Une aventure passionnante

Dans les hauteurs de montagnes reculées, le jeune Son Goku mène une vie paisible, guidé par les enseignements de son défunt grand-père adoptif. Parmi ses biens les plus précieux figure une mystérieuse boule de cristal orange marquée de quatre étoiles rouges. Lorsque Goku apprend que cette boule de cristal est l'une des sept Dragon Balls capables d'exaucer les vœux, il se lance dans un voyage extraordinaire, animé par la curiosité, l'amitié, la discipline, un appétit insatiable et une réelle passion pour les défis.

Depuis plus de 40 ans, les exploits audacieux de Goku nous montrent que ce n'est pas toujours à la fin de notre périple que nous obtenons les réponses à nos plus grands souhaits. Parfois, elles se trouvent dans le frisson de l'aventure elle-même.

La puissance des Dragon Balls

Ces reliques mystérieuses sont le point de départ d'aventures épiques ! Elles entraînent guerriers, vagabonds et rêveurs dans un univers plein de fantaisie, de légendes, d'humour et d'esprit martial. Dispersées à travers le monde, les sept Dragon Balls sont des sphères orange vif ornées chacune d'un nombre d'étoiles rouges différent. La légende raconte que quiconque parviendra à toutes les réunir pourra invoquer Shenron, le dragon éternel, qui peut exaucer un seul vœu. Une fois ce vœu exaucé, les Dragon Balls se transforment en pierre et se dispersent à nouveau. À l'abri des regards, elles restent en sommeil pendant une année entière avant que leur magie ne revienne et qu'un nouveau courageux aventurier puisse se lancer dans une quête pour les retrouver.

« Je m'appelle Goku. Son Goku ! »

Enfant, Goku est recueilli par Son Gohan, un maître d'arts martiaux, qui l'élève comme son propre fils dans les montagnes. Doté d'une énergie, d'un optimisme et d'une curiosité sans limites, Goku se lance à la découverte de tout ce que la vie, la nature sauvage et les arts martiaux ont à offrir. Lorsqu'il apprend la signification de sa boule de cristal à quatre étoiles, il se retrouve propulsé dans l'aventure de sa vie, pleine de nouveaux amis, de puissants adversaires et de grands mystères.

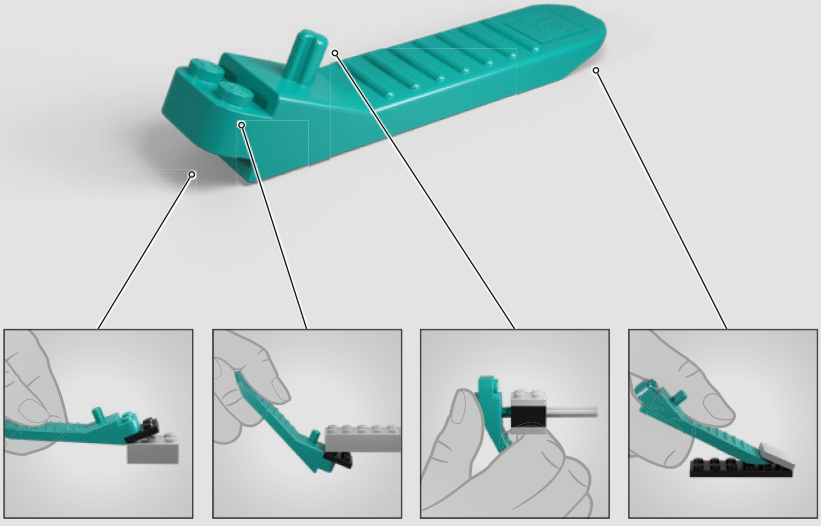

« Je suis le Dragon Éternel. »

Le splendide Shenron inspire la crainte avec ses yeux rouges et brillants, ses écailles qui ondulent et son immense rayonnement cosmique. En tant que Dragon éternel, il incarne l'espoir, l'émerveillement et les possibilités infinies qui sont au cœur de l'univers *Dragon Ball*. Il exaucera scrupuleusement votre souhait, qu'il soit modeste ou très ambitieux. Juste un conseil : ne trainez pas quand vient le moment de parler !

