MINAS TIRITH™ – LA CITÉ DES ROIS

Le rôle de Minas Tirith™ dans la bataille décisive pour la Terre du Milieu éclipse parfois sa glorieuse histoire millénaire. Lorsque Pippin et Gandalf™ arrivent pour la première fois, le royaume autrefois si noble est tombé dans un état de délabrement dramatique sous l'intendance du fataliste Denethor™. Poussé par un sentiment de malheur imminent et d'apitoiement sur lui-même, il se gave de repas grotesques plutôt que de remplir ses devoirs. Malgré cela, ni les Nazgûl™

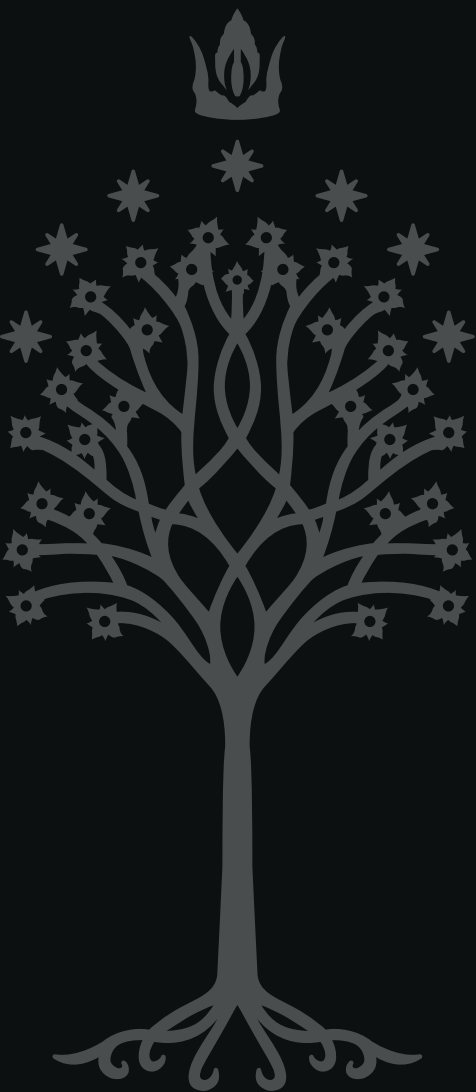

ni Sauron™ lui-même ne peuvent ternir sa splendeur architecturale. Solidement bâtie dans les Montagnes Blanches, Minas Tirith s'élève, composée de sept niveaux concentriques de pierre, couronnés par la Tour d'Ecthelion, un phare de 300 pieds dont le sommet atteint 1 000 pieds au-dessus de la plaine. Après la fin de la Guerre de l'Anneau, Minas Tirith se dresse à nouveau comme un symbole d'espoir et de prospérité.

« C'est ici que le coup de
marteau s'abattra le plus fort. »

- Gandalf

LE MOT DE L'ÉQUIPE DE DESIGNERS LEGO® ICONS

C'est toujours avec un sentiment d'admiration que nous commençons à travailler sur des modèles basés sur des thèmes populaires – et cela inclut les vastes royaumes de la trilogie cinématographique *Le Seigneur des Anneaux*. Inspiré par la maquette « bigature » créée pour *Le Retour du Roi*, nous sommes restés proches de la narration de la version du film et de ses détails structurels. Nous avons créé un modèle à échelle hybride en utilisant une technique de construction en perspective forcée.

Le mur extérieur est conçu pour que les minifigurines LEGO® puissent interagir avec, tandis que les 6 murs supérieurs sont construits progressivement plus petits pour produire un effet spectaculaire. Vous pouvez placer les personnages dans ce décor emblématique, aussi bien au niveau supérieur qu'à l'intérieur. Quelle que soit la façon dont vous décidez d'exposer le modèle, il y a une multitude de détails partout, et vous pouvez retirer des sections pour encore plus d'options de présentation. Vous êtes sur le point d'entrer dans le royaume du Gondor™. Le plateau est prêt. Les pièces sont en mouvement. Que l'aventure de construction commence !

