# OHÉ, LES PIRATES !

Dès l'instant où le Capitaine Jack Sparrow descend de son navire qui est en train de couler et pose le pied sur les quais de Port Royal, nous savons que nous embarquons dans une aventure de pirate extraordinaire. *Pirates des Caraïbes : La malédiction du Black Pearl* de Disney (2003) a relancé un genre classique avec tous les ingrédients d'un conte de pirates fantastique. Le film parle d'un trésor caché et maudit, de flottes de vaisseaux redoutables, de créatures marines mythiques et de batailles épiques entre le pouvoir en place et les hors-la-loi recherchés. Plus de 20 ans plus tard, l'histoire continue de nous captiver avec des rebondissements inattendus à chaque tournant.

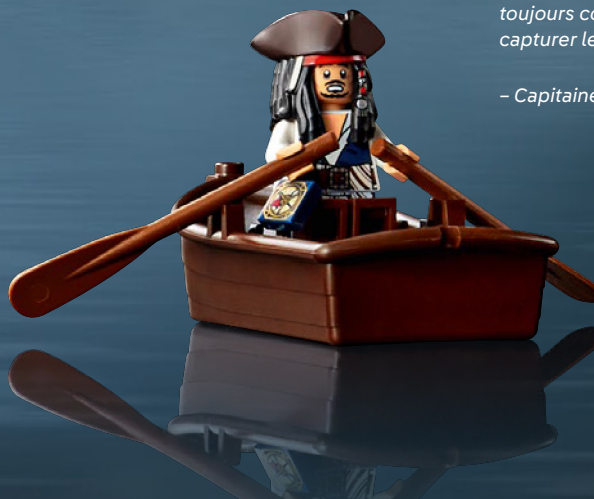

# TRÈS RAPIDE, PRESQUE IMPOSSIBLE À RATTRAPER

Pour retrouver son légendaire bateau pirate et récupérer le trésor tant convoité, le charmant et charismatique Capitaine Jack Sparrow se lance dans une poursuite effrénée à travers la mer des Caraïbes et au-delà. En chemin, il fait équipe avec d'affreux bandits, se battant contre des ennemis mortels et non naturels, avec l'aide de héros improbables et de nouveaux alliés.

*« C'est le jour dont vous vous souviendrez  
toujours comme celui où vous avez failli  
capturer le capitaine Jack Sparrow . »*

*– Capitaine Jack Sparrow*

# À LA RENCONTRE DE L'ÉQUIPE

## WILL TURNER

Forgeron de métier, Will accepte son héritage de pirate pour retrouver et sauver son père, qu'il a perdu depuis longtemps, et protéger sa bien-aimée Elizabeth.

## JACK SPARROW

Toujours à la limite entre la folie et le génie, le Capitaine Jack Sparrow utilise sa ruse et son esprit pour se sortir de situations compliquées (et des ennuis en général).

## HECTOR BARBOSSA

Peu enclin à tolérer les imbéciles, ni à conclure de marché avec eux, Barbossa trouve habilement l'équilibre entre son ambition et ses alliances surnoises.

## ELIZABETH SWANN

Fille d'un gouverneur et passionnée par les aventures de cape et d'épée, Elizabeth surprend même les pirates les plus aguerris par son ingéniosité.

« Avez-vous le courage et la force d'âme de suivre les ordres et de rester loyale face au danger et à une mort quasi certaine ? »

– Capitaine Jack Sparrow

#### GIBBS

Le second de Jack, loyal et pragmatique, est enclin à la superstition et est une source constante d'humour et de sagesse.

#### ANAMARIA

La redoutable pirate, qui a quelques comptes à régler avec Jack, rejoint son équipage en quête de justice (et d'un nouveau bateau).

#### COTTON (ET LE PERROQUET)

Cotton, qui est muet, parle à travers son perroquet, qui donne avec enthousiasme son point de vue amusant sur les événements.

#### MARTY

Malgré sa modeste stature, Marty est un pirate intrépide qui fait preuve d'un courage inébranlable face au danger.

