¡BARCO A LA VISTA, PIRATAS!

El momento en el que el Capitán Jack Sparrow da un paso al muelle de Port Royal desde la única parte aún a flote de su embarcación nos confirma que estamos a punto de presenciar una aventura de piratas que rompe los esquemas. La película Disney *Piratas del Caribe: La maldición de la Perla Negra* (2003) revivió un género clásico con todos los ingredientes que necesita un relato de piratas para ser sensacional: un tesoro oculto y maldito, flotas de barcos temibles, míticas criaturas marinas y épicas batallas entre la *respectable* autoridad y los filibusteros más buscados, por mencionar solo algunos. Más de dos décadas después, la historia sigue cautivándonos con giros inesperados a cada paso.

MUY RÁPIDA, CASI INALCANZABLE

Para reunirse con su legendario barco pirata y reclamar para sí el codiciado tesoro, el encantador y carismático Capitán Jack Sparrow se embarca en una frenética búsqueda por el mar Caribe... y más allá. Por el camino, forma equipo con una entrañable banda de desventurados malhechores para enfrentarse a enemigos de naturaleza mortal y sobrenatural, con un poco de ayuda de héroes inesperados y nuevos aliados.

*"Siempre recordaréis este día
como el día en que casi capturáis
al Capitán Jack Sparrow".*

Capitán Jack Sparrow

CONOCE A LA TRIPULACIÓN

WILL TURNER

Herrero de profesión, Will asume su herencia pirata para encontrar y rescatar a su padre perdido mucho tiempo atrás y proteger a su amada Elizabeth.

JACK SPARROW

Siempre balanceándose en la fina línea que separa la locura de la genialidad, el Capitán Jack Sparrow se sirve de la astucia y el ingenio para navegar por aguas turbulentas (y, en general, por todo tipo de cosas turbulentas).

HÉCTOR BARBOSSA

Barbossa no soporta a los locos ni va a negociar con uno de ellos. En vez de eso, equilibra sagazmente la ambición con las alianzas rastreras.

ELIZABETH SWANN

Hija de un gobernador y con una marcada inclinación por las aventuras de capa y espada, Elizabeth sorprende incluso a los piratas más experimentados por su capacidad resolutive.

"¿Posees coraje y valor para acatar órdenes y permanecer fiel ante una muerte casi segura?".

Capitán Jack Sparrow

GIBBS

El leal y práctico segundo de a bordo de Jack. Se inclina hacia la superstición y es una fuente constante de sabiduría y buen humor.

ANAMARIA

Feroz pirata que, a pesar de tener algunas cuentas pendientes con Jack, se une a su tripulación en busca de justicia (y de un barco nuevo).

COTTON (Y EL LORO)

El mudo Cotton habla a través de su loro, que ofrece con entusiasmo su ingeniosa perspectiva de los acontecimientos.

MARTY

Marty es un intrépido pirata a quien su modesta estatura no le impide mostrar un valor inquebrantable ante el peligro.

*"Y ahora..., rumbo al horizonte... Un gran
pirata soy. Brindad, compañeros, ¡yo-ho!"*

Capitán Jack Sparrow

SOLTADLAS Y A TODA VELA

Aventuras y tesoros sin límites es lo que les espera a todos los que se enrolen para navegar bajo el mando de los capitanes rivales Barbossa y Jack Sparrow. Un navío de velocidad inigualable, el barco pirata más conocido del Caribe surca los mares azotado por una maldición y envuelto en leyendas. Navega desde la esquivia Isla de Muerta hasta puertos exóticos, ensenadas y horizontes más allá de los bordes de los mapas, donde residen bestias mitológicas. Con el viento llenando sus andrajosas velas negras, el barco y su variopinta tripulación de malhechores superan innumerables batallas, motines y asaltos en sus viajes.

