Shelby

Shelby Cobra 427 S/C

La Shelby Cobra 427 S/C fu lanciata nel 1965, frutto dell'ambizione di Carroll Shelby che desiderava creare una vera e propria vettura sportiva americana in grado di competere alla pari con i modelli europei più prestigiosi. Shelby, un pilota da corsa esperto e imprenditore visionario, colse l'opportunità per sposare il telaio leggero di una roadster AC britannica con il potente motore V8 Ford®. La sua instancabile determinazione e il suo track record convinsero Ford Motor Company a collaborare al progetto. Il risultato avrebbe dominato i circuiti e sarebbe diventato un simbolo duraturo della maestria automobilistica americana.

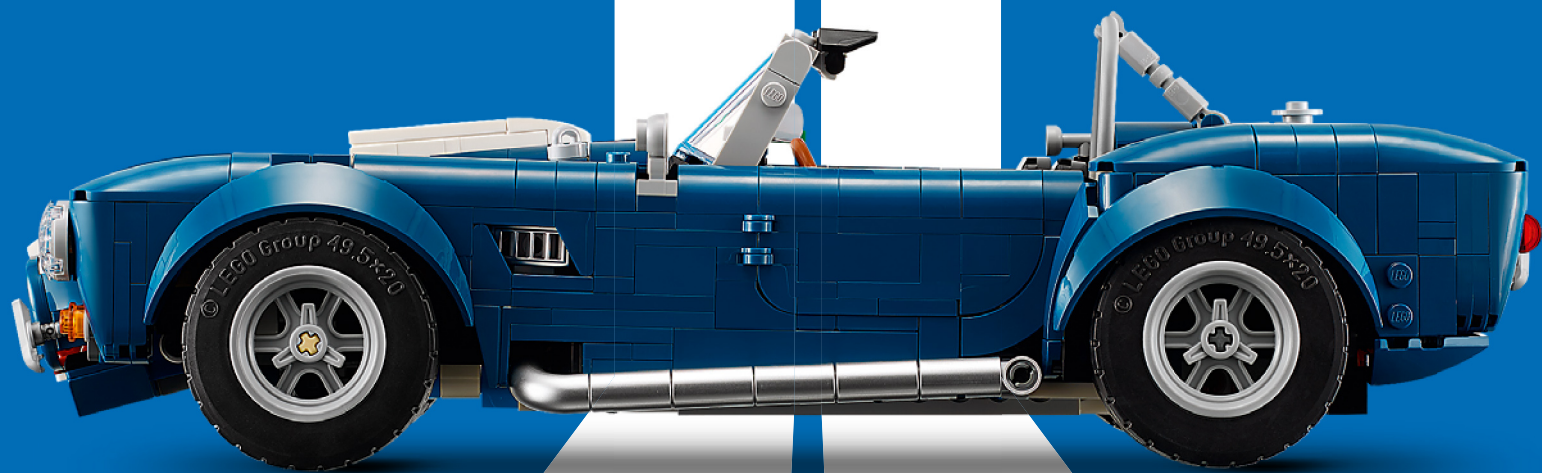

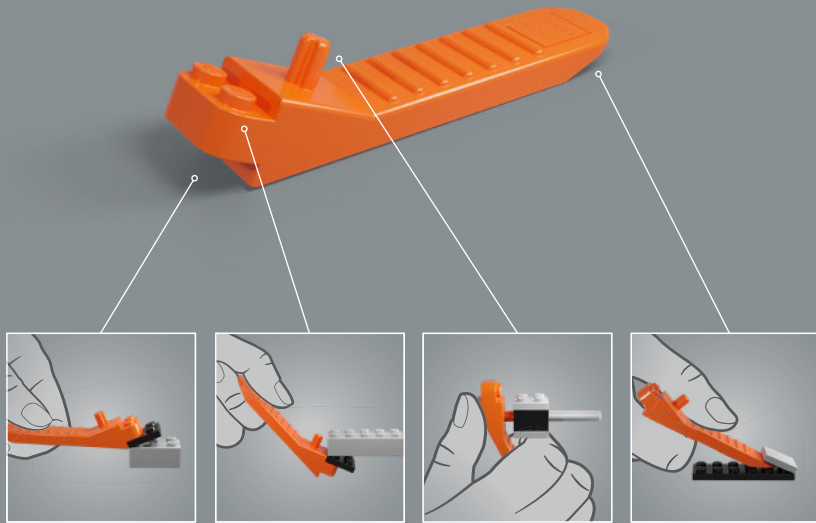

Una tappa miliare nella storia delle corse

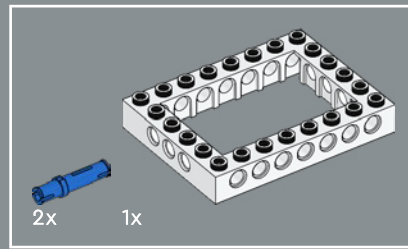

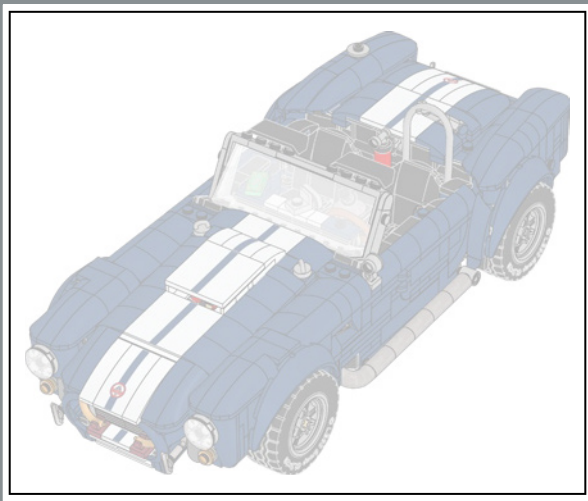

Carroll Shelby è una vera leggenda, sia come pilota sia come designer. Alla domanda "Qual è la tua auto preferita?" rispondeva: "La prossima". Desideroso di richiamare l'attenzione del pubblico nei confronti della sua Cobra, decise di "ampliare la gamma" per dimostrare che non si trattava di un fuoco di