PRÊTS, LES CONSTRUCTEURS?

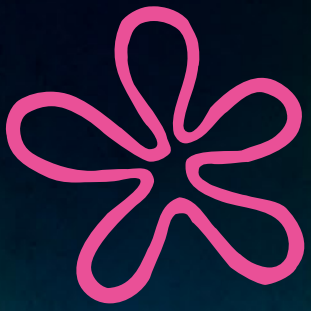

Depuis 1999, Bob l'éponge invite les enfants et tous ceux qui ont gardé leur âme d'enfant à vivre d'incroyables aventures dans son univers sous-marin. 16 saisons et plus de 300 épisodes plus tard – et ce n'est pas fini – la série continue de séduire grâce à son humour absurde, déjanté et intemporel, ainsi qu'à sa galerie de personnages excentriques dont les personnalités interagissent à merveille. Ajoutez à cela le cadre imaginaire et immersif de Bikini Bottom, ses lieux hauts en couleur et sa logique délicieusement absurde, et il n'est pas difficile de comprendre pourquoi les fans continuent d'être au rendez-vous.

Nous avons lancé une première version LEGO® de la maison ananas de Bob l'Éponge en 2006 (Adventures in Bikini Bottom 3827), et nous avons pensé que ses habitants méritaient de célébrer ce 20^e anniversaire comme il se doit. Alors enfiler votre combinaison, préparez votre tuba et redécouvrez quelques-unes des scènes et des pitreries les plus emblématiques avec nos meilleurs amis de Bikini Bottom.

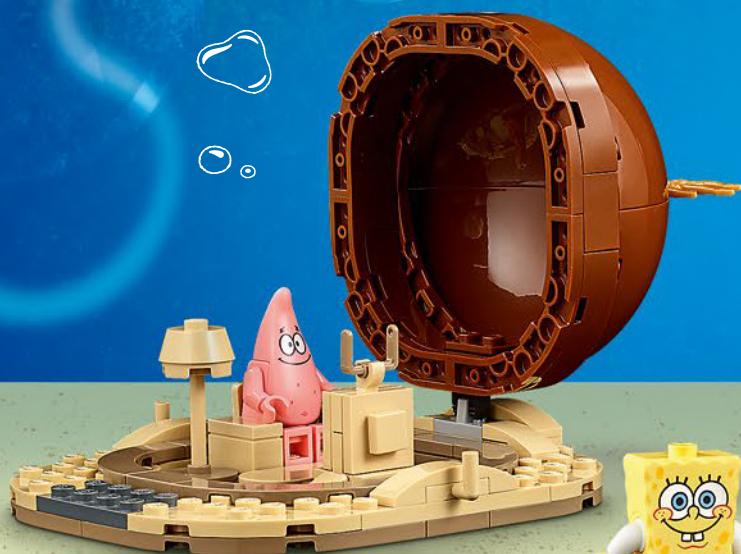

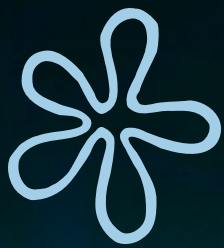

RETOUR À BIKINI BOTTOM

Trois maisons de Bikini Bottom symbolisent à elles seules l'univers de la série, et nous voulions leur rendre justice : celles de Bob l'Éponge, Patrick l'étoile de mer et Carlo Tentacule. Chaque maison permettra à son propriétaire de se sentir chez lui, même parmi nous, les marins d'eau douce. Nous avons inclus les détails et décorations les plus emblématiques qui reflètent leurs personnalités, leurs aventures et leurs interactions. Les aménagements intérieurs évoluent régulièrement dans la série pour s'adapter à l'intrigue de chaque épisode. L'intérieur du rocher de Patrick, par exemple, peut passer d'un simple carré de sable vide à un intérieur entièrement meublé. Nous avons choisi de creuser le rocher pour y intégrer quelques-uns de ses célèbres meubles hilarants en sable. Gardez l'œil ouvert pendant la construction : vous repérerez peut-être des références à vos épisodes préférés.

