CONSTRUIDO PARA CRECER

Este minucioso y realista modelo de exposición floral está diseñado no solo para aportar a tu hogar un aire de elegancia intemporal, sino también para ofrecerte un entretenido y creativo desafío de construcción con infinitas oportunidades para que dejes tu toque personal.

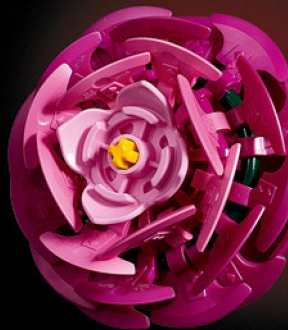

Nuestro equipo de diseño ha trabajado estrechamente con expertos del sector floral para conseguir que sus elementos modulares y sus flores, cuidadosamente seleccionadas y reorganizables, te permitan personalizar la composición a tu gusto y en armonía con prácticamente cualquier estilo de interior. Tanto si decides reservar la experiencia para un momento de disfrute a solas como si quieres compartirla con tus seres queridos, esperamos que dé alas a tu imaginación para que siga creciendo sin límites.

CAMELIA

Con sus pétalos que recuerdan a las rosas, las camelias representan la admiración y la devoción.

En Japón son conocidas desde hace siglos como *tsubaki*, y representan un símbolo de gracia y belleza profundamente arraigado en esa cultura.

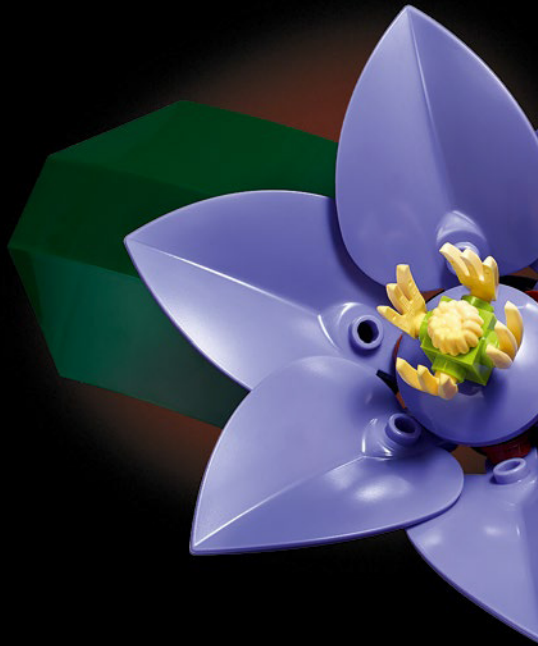

RANÚNCULO

Su nombre significa 'pequeña rana', probablemente porque crece en lugares acuáticos. El ranúnculo nos deslumbra con sus capas de delicados pétalos que parecen de seda. En el lenguaje de las flores, suelen simbolizar el encanto y el carisma.

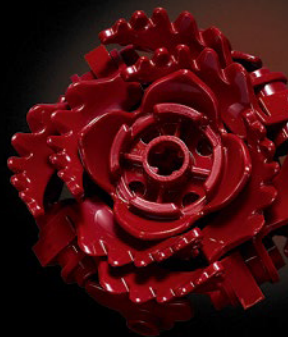

MIMOSA

Las flores amarillas y aterciopeladas de la mimosa simbolizan la sensibilidad y la resiliencia silenciosa. Si tocas sus hojas, se cierran, igual que lo hacen al caer la noche. En Italia, es un regalo popular en el Día Internacional de la Mujer (8 de marzo), como homenaje a la fortaleza y la solidaridad.

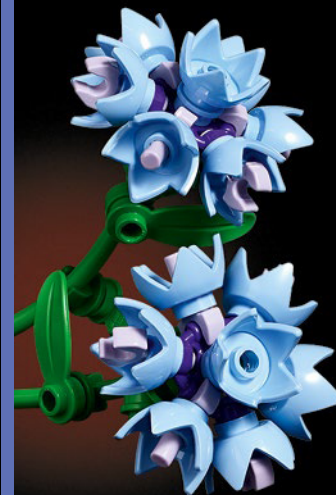

CLEMÁTIDE

La clemátide toma su nombre de la palabra griega *klema*, que significa 'rama de vid'; y también se la conoce como la reina de las trepadoras. Se asocia con la inteligencia y la agilidad mental. Con la elegancia típica de las enredaderas y vistosas flores en forma de estrella, puede transformar cualquier muro o celosía en un lienzo lleno de vida.

ACIANO

El delicado aciano nos cautiva con su brillante color azul, ofreciéndonos esperanza y fidelidad.

