Shelby

Shelby Cobra 427 S/C

El Shelby Cobra 427 S/C salió a la venta en 1965, impulsado por la ambición de Carroll Shelby de producir un deportivo estadounidense de alto rendimiento que pudiera rivalizar con los modelos europeos. Shelby, experimentado piloto de carreras y visionario emprendedor, vio posibilidades a combinar el chasis ligero de un biplaza descapotable de la británica AC Cars con el potente motor Ford® V8. Su perseverancia y su trayectoria en los circuitos convencieron a Ford Motor Company de colaborar en el proyecto. El resultado no solo se convirtió en el amo y señor de las competiciones, sino también en un símbolo perdurable de la maestría automovilística estadounidense.

Un hito determinante en la historia de las carreras

Tanto en su faceta de piloto de carreras como en la de diseñador, Carroll Shelby es una leyenda. Cuando le preguntaban cuál era su coche favorito, la respuesta solía ser: "El próximo". Sentía un enorme deseo de entusiasmar a la gente con el Cobra, pero le preocupaba que no lo tomaran en serio por contar tan solo con el coche de muestra. Así que repintó ese primer coche varias veces para que pareciera que ya había alcanzado el éxito y tenía más de uno. Con carrocería de aluminio, un robusto motor Ford® 427 V8 y una relación potencia-peso revolucionaria, la serie Cobra conquistó campeonatos y récords, como una categoría del Campeonato Mundial de Sport Prototipos de 1965 y la marca de 318 km/h en las 24 Horas de Le Mans en 1967, entre muchos otros.

Impresiones del equipo de diseño de LEGO® Icons

Nuestros socios para este modelo, Shelby American, fueron increíblemente amables al guiarnos por la historia del Shelby Cobra 427 S/C.

Fiel a LEGO® Icons, el modelo presenta los colores distintivos del Cobra, su característica "boca" abierta y la barra antivuelco. Tanto los laterales como los guardabarros traseros tienen una leve inclinación y, para capturar la silueta curvilínea del vehículo, creamos nuevos elementos y los combinamos con avanzadas técnicas de construcción. Incluso viene con capó y maletero abatibles, puertas que se abren, sistema de dirección y montones de detalles en el compartimento del motor y el interior, ¡como la firma de Carroll Shelby en el salpicadero!

Carroll Shelby autografió muchas tapas de guanteras de coches Shelby.

56

57

Cuenta la leyenda que Carroll Shelby pegaba con cinta adhesiva un billete de 100 USD en el salpicadero, prometiendo que quien lograra cogerlo antes de que el coche alcanzara los 100 km/h podría quedárselo. ¡Se dice que la aceleración del vehículo empujaba a los pasajeros contra sus asientos con tal fuerza que no hubo nadie capaz de tocar el preciado premio!
