LEGO® Builder

Des classiques dans chaque recoin

Pour un amoureux des livres, une bonne librairie, c'est un peu comme une confiserie pour un enfant. Dès que l'on entre, on est immédiatement envahi par cette odeur familière de papier et d'encre qui se dégage des livres tout juste imprimés. On éprouve un sentiment d'émerveillement en cherchant à dénicher des trésors parmi les grands classiques intemporels et les nouvelles aventures. Quel bonheur de trouver un petit coin douillet, où l'on peut se blottir dans un fauteuil confortable avec une boisson chaude. Puis de tourner les premières pages de votre prochain coup de cœur littéraire. Comme des petits portillons, les livres nous ouvrent chacun les portes de leur propre univers. Que vous ayez quelques livres ou plusieurs milliers, il y a toujours de la place pour un de plus. Et un diorama Book nook apporte toujours une touche de magie et d'histoire en plus à votre collection.

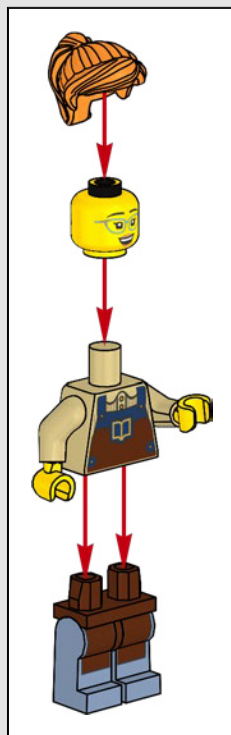

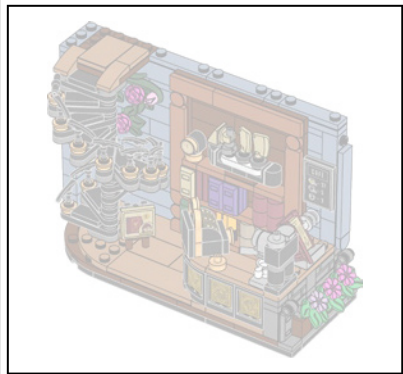

Le mot de l'équipe de designers LEGO® Icons

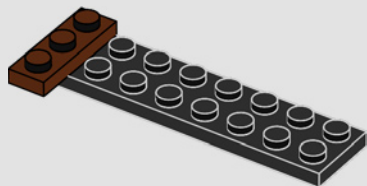

Notre équipe de designers dédie ce modèle à tous les amateurs de livres. La librairie Brickville Books, qui s'étend sur deux étages, s'intègre à merveille dans le troisième volet de notre série LEGO® Icons Book Nooks. La propriétaire est immédiatement tombée sous le charme de cette ancienne librairie : son escalier en colimaçon, son histoire fascinante et les surprises cachées qui nourrissent son imagination et attirent les visiteurs. Elle adore l'ambiance créée par le cliquetis de sa machine à écrire vintage et de sa caisse enregistreuse, accompagné par le doux sifflement et les arômes intenses de sa toute nouvelle machine à café. Quand elle n'est pas en train d'aider les clients ou de réapprovisionner les rayons, elle adore s'entourer de ses auteurs préférés. Inspirée par eux, elle a même écrit son propre best-seller, dont le lancement est prévu lors d'un événement majeur.

Quelques éléments LEGO® de piolets,
déclinés dans une nouvelle couleur,
composent une rambarde d'escalier d'une
grande élégance.

Quel set LEGO® est votre « baleine blanche » ?

Un élément de couperet recoloré est utilisé ici pour représenter les voiles d'un navire. Cela ressemble bien au bateau idéal pour partir à la recherche d'une baleine blanche !

Les éléments LEGO® en forme de sextant
de couleur or font de superbes lampes.

318

On dit que si l'on possède entre 500 et 1 000 livres chez soi, on peut parler de « bibliothèque ». Avec ce set, vous pouvez ajouter 112 livres LEGO® à votre collection... voire 113 si l'on compte le modèle lui-même !
