UNA MISIÓN DE UN LUSTRO CUMPLE 60 AÑOS

■ Una misión de exploración de mundos desconocidos prevista para cinco años se ha expandido hasta convertirse en un universo por sí misma. Para los fans que se saben de memoria todas las fechas estelares y cuadernos de bitácora, la serie original *Star Trek* (1966-1969) es el punto de partida de todo. La producción creó una visión del mundo llena de esperanza en un futuro mejor, donde la humanidad elige guiarse por la curiosidad, la tolerancia, la integridad y la compasión. En el emblemático puente de la *U.S.S. Enterprise NCC-1701™* se ponen a prueba estrategias tanto en misiones arriesgadas como en el hostil Universo Espejo. Hubo incluso una ocasión en la que el capitán, para salvar la situación, engañó al enemigo fingiendo que tenía Corbomita destructiva. La paciencia llega a un límite ante los caóticos enfrentamientos con especies adversarias, y la autoridad y la lealtad se ven cuestionadas cuando la tripulación debe lidiar con un arma capaz de destruir planetas. Seis décadas después, los personajes, los temas y la audaz imaginación de la serie siguen inspirándonos.

STAR TREK™ 60

OFICIALES DE LA FLOTA ESTELAR PRESENTES EN EL PUENTE

■ El puente es el corazón de la *U.S.S. Enterprise NCC-1701™* en su misión de exploración. Sin olvidarnos de sus tripulantes, por supuesto. Con marcada personalidad y gran talento creativo en sus respectivos campos, son un ejemplo de las mejores cualidades de la Flota Estelar. Cada uno es indispensable, y el equipo sale adelante gracias a una mezcla de confianza, lealtad y respeto mutuos. Con una saludable dosis de determinación, lógica y humor, cuestionan constantemente las percepciones y desafían todo tipo de adversidades.

"El espacio, la última frontera".

Capitán James T. Kirk

"Fascinante".

Spock, oficial científico

"Soy médico, no conductor de una lanzadera lunar".

Dr. Leonard McCoy

"Creo que me voy a marear en el espacio".

Alférez Pavel Chekov,
navegante

"Todas las frecuencias abiertas".

Teniente Nyota Uhura,
oficial de comunicaciones

*"Que el gran pájaro de la galaxia
bendiga su planeta".*

Teniente Hikaru Sulu, timonel

*"No puedo cambiar las leyes
de la física".*

Teniente Comandante
Montgomery Scott

*"Tu autocompasión es un primer plato pésimo.
¿Por qué no pruebas la sopa en su lugar?".*

Enfermera Christine Chapel

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO® ICONS

■ Es difícil exagerar el legado de *Star Trek* como fenómeno televisivo y cultural, por lo que celebrar su 60.º aniversario es algo que nos llena de emoción. Por primera vez, podrás construir y explorar el puente original de la *U.S.S. Enterprise NCC-1701™* y a sus tripulantes en formato LEGO®. A lo largo del proceso de diseño, volvimos a ver la serie y trabajamos en estrecha colaboración con nuestros socios de Paramount Studios para agregar impresionantes detalles. Además del puente principal, hemos incluido una pantalla de visualización que puedes colocar donde prefieras, así como una puerta que también funciona como turboascensor. Recrear la sala del transportador, que se puede configurar de tres maneras distintas, resultó un poco complicado. La diseñamos para que pudiera teletransportar a dos personajes a la vez de modo que se unieran a sus partidas de desembarco. El elemento que representa el pelo/las orejas de Spock es un nuevo diseño dividido en dos partes; el fásers es completamente nuevo y los intensos colores de los años 60 aportan autenticidad a la clásica imagen de *Star Trek*.

“Prepara tus fásers para la construcción y disfruta de tu viaje LEGO® Star Trek™”.
El equipo de diseño de LEGO Icons

●○

Scott está solo en la sala del transportador con un contenedor de cristales de Dilitio de la nave. (Aclaración: Esta versión no se deteriorará ni lanzará tu puente a velocidad de curvatura).

¡Richelieu, ten cuidado! Un florete en manos de Sulu aporta un toque de la acción de capa y espada del siglo XVIII a la emoción del siglo XXIII.

Los paneles principales se inclinan hacia el centro y se construyen lateralmente, de manera que las ventanas puedan funcionar como pantallas de visualización.