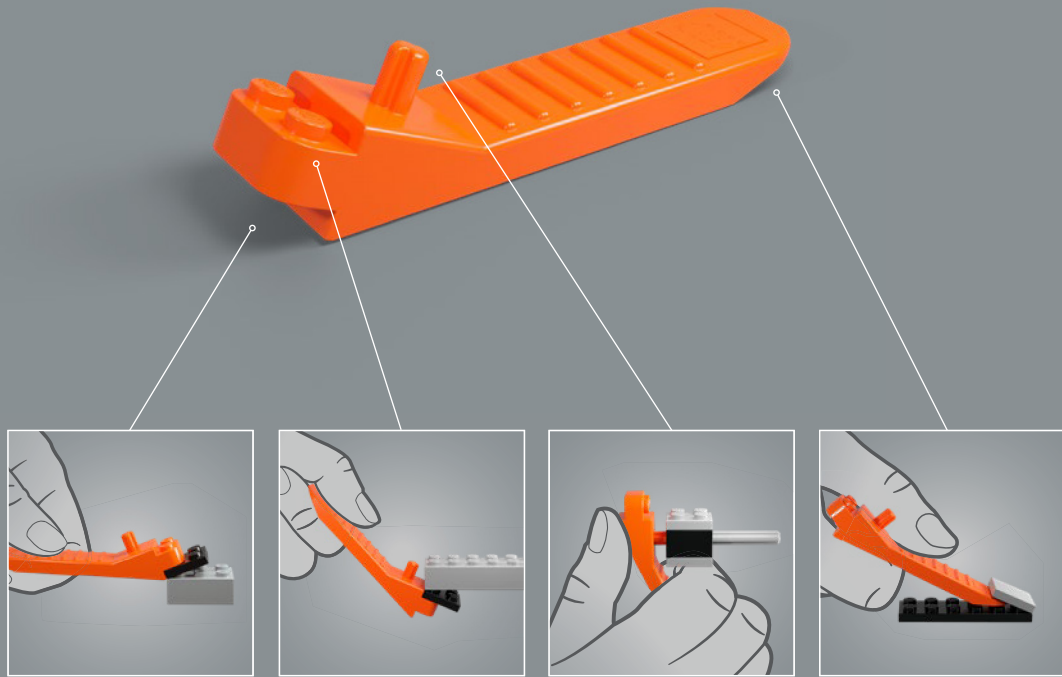

LES PORTES DE MINAS TIRITH™

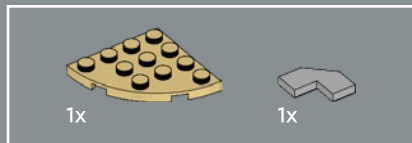

La Grande Porte du premier mur fait face à l'est et sert de seule entrée à la ville. Elle s'ouvre sur une cour pavée, point de rencontre de la Route du Nord, de la Route du Sud et du chemin vers Osgiliath. Chacun des sept niveaux est protégé par son propre mur et sa propre porte. Ces portes sont placées selon des angles différents les unes par rapport aux autres, créant un chemin en zigzag

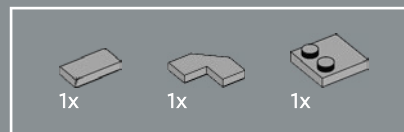

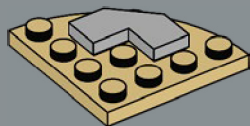

qui mène vers le haut à travers la cité plutôt qu'une montée droite – une caractéristique emblématique de l'architecture défensive de Minas Tirith. Dans ce modèle, la porte peut être détachée afin que les minifigurines nouvellement conçues de Gandalf™, Pippin et Gripoil puissent faire une entrée spectaculaire par la porte et avertir Denethor™ de la menace de Sauron.