paglia. Così, cambiò il colore della prima auto più volte per dare l'impressione che avesse riscosso un grande successo e che possedesse diversi prototipi. Grazie alla carrozzeria in alluminio, al robusto motore Ford® 427 V8 e al fantastico rapporto peso/potenza, la serie Cobra conquistò numerosi campionati e record, tra cui un campionato mondiale per auto sportive nel 1965, raggiungendo una velocità di punta di 318 km/h alla 24 Ore di Le Mans nel 1967.

Il LEGO® Icons Design Team

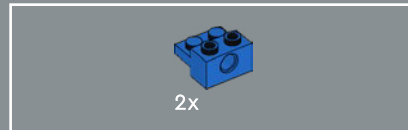

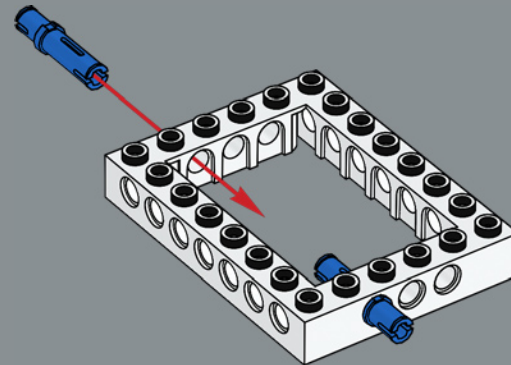

Il nostro partner per questo modello, Shelby American, è stato incredibilmente disponibile e ci ha guidato attraverso la storia della Shelby Cobra 427 S/C. Fedele ai canoni LEGO® Icons, questo modello sfoggia la caratteristica livrea Cobra, la “bocca” spalancata e il roll bar. Sia le fiancate sia le ali posteriori sono angolate e abbiamo creato nuovi elementi e combinato tecniche di costruzione avanzate per catturare la sinuosa silhouette. La vettura è dotata di cofano, portiere e bagagliaio apribili e di sterzo funzionante, vano motore e interni dettagliati e persino la firma di Carroll Shelby sul cruscotto!

