DE QUEL CÔTÉ EST LE MONDE À L'ENDROIT ?

La superproduction Netflix *Stranger Things*, qui a battu tous les records, a pris le monde au dépourvu en 2016. La disparition de Will Byers et les événements glaçants qui s'ensuivent dans la ville fictive et rurale de Hawkins, dans l'Indiana, titillent nos peurs les plus ancrées. Lorsque la mystérieuse Onze apparaît, les amis de Will commencent à percevoir les secrets sinistres qui ont couvé sous la surface lisse de leur communauté très soudée. Une série d'expériences scientifiques douteuses a échappé à tout contrôle, des failles vers une réalité alternative se sont ouvertes et les conséquences sont dévastatrices. Près d'une décennie et cinq saisons couronnées de succès plus tard, le Monde à l'envers nous

donne toujours des frissons ! Des fans de tous âges se sont laissés emporter par cette aventure trépidante, séduits par le mélange de nostalgie des années 80, de charme adolescent et d'horreur surnaturelle qu'offre la série. Dans la saison 5, les enjeux sont plus importants que jamais, et nos héros s'unissent pour mener une dernière bataille épique. Il est temps de vaincre le Flagelleur mental ainsi que Le Monde à l'envers et de sauver leur ville natale, une bonne fois pour toutes.

1959 Maison du Monde
à l'endroit

Dans le Monde à l'envers

Le repaire mental
de Vecna

LA MAISON CREEL

Présente dans les saisons 4 et 5 de la série Netflix et dans la récente adaptation théâtrale *Stranger Things : The First Shadow*, la sinistre maison Creel joue un rôle crucial dans les événements qui façonnent le présent et l'avenir de Hawkins et de nos héros. Dans la saison 5, les fantômes de son passé ont pris des proportions cataclysmiques et des failles vers le Monde à l'envers se sont ouvertes. À l'aube de la bataille finale, les frontières entre les dimensions s'effritent. Entrez, regardez autour de vous, mais quoi que vous fassiez, ne prenez pas vos aises.

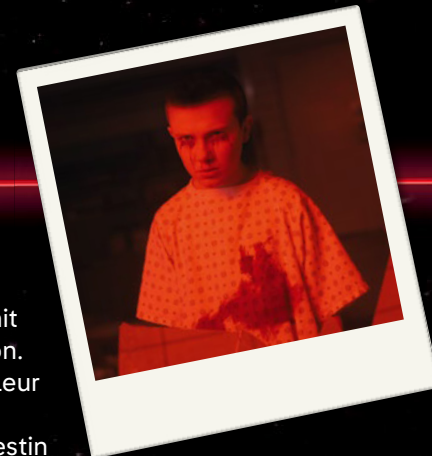

ENTREZ À VOS PROPRES RISQUES

1959 : La famille Creel emménage dans la maison de ses rêves, mais très vite, elle est confrontée à une série d'événements troublants résultant des actions inquiétantes d'Henry.

1979 : Onze réussit à vaincre Henry et le bannit dans une autre dimension. Là, il reconnaît le Flagelleur mental de ses visions et réalise que c'était son destin depuis le début.

1986 : Divisée en plusieurs groupes, la bande se prépare à attaquer Vecna sur tous les fronts lors d'un affrontement final. Alors que Vecna ouvre le quatrième et dernier portail, les choses étranges deviennent encore plus étranges...

1986 : Vecna s'apprête à ouvrir les autres portails. Pendant ce temps, grâce à l'esprit brillant de Dustin et à sa boussole défectueuse, la bande découvre un portail vers le Monde à l'envers dans l'espoir d'y trouver Vecna.

Hive Mind

1983 : Avant de s'échapper, Onze ouvre la brèche vers le Monde à l'envers depuis le laboratoire national de Hawkins. Vecna se prépare à mettre ses plans à exécution. Will Byers disparaît alors qu'il rentre chez lui en passant par Mirkwood.

1986 : Vecna ouvre le premier des quatre portails lors de sa première attaque. La bande découvre l'existence de Vecna après une tragédie impliquant des signes étrangement familiers, notamment des lumières clignotantes.

1986 : Après que la bande a utilisé la musique pour aider Max à s'échapper de Vecna, Max dessine ce qu'elle a vu dans le repaire mental de Vecna. Nancy reconnaît la maison Creel. La bande s'introduit dans la maison, où Max trouve l'horloge comtoise qu'elle avait vue dans ses visions.

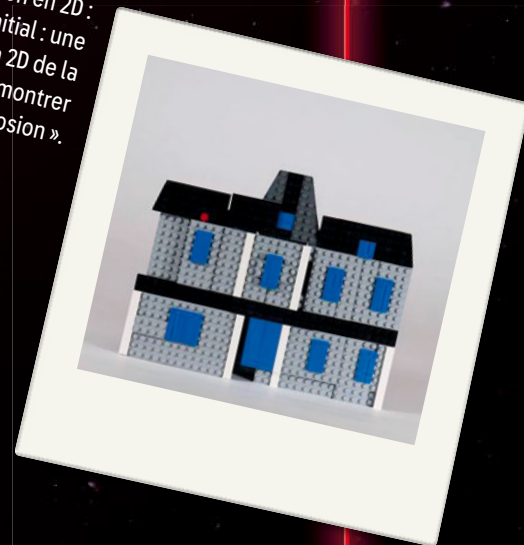

1986 : Dans l'espoir de faire toute la lumière sur cette tragédie, Nancy et Robin découvrent un lien possible avec la maison Creel. Lors de leur visite auprès de Victor Creel, elles apprennent que la musique pourrait sauver ceux qui sont maudits par Vecna.

