UNA MISSIONE DI CINQUE ANNI NE COMPIE 60

■ Quella che era nata come una missione di cinque anni alla scoperta di nuovi, strani mondi si è trasformata in un universo a sé stante. Per i fan che conoscono a memoria ogni data stellare e ogni diario del capitano, la serie originale di *Star Trek* (1966-1969) è dove tutto ha avuto inizio. La serie ha dato vita a una visione del mondo fondata sulla speranza in un futuro migliore, in cui l'umanità sceglie di lasciarsi guidare da curiosità, tolleranza, integrità e compassione. Sul leggendario ponte di comando della *U.S.S. Enterprise NCC-1701™*, le strategie vengono messe alla prova in missioni rischiose, persino in un ostile universo - l'universo dello specchio - o quando il capitano ricorre al bluff della "carbonite distruttiva" per ingannare il nemico. La pazienza è messa a dura prova durante una caotica epidemia e nei momenti di tensione con specie nemiche, mentre l'autorità e la lealtà vengono messe in discussione quando l'equipaggio si trova ad affrontare un'arma capace di distruggere interi pianeti. A distanza di sessant'anni, i personaggi, i temi e la fervida immaginazione della serie continuano a ispirarci.

STAR TREK™ 60

UFFICIALI DELLA FLOTTA STELLARE SUL PONTE

■ Il ponte di comando è il cuore pulsante della *U.S.S. Enterprise NCC-1701™* impegnata nella sua missione esplorativa – insieme, naturalmente, al suo equipaggio. Dotati di una forte personalità e di grande ingegno nei rispettivi ambiti, essi incarnano le migliori qualità della Flotta Stellare. Ognuno di loro è indispensabile e il loro legame si fonda sulla fiducia reciproca, sulla lealtà e sul rispetto. Grazie a un sapiente equilibrio tra determinazione, logica e ironia, mettono costantemente in discussione le percezioni comuni e sfidano ogni pronostico.

"Spazio: ultima frontiera".

Capitano James T. Kirk

"Affascinante".

Ufficiale scientifico Spock

"Cosa sono, un medico o un pilota di shuttle lunare?"

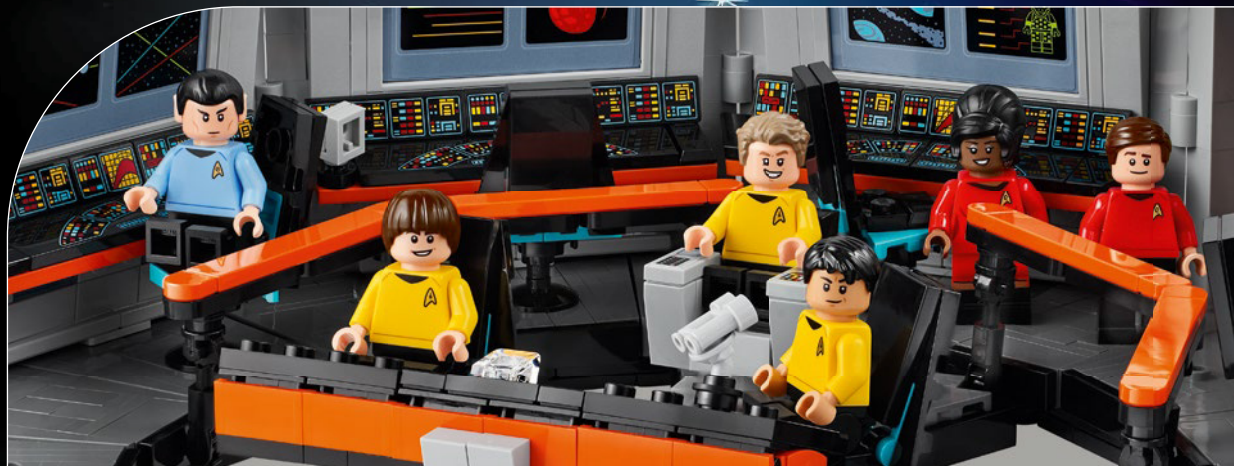

Dr. Leonard McCoy

"Penso che mi verrà il mal di spazio".

Navigatore Guardiamarina
Pavel Chekov

"Frequenze di chiamata aperte".

Ufficiale alle comunicazioni
Tenente Nyota Uhura

"Possa il Grande Uccello della Galassia benedire il tuo pianeta".

Timoniere Tenente Hikaru Sulu

"Non posso cambiare le leggi della fisica".

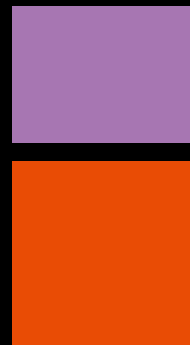

Tenente Comandante
Montgomery Scott

"Lei non deve autoaccusarsi in quel modo. Perché invece non mangia la sua zuppa?"

