Une réception attendue depuis longtemps

L'univers tant apprécié du *Seigneur des Anneaux* de J.R.R. Tolkien prend vie dans le monde enchanteur de la Terre du Milieu, une contrée mythique imprégnée d'histoire et peuplée de personnages héroïques, où triomphe la force de l'amitié. C'est dans la Comté, le pays des Hobbits™, que commence le premier film de la saga, *La Communauté de l'Anneau* (2001). Un grand enthousiasme règne lors de la préparation de la fête du undécante-unième anniversaire de Bilbon Sacquet. Durant cette réception d'une magnificence particulière, marquée par la venue de Gandalf le Gris, se mêlent mets délicieux et feux d'artifice magiques.

Mais l'harmonie et la beauté pittoresque de la Comté laissent bientôt place à l'obscurité. Disparaissant mystérieusement de la fête, Bilbon laisse derrière lui un objet ancien aux pouvoirs inquiétants : l'Anneau Unique. Cet événement sera à l'origine d'un voyage riche en péripéties qui façonnera le destin de la Terre du Milieu. Ce set LEGO® *Le Seigneur des Anneaux* : la Comté est un diorama richement détaillé de la maison douillette de Bilbon sous la colline. Entrez et profitez de la chaleur, de l'hospitalité et d'une bonne tasse de thé, avant de reprendre la route, qui se poursuit encore et toujours !

Un mot de l'équipe de designers LEGO® Icons

Bienvenue dans le cadre luxuriant et joyeux de Hobbitebourg. Pour nous aider à rester fidèles aux scènes du film, nos partenaires de Warner Bros. Discovery nous ont fourni de nombreux documents de référence, dont un plan détaillé de Cul-de-Sac. Vous allez découvrir et construire de nombreux moments clés de *La Communauté de l'Anneau*, dont certains n'apparaissent que dans la version longue du film. Nos équipes responsables des textiles et du graphisme nous ont aidé à recréer la scène de la fête avec deux nouveaux éléments textiles imprimés : la banderole d'anniversaire et la tente de la fête. Nous espérons que vous vous sentirez comme chez vous dans les magnifiques collines de la Comté, que vous trouverez du réconfort à Cul-de-Sac et que vous profiterez des festivités !

Frodon Sacquet se détend avec son livre dans une zone boisée tranquille de la Comté.

Frodon accueille Gandalf le Gris, faisant irruption dans une charrette remplie de feux d'artifice. Le sorcier, fort apprécié à la Comté, jouera les trouble-paix.

Bilbon Sacquet est assis à son bureau, redoutant les visiteurs, qu'ils soient amis ou de simples relations.

Heureux de retrouver son vieil ami Bilbon, Gandalf remarque que celui-ci n'a pas pris une ride !

Avant le début des festivités, Bilbon insiste pour prendre un peu de thé et de gâteau avec Gandalf.

Gandalf et Bilbon profitent ensemble d'un moment de quiétude en cette nuit inoubliable.

Les feux d'artifice magiques attirent la curiosité des Hobbits Merry et Pippin !

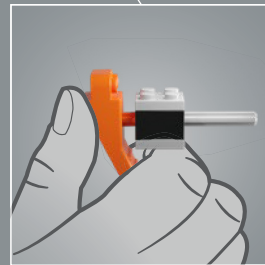

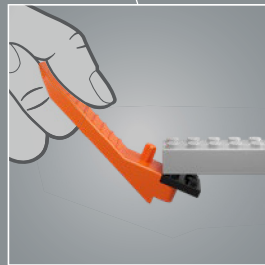

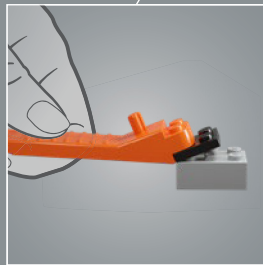

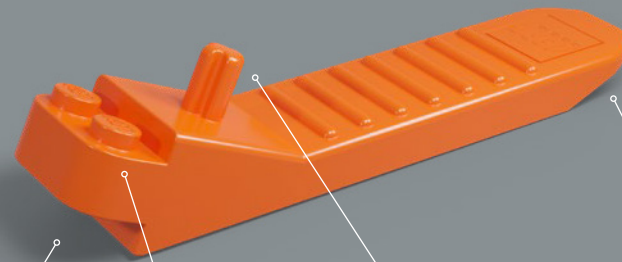

Bilbon monte sur scène, mais son discours joyeux prend une tournure mystérieuse lorsqu'en un instant, il disparaît.

