¿ESTÁIS LISTOS,
CONSTRUCTORES?

Desde 1999, Bob Esponja ha invitado a niños y almas juguetonas a vivir espectaculares aventuras en su mundo submarino. Tras 16 temporadas y más de 300 episodios (y sumando), el intemporal atractivo de la serie sigue estando marcado por una mezcla de humor tan disparatado como divertido y un elenco de extravagantes personajes cuyas personalidades chocan entre sí con naturalidad. Un imaginativo y envolvente escenario llamado Fondo de Bikini, salpicado de vibrantes lugares y su propia lógica encantadoramente impecable, completa la lista de razones por las que los fans se mantienen fieles a la serie.

En 2006, lanzamos por primera vez una versión LEGO® de la casa con forma de piña de Bob Esponja Pantalones Cuadrados (Fondo de Bikini [3827]) y estamos convencidos de que los personajes se merecen celebrar este 20.º aniversario con mucho estilo. Así que ponte el bañador, coge tu tubo de buceo y vuelve a visitar algunas de las escenas y travesuras más emblemáticas con nuestros mejores amigos de Fondo de Bikini.

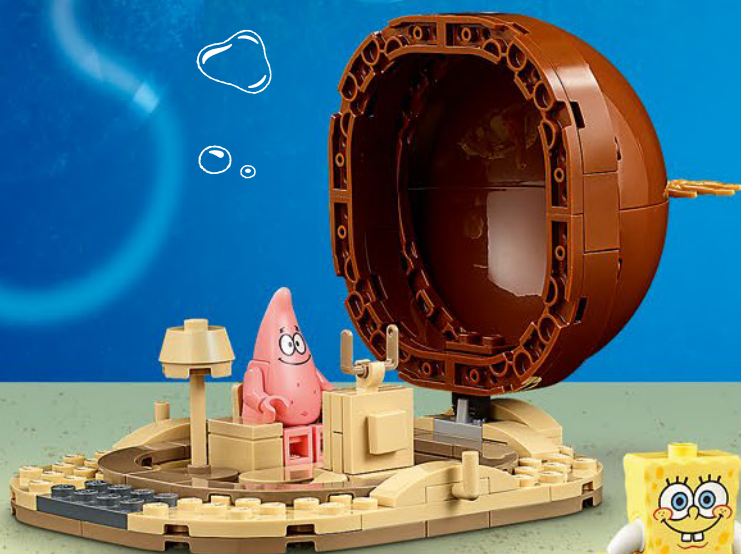

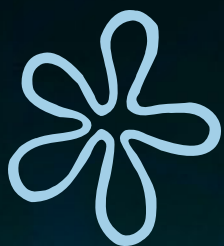

VUELTA A FONDO DE BIKINI

Tres casas de Fondo de Bikini son tan representativas de la serie que hemos querido hacerles justicia: las viviendas de Bob Esponja Pantalones Cuadrados, Patricio Estrella y Calamardo Tentáculos. Cada residencia hará que su dueño se sienta como en su propio hogar, incluso entre nosotros, los marineros de agua dulce. Hemos incorporado los detalles y adornos más esenciales que reflejan sus personalidades, aventuras e interacciones. Los diseños varían a lo largo de la serie, adaptándose a la trama de cada episodio. La Roca de Patricio, por ejemplo, puede pasar de ser una zona arenosa vacía a tener un interior totalmente equipado. Decidimos dejar un espacio dentro para algunos de sus divertidos muebles de arena. ¡A ver si eres capaz de reconocer detalles de tus episodios favoritos mientras construyes!

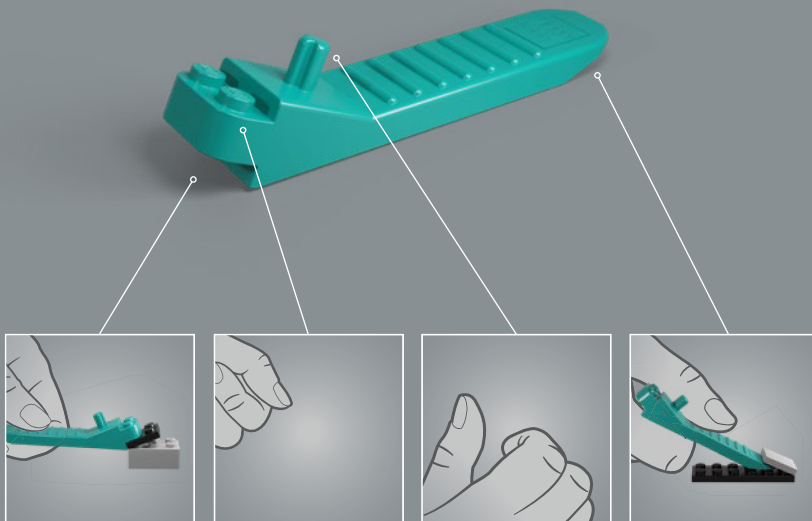

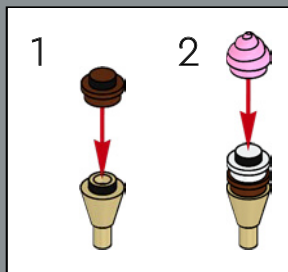

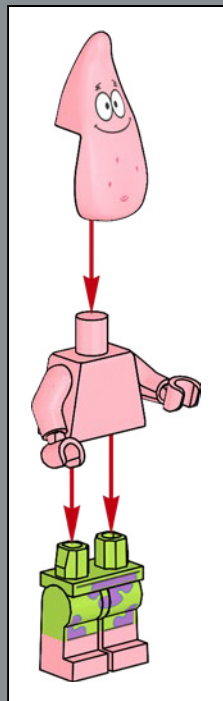

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO® ICONS

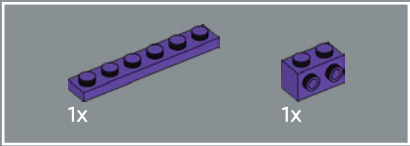

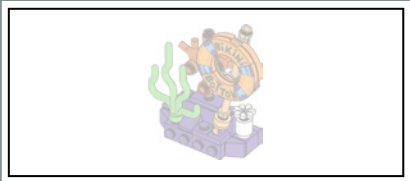

A decir verdad, cuando empezamos a idear este set, todos los que integramos el equipo de diseño sentíamos que no habíamos envejecido ni un día desde el último set LEGO® Bob Esponja Pantalones Cuadrados. ¡Incluso comenzamos a ver episodios los viernes por la mañana! Uno de los desafíos de diseño más interesantes fue ingeniárnoslas para reproducir la forma redondeada de la piña, así como su patrón de líneas entrecruzadas. Dividiendo la superficie en subsecciones con forma de rombo, conseguimos recrear el diseño mediante los huecos entre los paneles individuales y, al mismo tiempo, replicar la curva del exterior. Se desarrollaron nuevos elementos y combinaciones de colores para dar un aspecto renovado a las versiones en minifigura de los queridos personajes: Bob Esponja Pantalones Cuadrados (que sigue siendo el mejor cocinero del fondo del océano Pacífico), su mejor amigo Patricio Estrella y su gruñón vecino Calamardo Tentáculos, también compañero de trabajo en el Crustáceo Crujiente. Y no nos olvidemos de Gary: el leal y cariñoso caracol mascota de Bob Esponja que siempre está a su lado.
