Carroll Shelby

Shelby Cobra 427 S/C

La Shelby Cobra 427 S/C a été lancée en 1965, sous l'impulsion de Carroll Shelby, qui avait pour ambition de produire une puissante voiture de sport américaine capable de rivaliser avec les modèles européens. Ce talentueux pilote de course et entrepreneur visionnaire a vu du potentiel dans l'alliance d'un châssis léger d'AC Roadster britannique et d'un puissant moteur V8 Ford®. Sa grande ténacité et son palmarès ont convaincu Ford Motor Company de collaborer avec lui sur ce projet. Le résultat allait bientôt dominer les circuits et devenir le symbole durable du savoir-faire américain dans le domaine automobile.

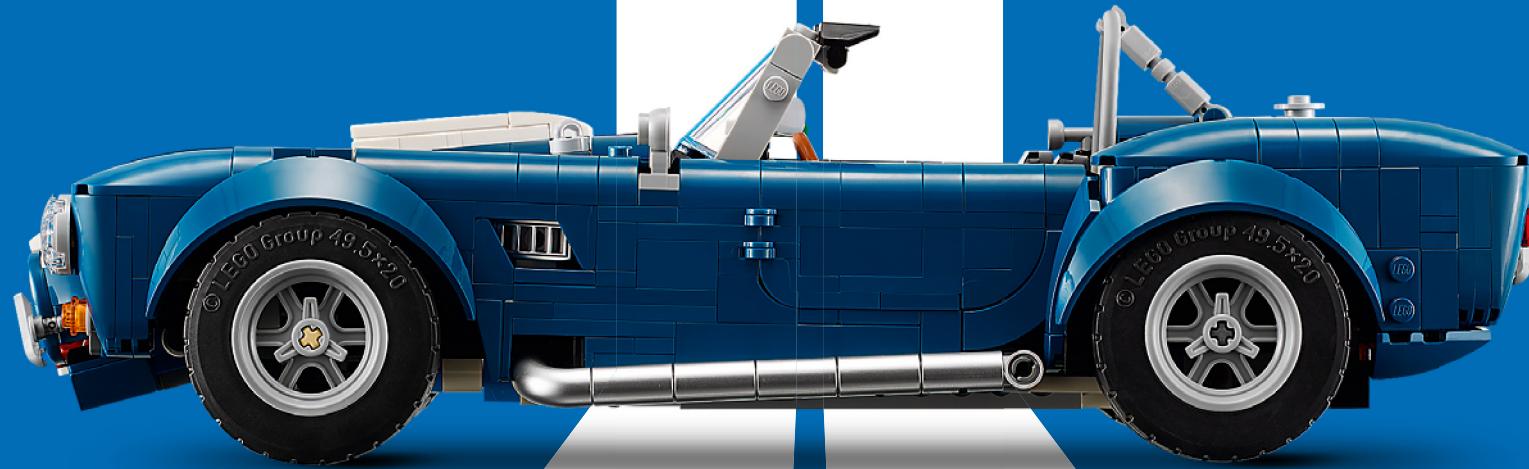

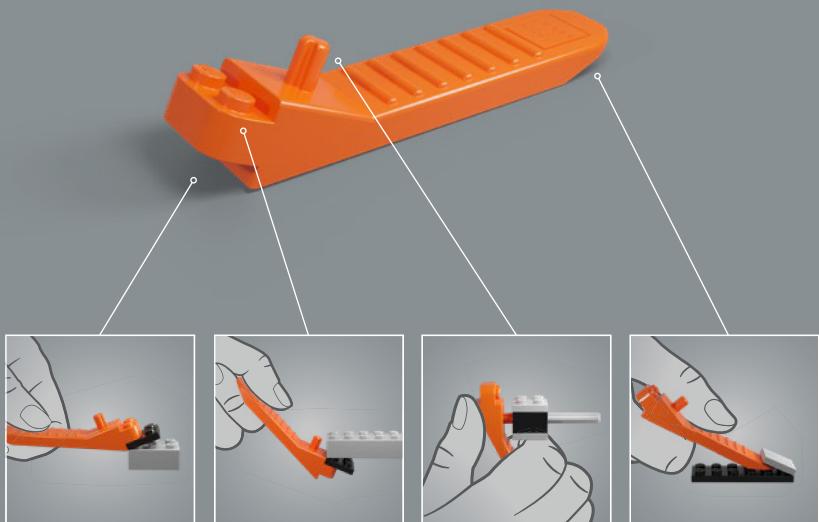

Une page déterminante de l'histoire de la course automobile

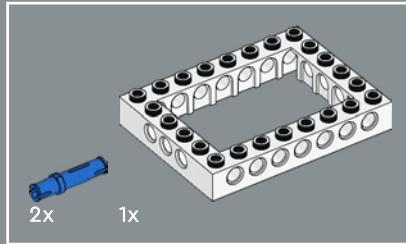

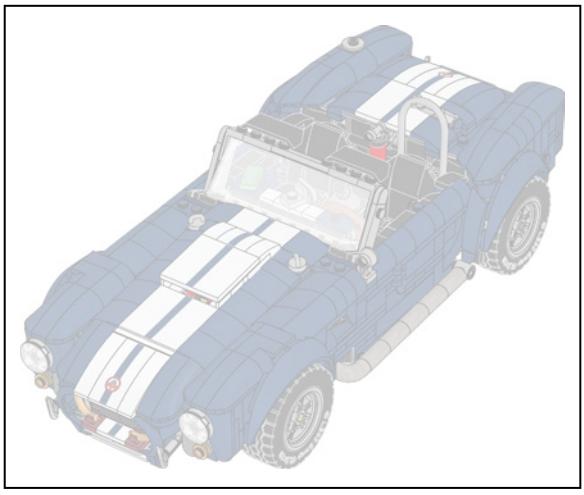

Carroll Shelby est une légende, aussi bien en tant que pilote de course qu'en tant que designer. Quand on lui demandait quelle était sa voiture préférée, il répondait : « La prochaine ». Désireux de voir la Cobra susciter un réel enthousiasme, il craignait de ne pas être pris au sérieux en n'ayant qu'une voiture à présenter. Il a donc repeint la première voiture plusieurs fois pour que l'on pense qu'il avait déjà du succès et qu'il en possédait plusieurs. Avec sa carrosserie en aluminium, son moteur V8 Ford® 427 robuste et son rapport poids/puissance élevé, la série Cobra a remporté de nombreux championnats et enregistré beaucoup de records, notamment le Championnat du monde des voitures de sport de 1965 et un record de vitesse de 318 km/h aux 24 heures du Mans de 1967.