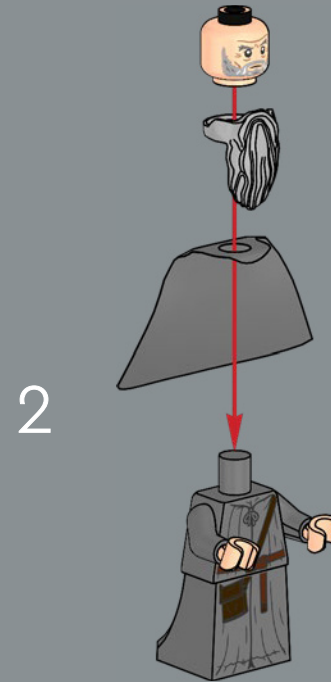

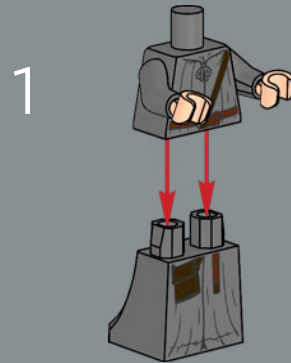

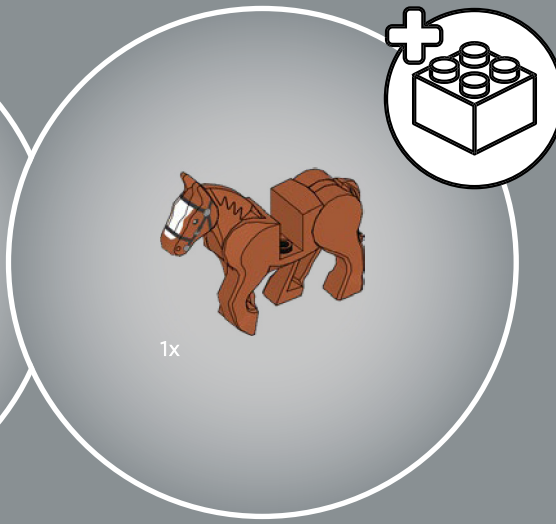

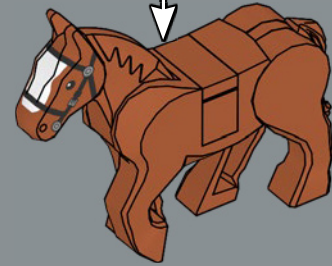

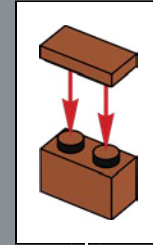

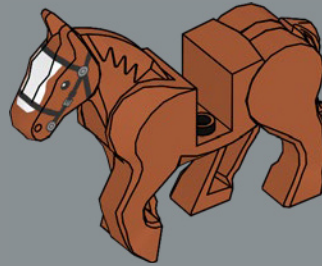

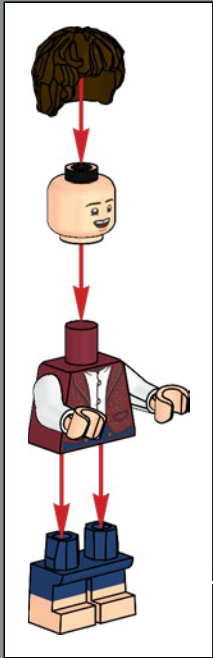

Gandalf jette l'enveloppe contenant l'Anneau Unique au feu et révèle ses secrets à Frodon.

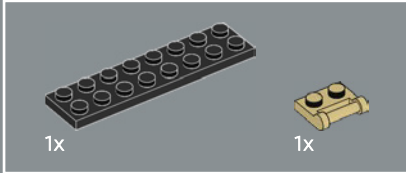

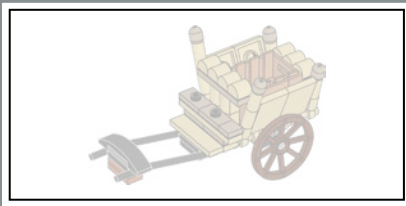

Samsagace surprend la conversation secrète entre Gandalf et Frodon. L'aventure commence.
