MINAS TIRITH™: LA CIUDAD DE LOS REYES

El papel de Minas Tirith™ en la decisiva batalla por la Tierra Media eclipsa en ocasiones su gloriosa historia milenaria. Cuando Pippin y Gandalf™ llegan por primera vez, el otrora noble reino ha caído en un grave deterioro bajo la senescalía del fatalista Denethor™. Movido por una sensación de fatalidad inminente y autocompasión, se atiborra de comidas grotescas mientras se desentiende de sus obligaciones. Aun así, ni los Nazgûl™

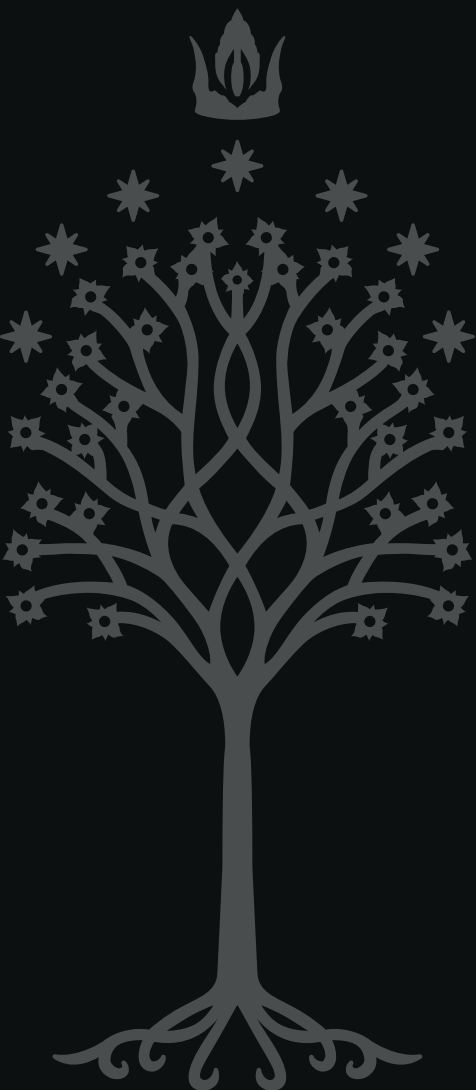

ni el propio Sauron™ pueden empañar su esplendor arquitectónico. Sólidamente integrada en las Montañas Blancas, la ciudad de Minas Tirith se eleva con siete niveles concéntricos de piedra coronados por la Torre de Ecthelion, un hito de unos 90 metros cuyo pináculo se alza alrededor de 300 metros sobre la planicie. Al finalizar la Guerra del Anillo, Minas Tirith se vuelve a alzar como símbolo de esperanza y prosperidad.

“Aquí, el mazazo será
más contundente”.

- Gandalf

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO® ICONS

Siempre que empezamos a trabajar en modelos basados en temas populares, lo hacemos con respeto y admiración. Y al adentrarnos en los vastos dominios de la trilogía cinematográfica de *El Señor de los Anillos*, no podía ser menos. Inspirados por el modelo de gran tamaño creado para *El retorno del Rey*, nos mantuvimos fieles a la narrativa y los detalles estructurales de la versión del celuloide. Creamos un modelo de escala híbrida usando una técnica de construcción con perspectiva forzada.

La muralla exterior está concebida de modo que las minifiguras LEGO® puedan interactuar con ella, mientras que las seis murallas superiores son progresivamente más pequeñas para aportar dramatismo. Puedes colocar los personajes en las escenas emblemáticas tanto en la capa superior como dentro. Independientemente de cómo lo expongas, hay infinidad de detalles por todas partes, y puedes desmontar partes del modelo para lograr aún más versatilidad a la hora de exhibirlo. Estás a punto de entrar en el Reino de Gondor™. El tablero está listo. Las piezas se mueven. ¡Que comience la aventura de construcción!

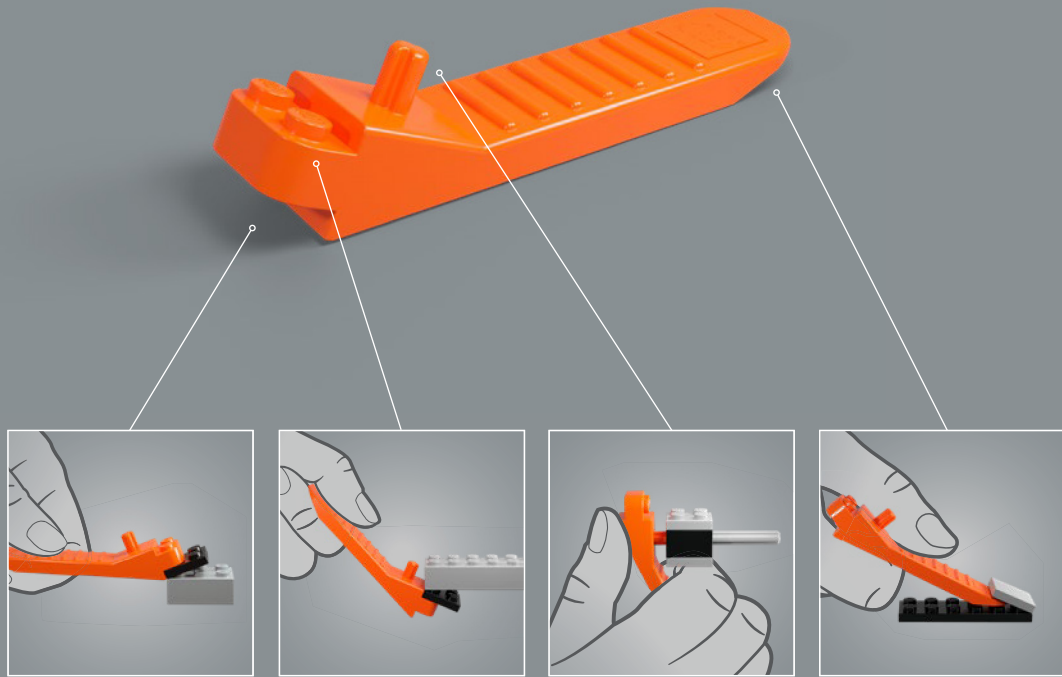

LAS PUERTAS DE MINAS TIRITH™

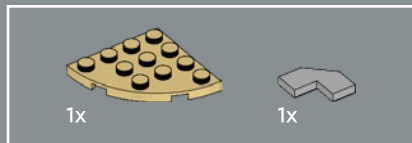

La Gran Puerta, situada en la primera muralla, se encara hacia el este y es la única vía de acceso a la ciudad. Se abre hacia un patio pavimentado, el punto de encuentro entre la Calzada del Norte, el Camino del Sur y la ruta a Osgiliath. Cada uno de los siete niveles está protegido por su propia muralla y puerta. Dispuestas en ángulos contrapuestos,

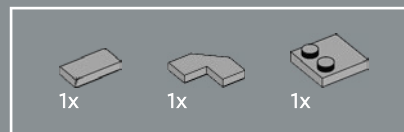

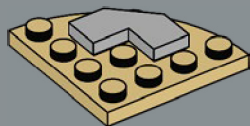

las puertas obligan a un ascenso serpenteante que evita la línea recta: un rasgo del carácter defensivo por el que se distingue la arquitectura de Minas Tirith. En este modelo, la puerta puede desmontarse para que las minifiguras de Gandalf™, Pippin y Sombragrís, de nuevo diseño, hagan una entrada espectacular y alerten a Denethor™ de la amenaza de Sauron.