*« Et maintenant... cap sur l'horizon...  
et des œufs pourris. À l'abordage,  
mes cœurs, yo-ho ! »*

*– Capitaine Jack Sparrow*

# LÂCHEZ PRISE ET LAISSEZ LIBRE COURS À VOTRE IMAGINATION

L'aventure et des trésors inépuisables attendent tous ceux qui s'engagent à naviguer sous le commandement des capitaines rivaux Barbossa et Jack Sparrow. Navire dont la vitesse est inégalée, le bateau pirate le plus tristement célèbre des Caraïbes erre dans les mers, maudit et enveloppé d'un voile de légendes. Il navigue depuis l'insaisissable île de Muerta vers des ports, des criques et des horizons exotiques au-delà des limites des cartes, où vivent des monstres mythiques. Tandis que le vent gonfle ses voiles noires, le navire et son équipage hétéroclite de malfrats affrontent d'innombrables batailles, mutineries et attaques au cours de leurs voyages.

*« Que vous soyez un marin d'eau douce respectueux des  
lois ou un flibustier couvert de scorbut, hissez les voiles  
pour une palpitante aventure de construction ! »*

*- L'équipe de design LEGO® Icons*

# LE MOT DE L'ÉQUIPE DE DESIGNERS LEGO® ICONS

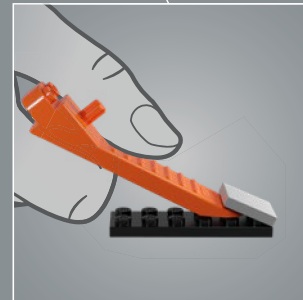

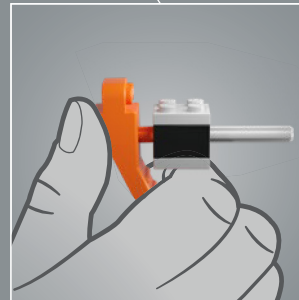

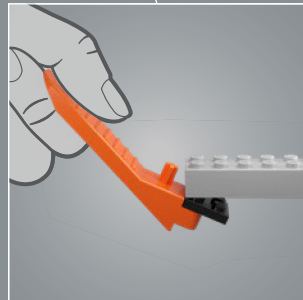

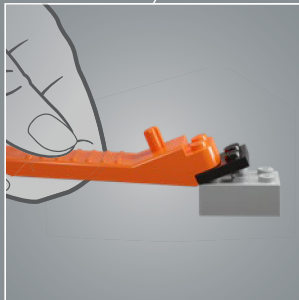

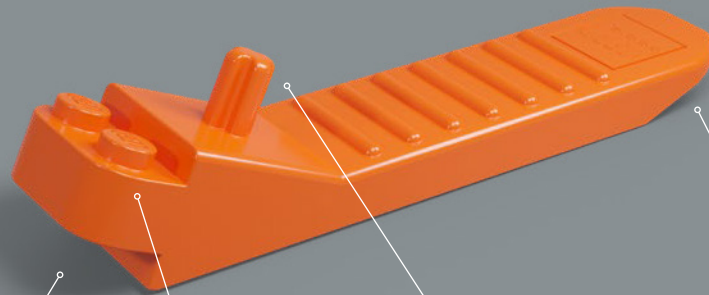

À l'aide de photos d'accessoires, de maquettes et de plateaux de tournage du film, nous avons recréé une version « pratiquement » à l'échelle des minifigurines du légendaire navire du Capitaine Jack Sparrow, dans une expérience de construction classique de bateau pirate LEGO®. Exposée sur un support mince, cette construction rend hommage aux formes épurées de la coque d'un grand voilier du XVIII<sup>e</sup> siècle, ainsi que des mâts détaillés, des voiles en tissu et des gréements, et un intérieur minutieusement détaillé.