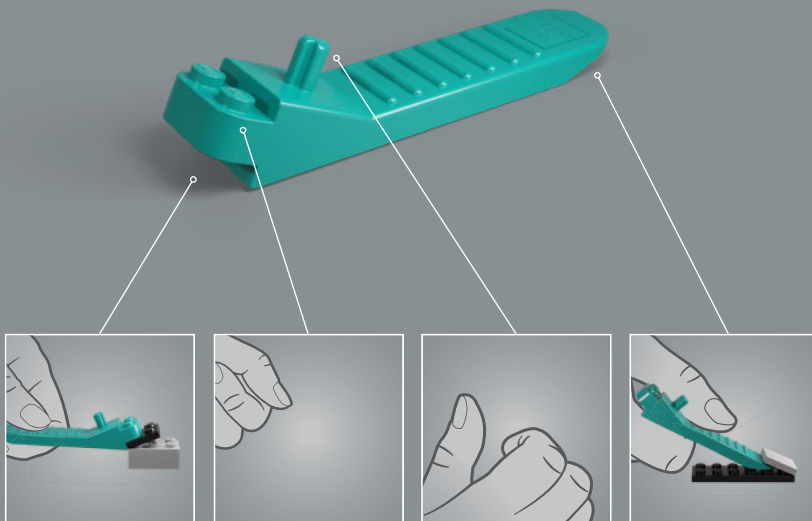

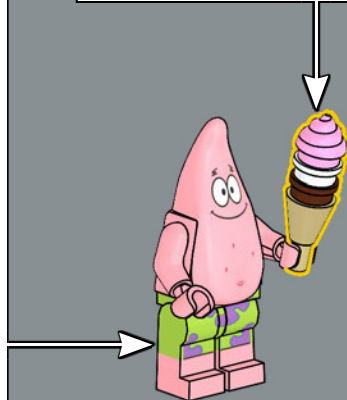

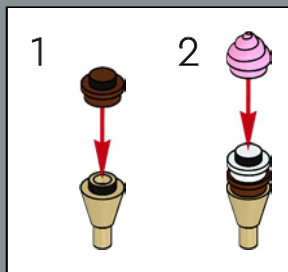

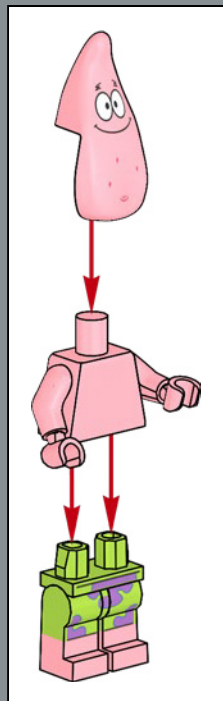

LE MOT DE L'ÉQUIPE DE DESIGNERS LEGO® ICONS

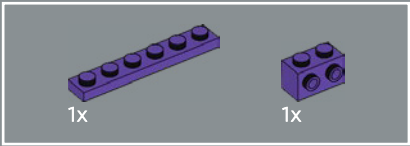

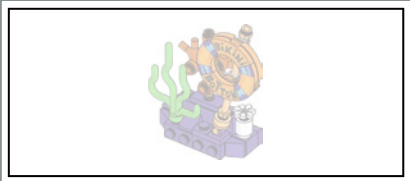

À vrai dire, lorsque nous avons commencé à concevoir ce set, toute notre équipe de conception a eu l'impression de ne pas avoir pris une ride depuis notre dernier set LEGO® Bob l'éponge. Nous avons même pris l'habitude de regarder des épisodes le vendredi matin ! L'un des défis de conception les plus intéressants a été de trouver comment reproduire la forme arrondie de l'ananas, ainsi que son motif quadrillé caractéristique. En divisant la surface en sections en forme de losange, nous avons réussi à recréer ce motif grâce aux espaces entre les panneaux, tout en formant l'extérieur incurvé. De nouveaux éléments et de nouvelles palettes de couleurs ont été développés pour donner à ces personnages adorés une nouvelle apparence dans leur version minifigurine : Bob l'éponge (toujours le meilleur cuisinier des fonds de l'océan Pacifique), son meilleur ami Patrick l'étoile de mer et son voisin grincheux et collègue du Crabe Croustillant, Carlo Tentacule. Et bien sûr, impossible d'oublier Gary, l'escargot fidèle et affectueux de Bob l'éponge, toujours à ses côtés.