*"Ya seas un marinero de agua dulce respetuoso de la ley o un truhan con escorbuto,
¡leva anclas hacia una fascinante aventura de construcción!".*

El equipo de diseño de LEGO® Icons

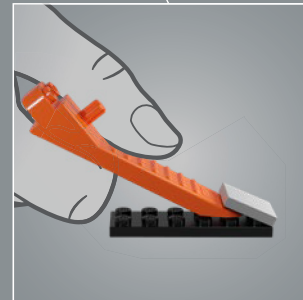

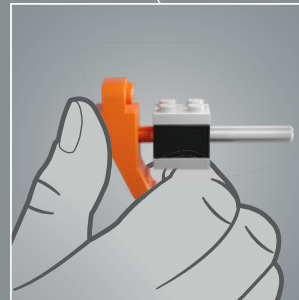

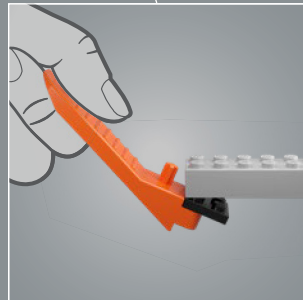

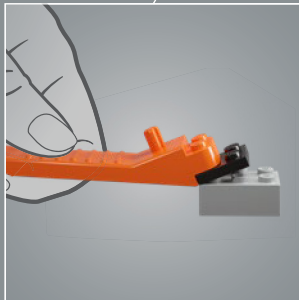

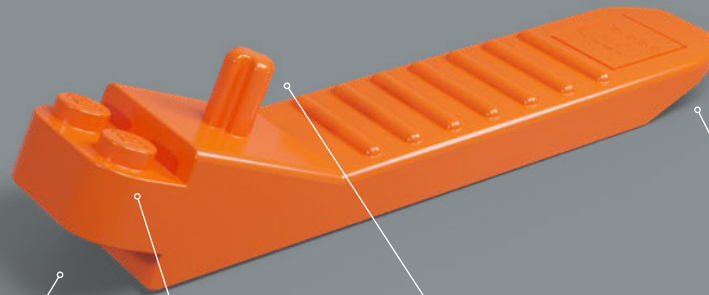

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO® ICONS

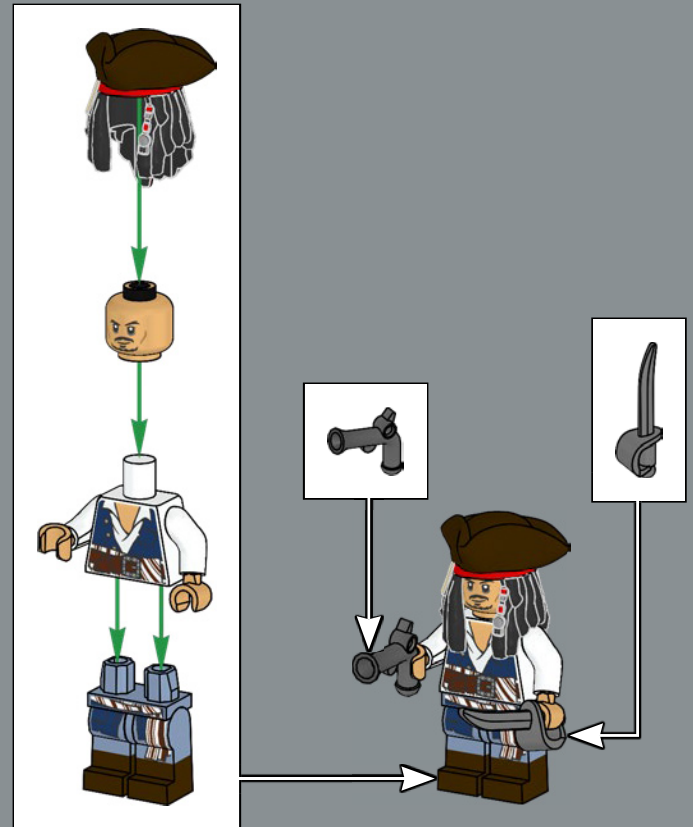

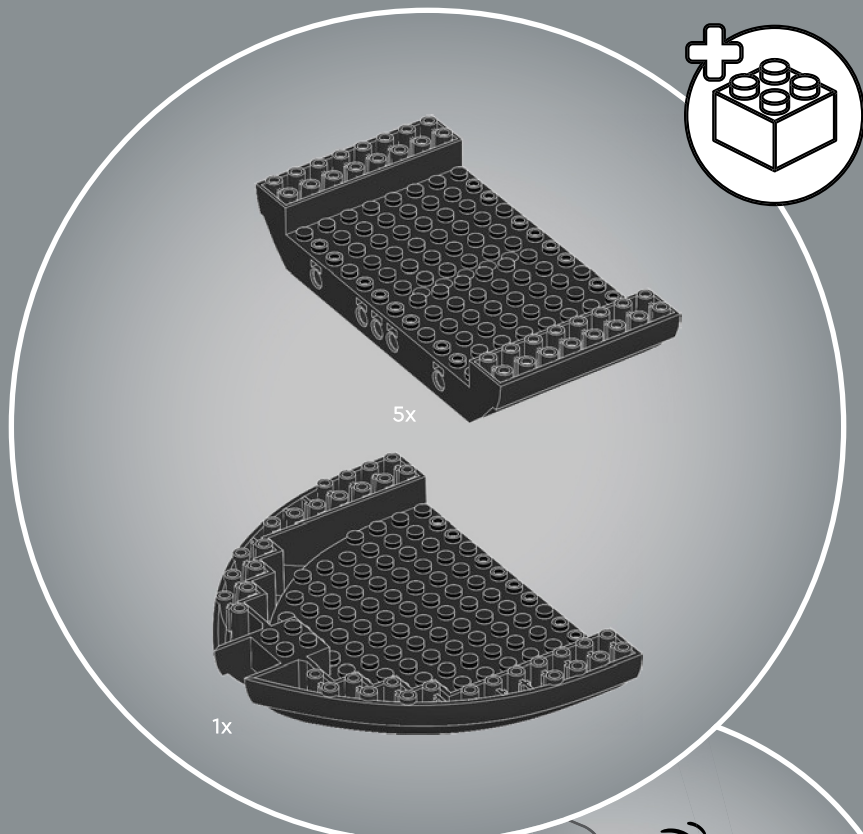

Usando imágenes de accesorios, maquetas a escala y escenarios de sonido de la producción cinematográfica, recreamos un modelo a escala de minifigura *aproximadamente* del legendario barco del Capitán Jack Sparrow en una clásica experiencia de construcción LEGO® a bordo de un barco pirata. Con elaborados mástiles, velas de tela y aparejos, así como con un espacio interior lleno de detalles, el modelo celebra la estampa y las fluidas líneas de los galeones del siglo XVIII expuesto sobre su estilizada base.

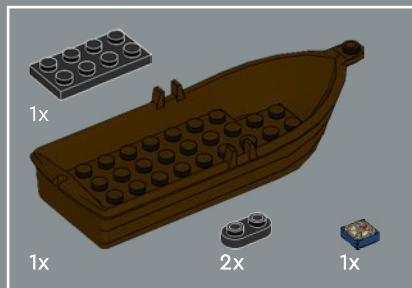

Incluso implementamos una función para desplegar los cañones (¡los 16!) girando las ruedas situadas a babor y estribor de la popa. ¡Prepárate para el abordaje!

(Nota: No incluye chalecos salvavidas).

¿Qué sería de un barco pirata sin su lujoso camarote para el capitán? El techo del camarote se fija mediante sujeciones y barras para mantenerlo en la posición correcta, pero también con el objetivo de que puedas quitarlo para acceder al interior.
