Una festa tanto attesa

L'universo de *Il Signore degli Anelli* di J.R.R. Tolkien è ambientato nell'incantevole e mitica Terra di Mezzo, ricca di storia e di eroici personaggi unificati dal potere dell'amicizia. Il primo film, *La Compagnia dell'Anello* (2001), inizia nella Contea, il paese degli Hobbit. In questa serena ambientazione, gli abitanti attendono con impazienza il centoundicesimo compleanno di Bilbo Baggins™. La festa di Bilbo è una celebrazione straordinaria, ricca di allegria e magici fuochi d'artificio e per la quale arriverà anche Gandalf il Grigio.

Ma presto, l'armonia e la bellezza tipica della Contea si scontrano con un'oscurità minacciosa. Bilbo scompare misteriosamente dalla festa, lasciando dietro di sé un antico oggetto dotato di poteri inquietanti: l'Unico Anello. Le sue azioni danno inizio a un'avventura piena di eventi che cambierà il destino della Terra di Mezzo. Questo set LEGO® *Il Signore degli Anelli*: la Contea è un diorama molto dettagliato che rappresenta l'accogliente casa di Bilbo sotto la collina. Vieni dentro e goditi il calore, l'ospitalità e una buona tazza di tè prima di affrontare la lunga strada!

Il LEGO® Icons Design Team

Benvenuti nell'incantevole e vivace mondo di Hobbiton. Per rimanere fedeli alle scene del film, i nostri partner di Warner Bros. Discovery ci hanno dato una vasta gamma di materiali di riferimento, tra cui una pianta dettagliata di Casa Baggins. Scoprirai e costruirai molti momenti della storia de *La Compagnia dell'Anello*, alcuni dei quali sono presenti solo nella versione estesa del film. I nostri team dei tessuti e della grafica hanno lavorato intensamente per ricreare l'atmosfera della festa, realizzando due nuovi elementi tessili stampati per lo stendardo e il padiglione della festa di compleanno. Ci auguriamo che ti sentirai a casa tra le splendide colline della Contea, troverai conforto in Casa Baggins e ti divertirai ai festeggiamenti!

Frodo Baggins™ si gode un momento di relax con un libro in una serena zona boschiva della Contea.

Frodo saluta Gandalf Il Grigio, l'amato mago e portatore di scompiglio, mentre arriva su un carretto carico di fuochi d'artificio.

Bilbo Baggins™ siede alla sua scrivania, temendo visitatori inaspettati, benevoli o parenti lontani.

In un gioioso incontro tra due cari amici, Gandalf nota che Bilbo non è invecchiato di un giorno!

Prima di avviare i festeggiamenti, Bilbo offre a Gandalf una tazza di tè e una fetta di torta.

Gandalf e Bilbo trascorrono un momento sereno insieme in questa notte tutta da ricordare.

I fuochi d'artificio magici sono semplicemente irresistibili per i curiosi Hobbit Merry e Pipino!

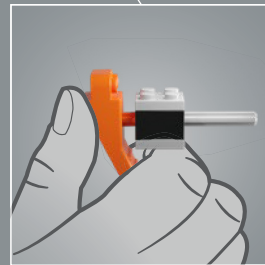

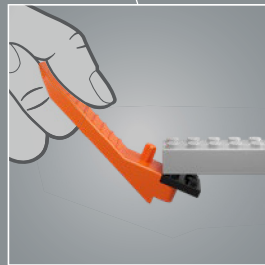

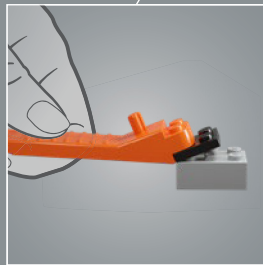

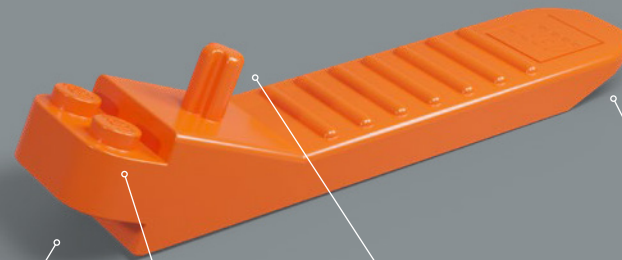

Bilbo sale sul palco e inizia un discorso allegro, ma all'improvviso la situazione prende una piega misteriosa e, in un attimo, Bilbo scompare.

