BAUMEISTER,
SEID
IHR BEREIT?

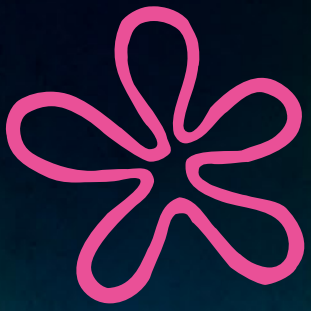

Seit 1999 lädt *SpongeBob Schwammkopf* Kinder und alle, die im Herzen jung geblieben sind, zu lustigen Abenteuern in seiner Unterwasserwelt ein. Nach 16 Staffeln und mehr als 300 Folgen (und es werden immer mehr) ist die Serie nach wie vor durch ihre Mischung aus albernem, schrulligem Humor und einer Reihe von skurrilen Figuren, deren Persönlichkeiten mühelos miteinander harmonieren, zeitlos. Dazu kommen die fantasievolle Kulisse von Bikini Bottom, die verschiedenen farbenfrohen Schauplätze und ihre ganz eigene, auf charmante Weise perfekte Logik – all das sorgt dafür, dass die Fans immer wieder einschalten.

Wir haben bereits 2006 eine LEGO® Version des Ananas-Hauses von SpongeBob Schwammkopf auf den Markt gebracht (Abenteuer in Bikini-Bottom, 3827), und wir finden, die Figuren haben es verdient, das 20-jährige Jubiläum gebührend zu feiern. Also, schlüpf in deinen Anzug, tauche ab und erlebe noch einmal die unvergesslichsten Szenen und Streiche mit unseren besten Freunden aus Bikini Bottom.

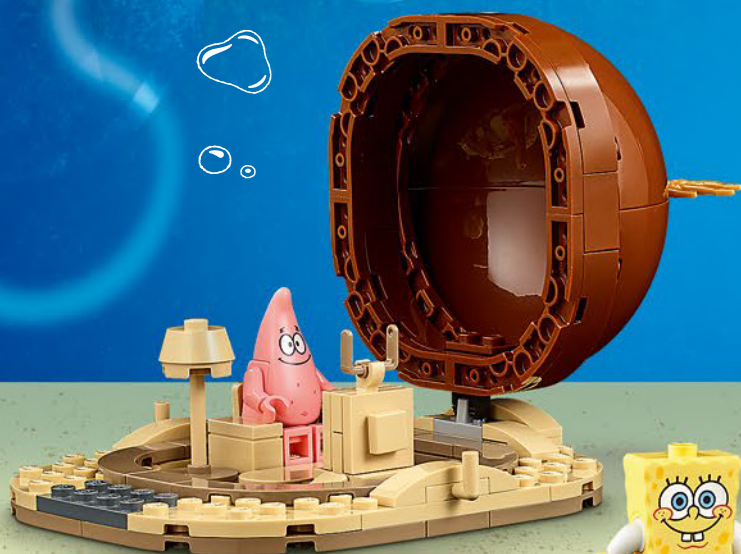

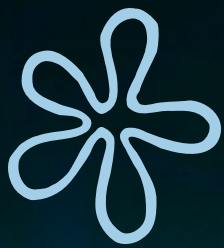

RÜCKKEHR NACH BIKINI BOTTOM

Es gibt drei Häuser in Bikini Bottom, die besonders wichtig für die Serie sind: die Häuser von SpongeBob Schwammkopf, Patrick Star™ und Thaddäus Tentakel. In jedem dieser Häuser fühlt sich der Besitzer ganz sicher wie zu Hause, selbst unter uns Landratten. Sie enthalten alle wichtigen Details und Dekoelemente, die die Persönlichkeiten, Abenteuer und Erlebnisse widerspiegeln. Die Kulissen verändern sich im Laufe der Serie und sind der Handlung der jeweiligen Folge angepasst. Patricks Stein zum Beispiel kann von einer leeren Sandfläche zu einem perfekt eingerichteten Haus werden. Wir haben uns dafür entschieden, dem Stein einen Hohlraum zu geben, damit dort Platz für seine urkomischen Sandmöbel ist. Schau mal, ob du beim Bauen einige Details aus deinen Lieblingsfolgen entdecken kannst!