LE MOT DE L'ÉQUIPE DE DESIGNERS LEGO® ICONS

« Nous voulions célébrer l'esprit de *Stranger Things*, et la maison Creel est l'endroit où Henry découvre ses pouvoirs pour la première fois. Il s'agit du tout premier set LEGO® représentant une maison transformable ; le modèle peut passer de la version délabrée des années 80 à une version « explosée » imaginaire, révélant un aperçu du repaire mental que l'on voit dans les saisons 4 et 5, tout en optimisant l'espace intérieur et les détails. La fonction de transformation n'apparaît pas dans la série, mais elle nous a permis de représenter la maison dans ses différents états et réalités. »

« La maison abrite également une charmante galerie de personnages et de nombreuses références à la série. On peut y trouver des traces de l'obsession d'Henry pour les araignées et son dessin du Flagelleur mental, la brique de Robin qui a brisé la rosace, le lecteur de cassettes de Lucas, la cassette de Max et même un journal dont la une fait allusion à la production théâtrale. »

Maison en 2D :
Modèle conceptuel initial : une
version simplifiée en 2D de la
maison Creel pour démontrer
la fonction « explosion ».

LES AMIS NE MENTENT PAS

La saga *Stranger Things* met en scène un groupe d'adolescents attachants qui tissent des liens indéfectibles à travers leurs épreuves. Portés par leur loyauté, leur camaraderie et leurs compétences uniques, ils forment une équipe formidable. Malgré leur manque de préparation face aux épreuves qu'ils doivent surmonter, ils relèvent tous les défis, prêts à faire le sacrifice ultime pour sauver leur ville natale et le monde. Avec le soutien indéfectible de leur famille et d'alliés inespérés, ils affrontent les horreurs du Monde à l'envers avec autant d'humour que d'esprit et de courage.

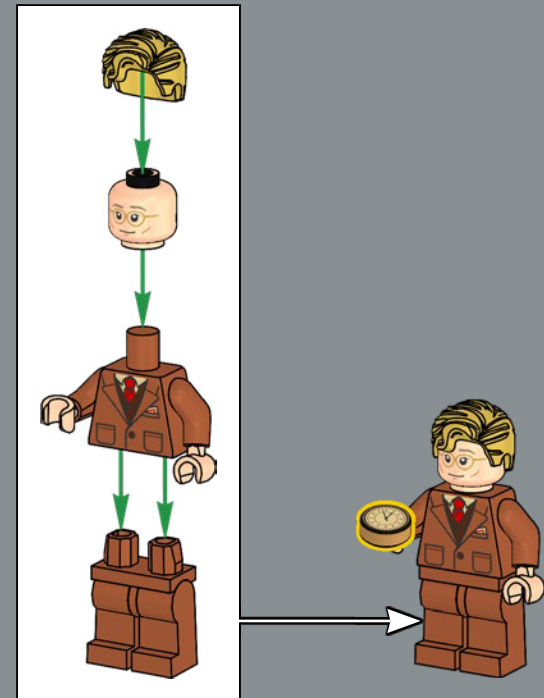

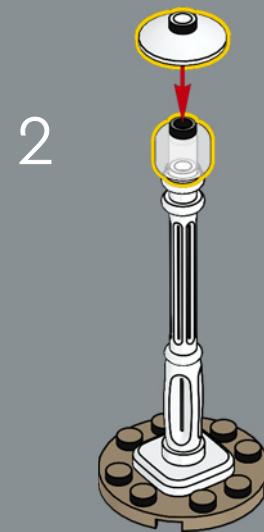

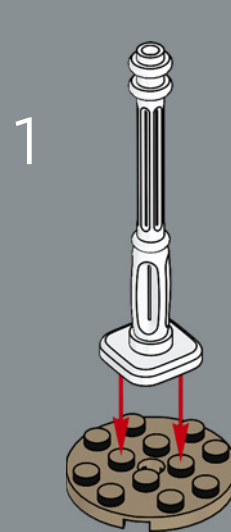

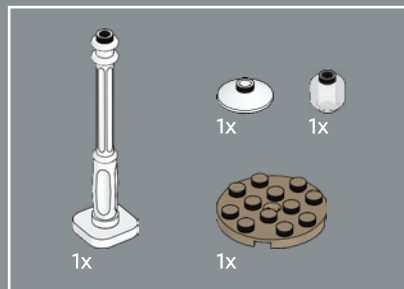

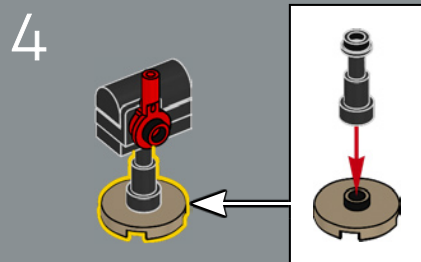

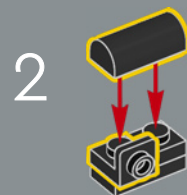

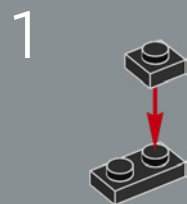

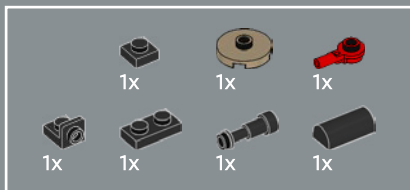

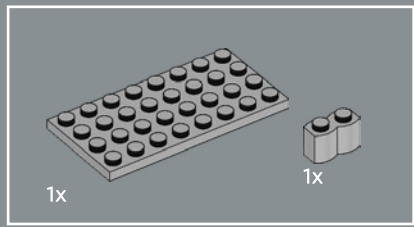

« Cet endroit, ma maison, est désormais ta maison aussi. Ton... sanctuaire. » – Henry Creel