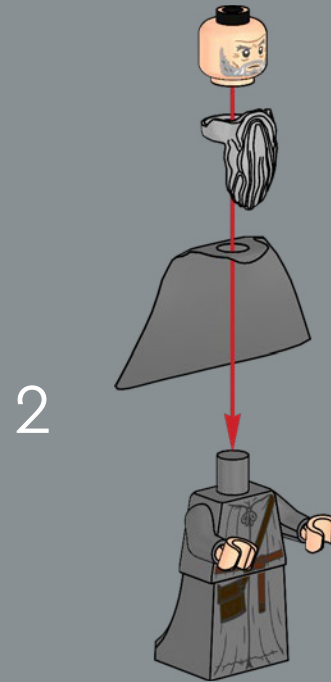

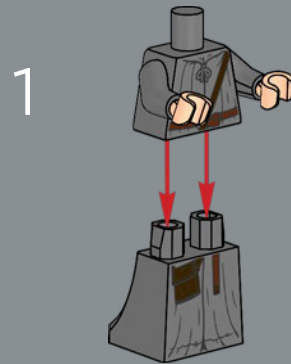

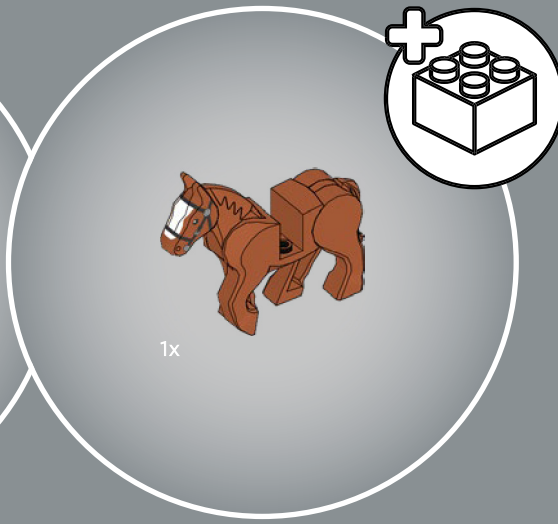

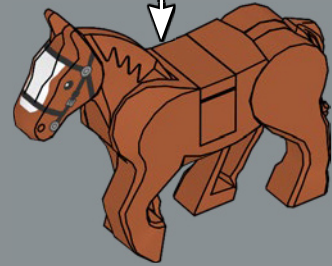

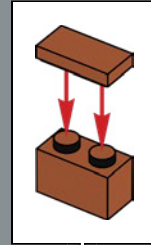

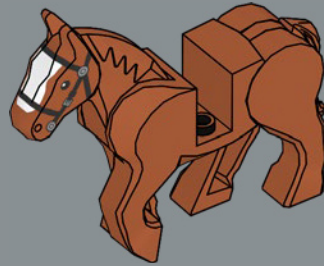

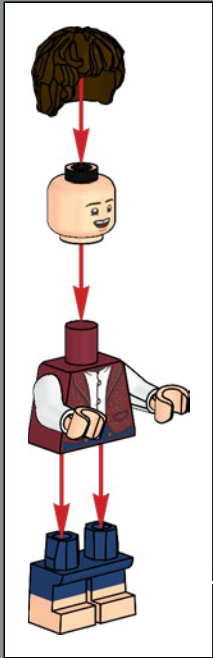

*Gandalf butta la busta con l'Anello
Uno nel fuoco e svela
i suoi segreti a Frodo.*

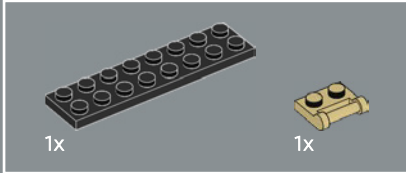

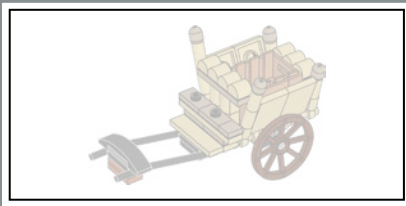

*Samwise™ sente la
conversazione riservata
tra Gandalf e Frodo.
L'avventura comincia.*