Carroll Shelby ha notoriamente firmato molti sportelli del vano portaoggetti delle auto Shelby.

56

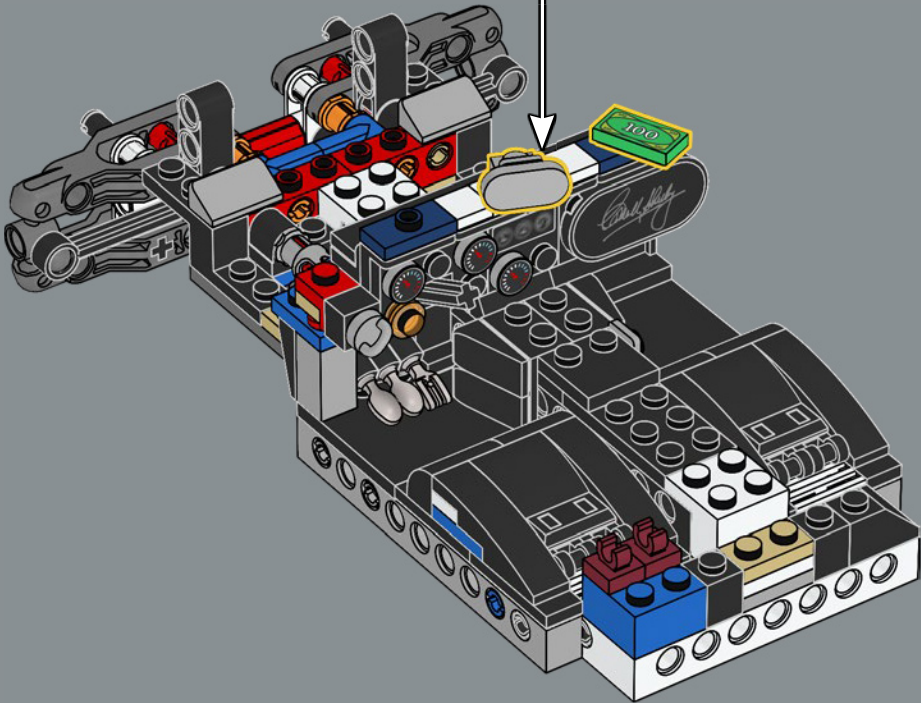

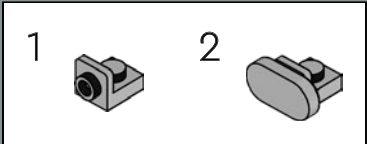

57

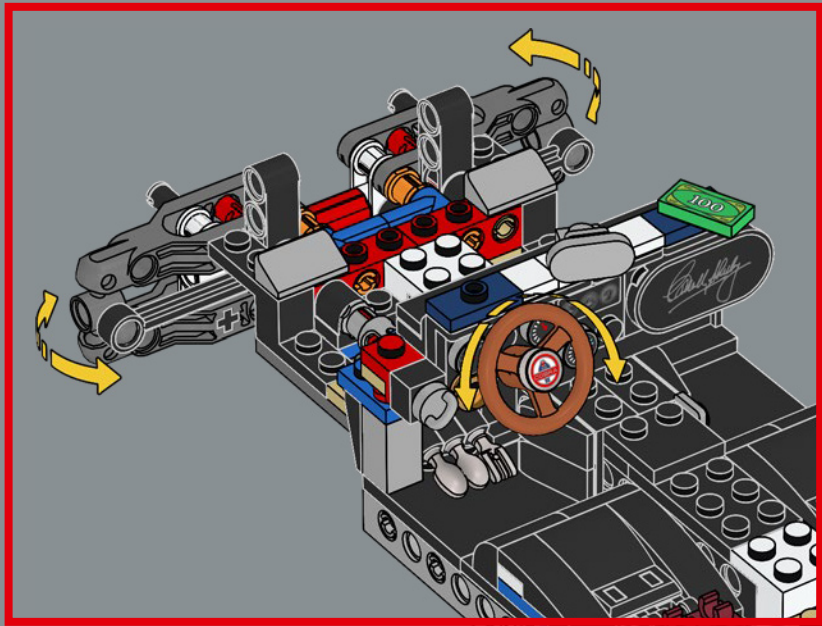

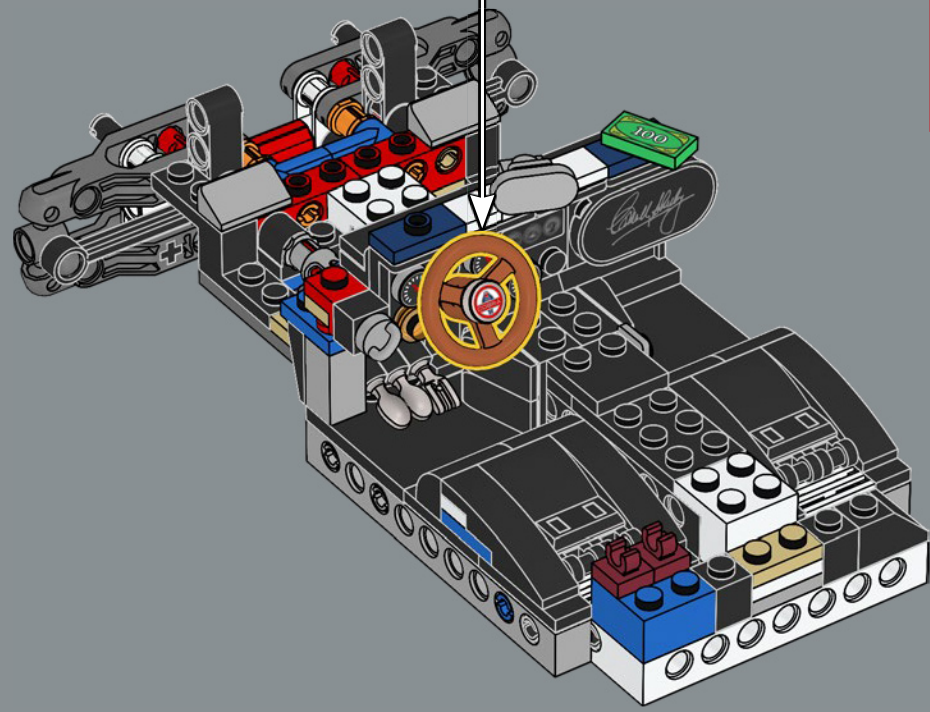

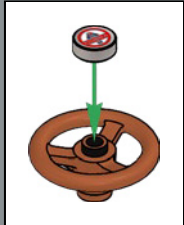

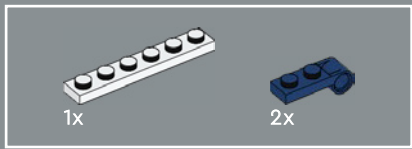

Secondo la leggenda, Carroll Shelby applicava una banconota da \$100 al cruscotto dell'auto, promettendo che chiunque fosse riuscito a prenderla prima che l'auto raggiungesse i 100 km/h avrebbe potuto tenerla. Si dice che l'accelerazione dell'auto spingesse i passeggeri così indietro sui sedili che nessuno riuscì mai ad afferrarla in tempo!