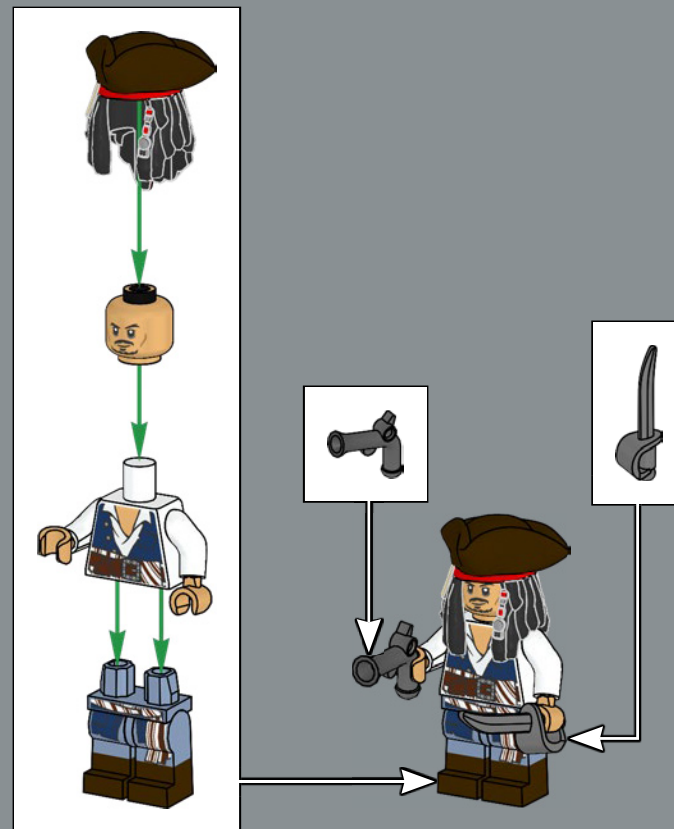

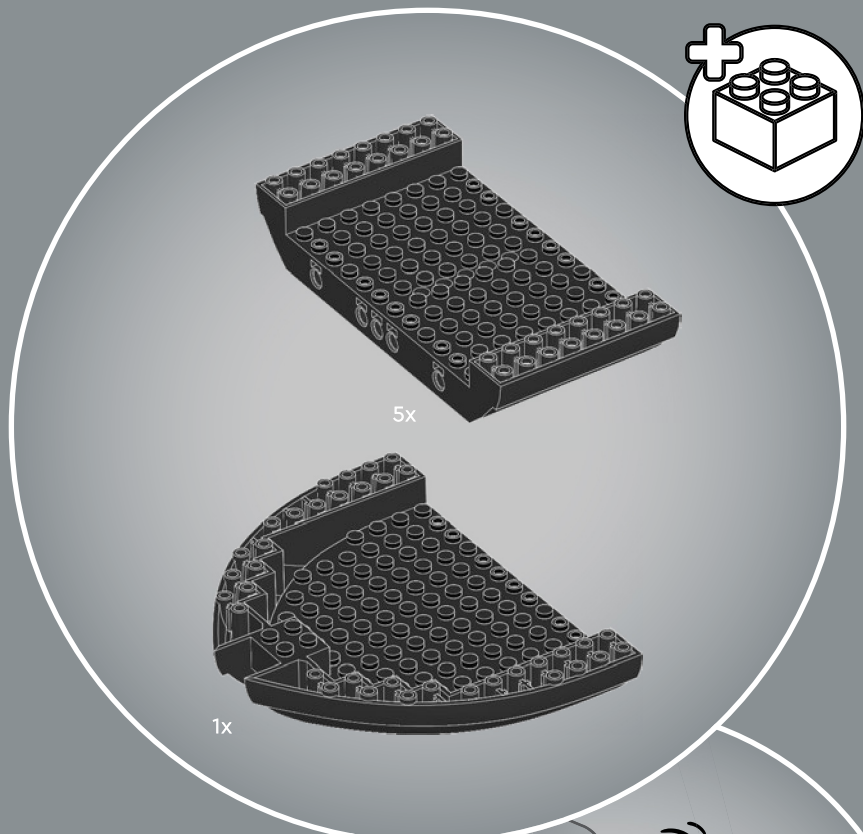

Nous avons même mis en place une fonction pour déployer les canons (les 16 !) à l'aide de boutons à tourner sur les côtés bâbord et tribord de la poupe. Préparez-vous à embarquer !

(NB : les gilets de sauvetage ne sont pas inclus.)
