AMOR Y AMISTAD EN FLOR

🌹 Las rosas rosadas, tanto cuando las regalas como cuando las recibes, representan una expresión de amor tierna y sincera entre amigos y familiares. Sus pétalos de tonos suaves y su dulce aroma prometen afecto, gratitud y alegría: el gesto perfecto para celebrar un vínculo apreciado o una ocasión festiva. Combinadas con delicadas ramitas de velo de novia, las de este ramo de rosas LEGO® rosadas aportan un aire ligero, cálido y bello a cualquier espacio.

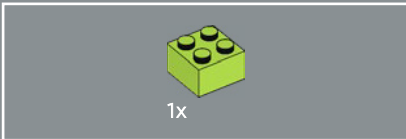

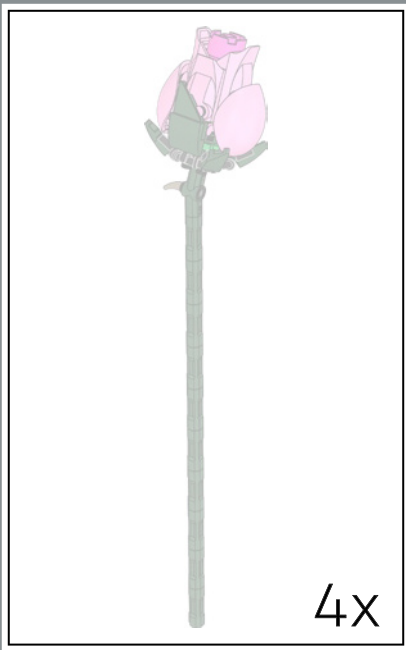

COMBINA LOS CAPULLOS DE ROSA

Desde capullos cerrados hasta rosas en plena floración, pasando por flores parcialmente abiertas, tus rosas LEGO® rosadas muestran varias fases de apertura con diferentes tonalidades claras e intensas que imitan a las flores reales. Puedes saborear la experiencia de construcción en solitario o compartir los tres folletos de instrucciones con tus seres queridos para construirlas juntos.

Aunque se suelen quitar las espinas al cortar las rosas,
algunas son esquivas a las tijeras de podar.
