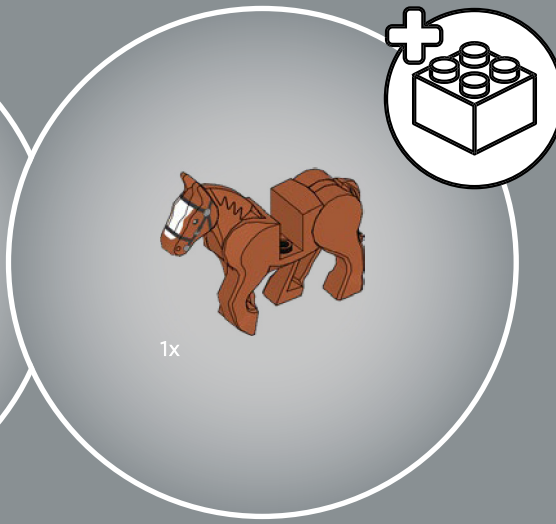

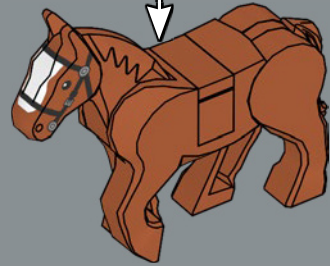

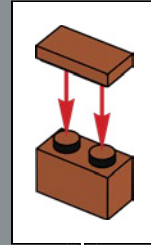

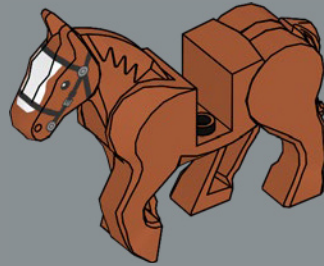

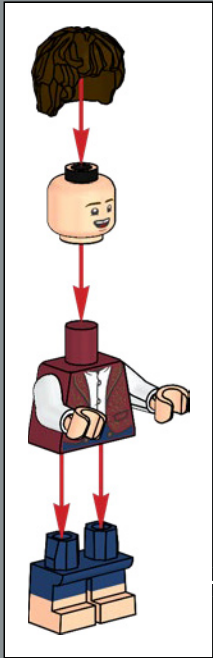

Gandalf arroja al fuego el sobre que contiene el Anillo Único y revela sus secretos a Frodo.

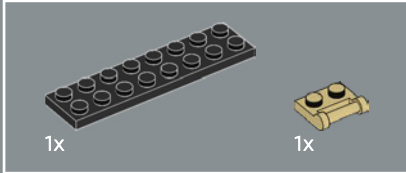

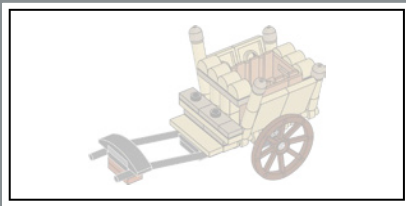

Samsagaz escucha por casualidad la conversación secreta entre Gandalf y Frodo. Y la aventura comienza.
