FAI SBOCCIARE L'AMORE E L'AMICIZIA

 Non importa se le regali o le ricevi... le rose rosa esprimono l'amore delicato e sincero condiviso tra amici e familiari. I loro petali dalla tonalità delicatamente sfumata e il profumo soave promettono affetto, gratitudine e gioia – il gesto perfetto per celebrare un legame prezioso o un'occasione di festa. Abbinato a delicati rametti di gipsofila, questo bouquet di rose rosa LEGO® dona un'aria di leggerezza, calore e bellezza a qualsiasi ambiente.

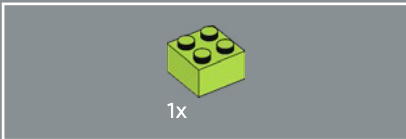

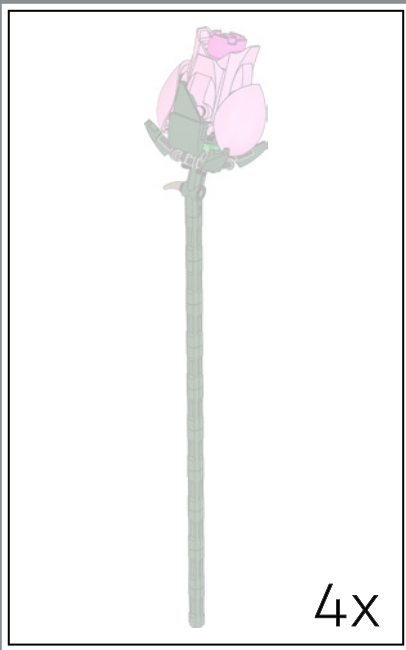

TUTTI I BOCCIOLI DI ROSA INSIEME

 Dai boccioli ai fiori parzialmente schiusi o in piena fioritura, le tue rose LEGO® sono presentate in diversi stadi di sviluppo, con sfumature che ricreano il fascino dei fiori veri. Puoi assaporare l'esperienza di costruzione individualmente o condividere i tre libretti di istruzioni con i tuoi cari per costruire insieme.