Infermiera Christine Chapel

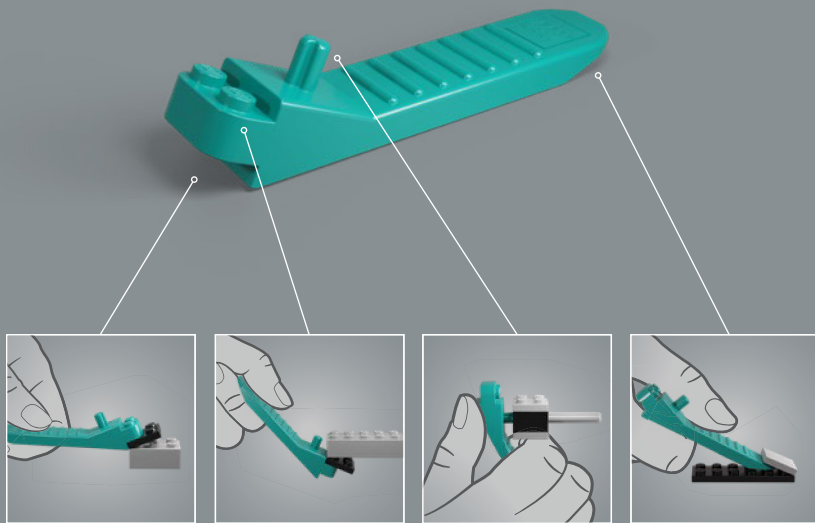

IL COMMENTO DEL LEGO® ICONS DESIGN TEAM

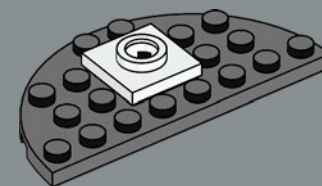

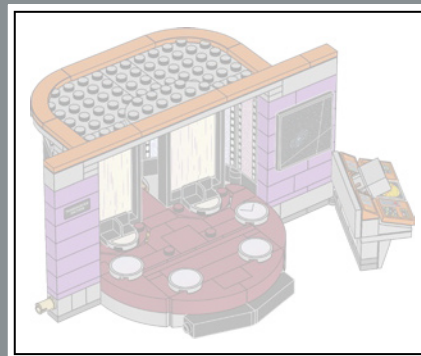

■ È difficile sopravvalutare l'eredità di *Star Trek* come fenomeno televisivo e culturale, e siamo entusiasti di celebrarne il 60° anniversario. Per la prima volta in assoluto, potrai costruire ed esplorare il ponte di comando dell'originale *U.S.S. Enterprise NCC-1701™* e il suo equipaggio in versione LEGO®. Durante l'intero processo di progettazione, abbiamo riguardato la serie e lavorato a stretto contatto con i nostri partner dei Paramount Studios per aggiungere dettagli davvero fantastici. Oltre al ponte principale, abbiamo incluso un visore da posizionare in base alle preferenze e una porta che funge anche da turbo-ascensore. La sala del teletrasporto, che può essere allestita in tre modi diversi, è stata un po' difficile da ricreare. L'abbiamo progettata in modo che due personaggi alla volta possano teletrasportarsi per unirsi alle proprie squadre di sbarco. L'elemento capigliatura e orecchie di Spock presenta un nuovo design in due parti, il pezzo del phaser è completamente inedito e i colori accesi anni '60 completano l'atmosfera autentica e iconica tipica di *Star Trek*.

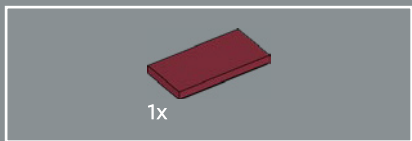

"Imposta i phaser per la costruzione e goditi il tuo viaggio con LEGO® Star Trek™".

- Il LEGO Icons Design Team

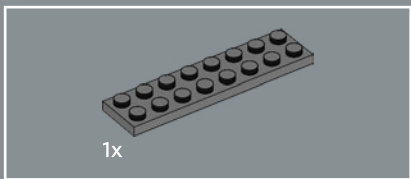

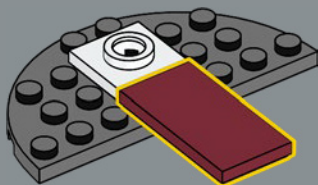

Scotty è da solo nella sala teletrasporto con un contenitore di cristalli di dilutio dell'astronave. (Attenzione: questa versione non si deteriorerà, né farà schizzare il vostro ponte di comando a velocità di curvatura.)