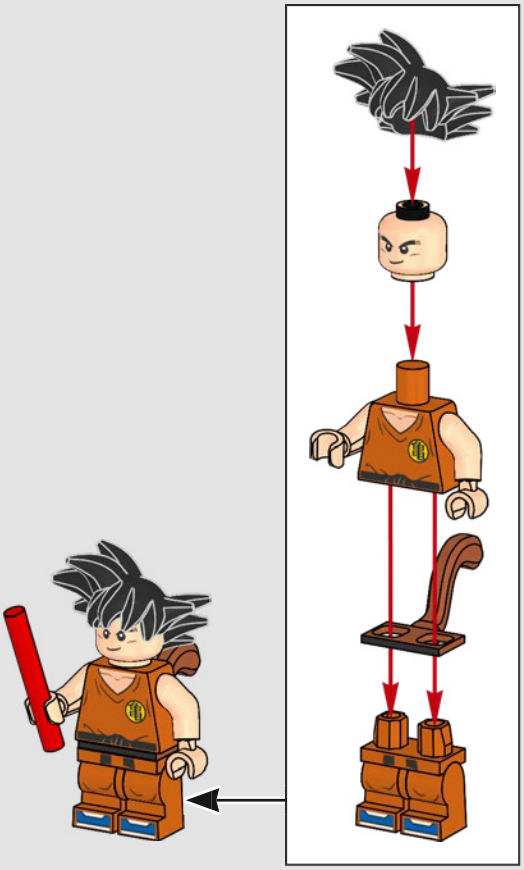

Le mot de l'équipe de designers LEGO® Icons

Goku et Shenron sont indissociables de la série animée *Dragon Ball* des années 1980, et nous sommes ravis de les voir faire leur apparition dans la gamme LEGO® Icons. Nous avons voulu créer un modèle à exposer unique qui vous permette de raconter différentes histoires, selon la façon dont vous positionnez Goku. Recréer les caractéristiques morphologiques de Shenron sous la forme de ce gigantesque dragon flottant dans le ciel a été un défi vraiment amusant. Nous avons étudié les images d'animation, des visuels de référence et les poses emblématiques de la série afin de nous assurer que le modèle rende bien la forme ondulante caractéristique de Shenron ainsi que sa présence imposante, tout en créant une structure stable. Nous avons testé de nombreux designs et solutions structurelles pour le Dragon éternel et, bien sûr, les personnalités amusantes et les expressions caractéristiques des personnages. Nous espérons que tous vos souhaits concernant ce modèle se réaliseront !

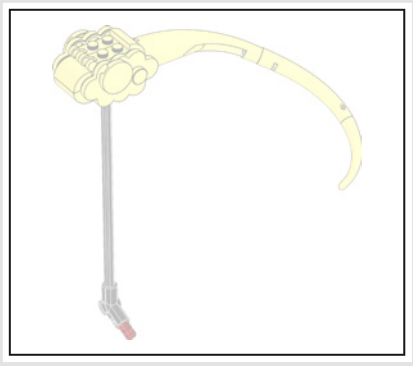

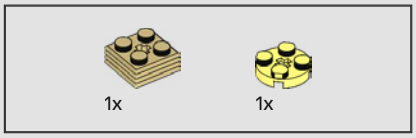

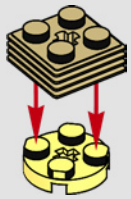

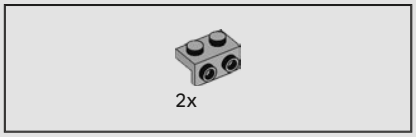

De tout nouveaux cheveux LEGO® reproduisent l'aspect emblématique de la coiffure de Goku – sans doute l'une des plus reconnaissables dans l'univers des anime.

Il faut bien sûr avoir le cœur pur pour chevaucher le Kintoun (nuage magique). Les pièces utilisées pour créer la traînée dynamique ont été initialement conçues comme des éléments LEGO® représentant des queues d'animaux.

Comme le suggère le nom « Son Goku », l'histoire de *Dragon Ball* s'inspire du conte traditionnel chinois *Voyage en Occident*.

Inspirée des dragons mythiques chinois, dont les traits combinent des caractéristiques de nombreux animaux, la tête de Shenron a été créée à partir de toute une gamme d'éléments empruntés à des chameaux, des cerfs, des lapins, des vaches, des carpes et des tigres.