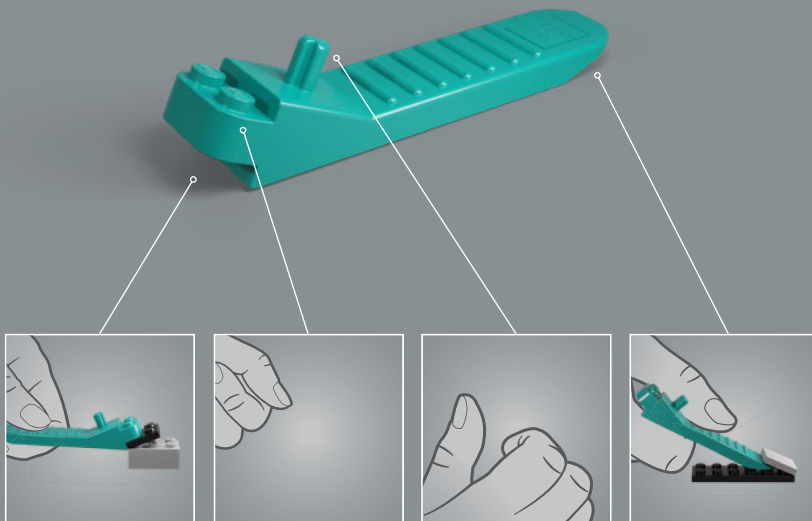

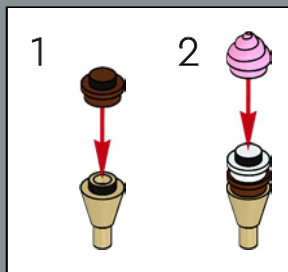

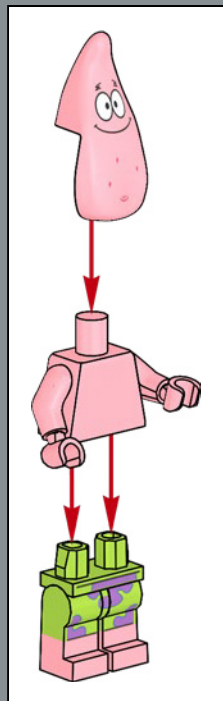

VOM LEGO® ICONS DESIGN TEAM

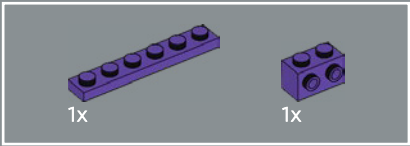

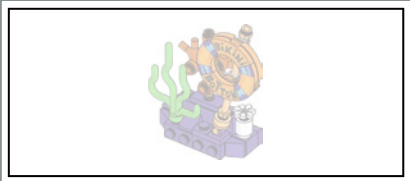

Um ehrlich zu sein: Als wir mit der Entwicklung dieses Sets begannen, hatten wir im gesamten Designteam das Gefühl, seit unserem letzten LEGO® SpongeBob Schwammkopf Set keinen Tag älter geworden zu sein. Wir haben sogar eine Gewohnheit daraus gemacht, uns freitagmorgens die Folgen anzuschauen! Eine der spannendsten gestalterischen Herausforderungen war es, herauszufinden, wie sich die runde Form der Ananas und ihr kreuz und quer verlaufendes Linienmuster darstellen lassen. Wir unterteilten die Oberfläche in rautenförmige Abschnitte, um so das Muster durch die Zwischenräume zwischen den Elementen darzustellen und gleichzeitig die runde Außenform zu erschaffen. Es wurden neue Elemente und Farbschemata entwickelt, um den beliebten Figuren als Minifiguren einen neuen Look zu geben: SpongeBob Schwammkopf (immer noch der beste Frittierkoch auf dem Grund des Pazifischen Ozeans), sein bester Freund Patrick Star und sein mürrischer Nachbar und Kollege in der ‚Krossen Krabbe‘, Thaddäus Tentakel. Und natürlich dürfen wir Gary nicht vergessen – SpongeBobs treue und liebevolle Haustierschnecke ist immer an seiner Seite.