Le mot de l'équipe de designers LEGO® Icons

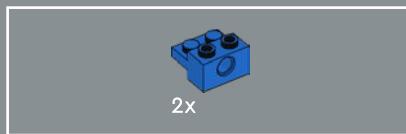

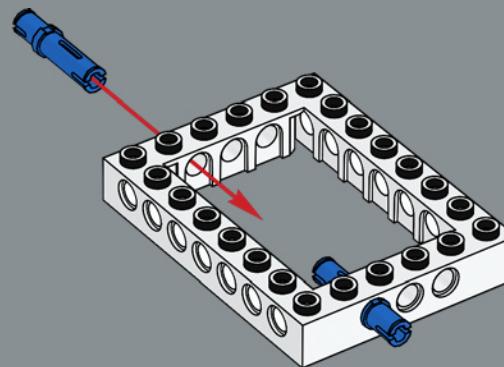

Shelby American, notre partenaire pour ce modèle, a eu l'extrême amabilité de nous guider à travers l'histoire de la Shelby Cobra 427 S/C. Conformément à l'esprit de la gamme LEGO® Icons, ce modèle arbore les couleurs, la calandre et l'arceau de sécurité de la Cobra. Les côtés et les ailes arrière sont incurvés, et nous avons créé de nouveaux éléments et combiné différentes techniques de construction avancées pour restituer sa silhouette tout en rondeurs. La voiture présente un capot, des portes et un coffre qui s'ouvrent, une direction fonctionnelle, un compartiment moteur détaillé et même la signature de Carroll Shelby sur le tableau de bord !

Il est bien connu que Carroll Shelby a signé de nombreuses boîtes à gants de voitures Shelby.

56

1x

1x

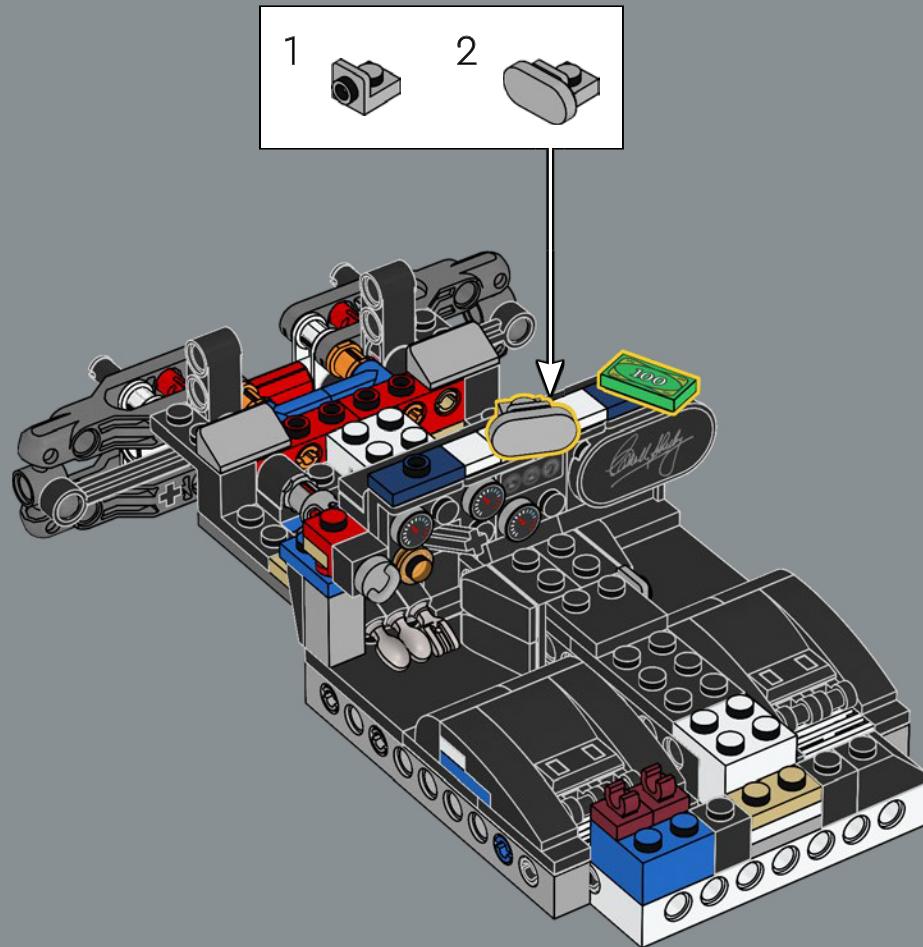

1x

La légende raconte que Carroll Shelby scotchait un billet de 100 \$ au tableau de bord de la voiture en guise de récompense pour la personne qui réussirait à le récupérer avant qu'elle n'atteigne les 100 km/h. On prétend que l'accélération de la voiture propulsait tellement les passagers au fond de leur siège que personne n'a jamais été en mesure de remporter la somme !