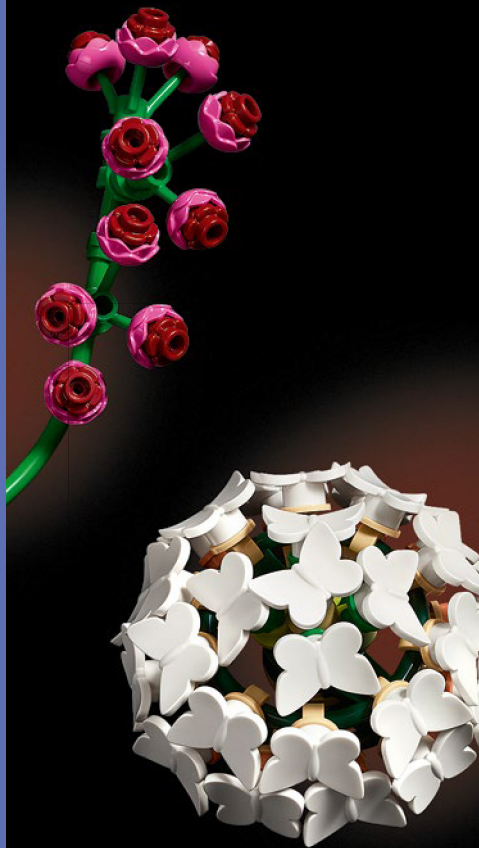

ROSA ROJO OSCURO

Las rosas rojo oscuro evocan tanto un amor profundo y duradero como la pasión. En la época victoriana se usaban para expresar deseo, y hoy también son un símbolo de aliento, recuerdo y devoción.

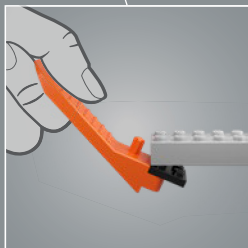

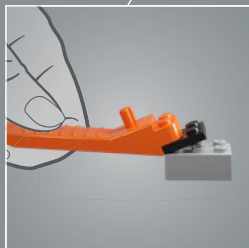

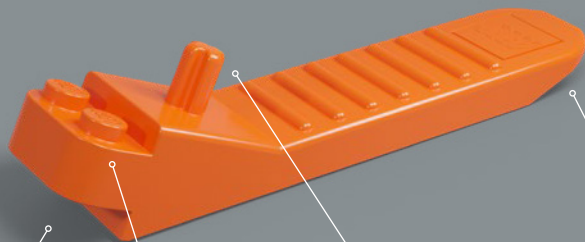

FLOR DE CERA

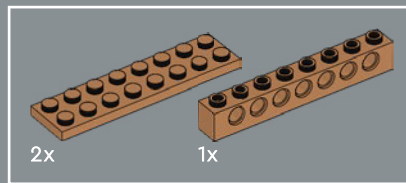

Esta flor originaria de Australia y con un agradable aroma cítrico pertenece a la familia de los mirtos y es apreciada por simbolizar la paciencia y el amor duradero. Sus gruesos pétalos y su larga vida en florero la convierten en una opción muy popular para arreglos florales y ramos de boda.

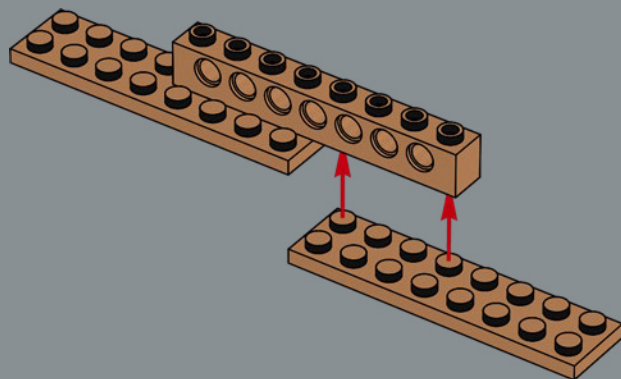

HORTENSIA

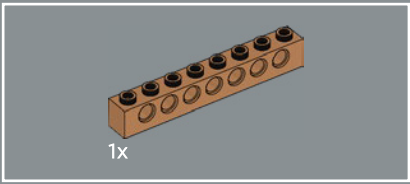

El color de las hortensias varía según el pH del suelo: en ambientes alcalinos adquieren tonos rosas, en suelos neutros muestran tonos violetas y en terrenos ácidos se vuelven azules. Como símbolo de gentileza, también pueden expresar una disculpa, comprensión o profunda gratitud.

La flor del ranúnculo

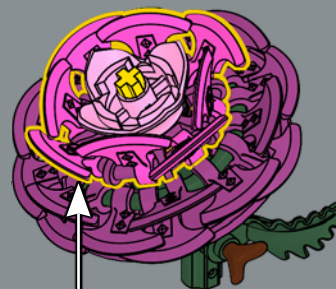

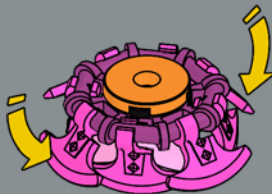

Elige el camino de las flores, ¡no el de las batallas!

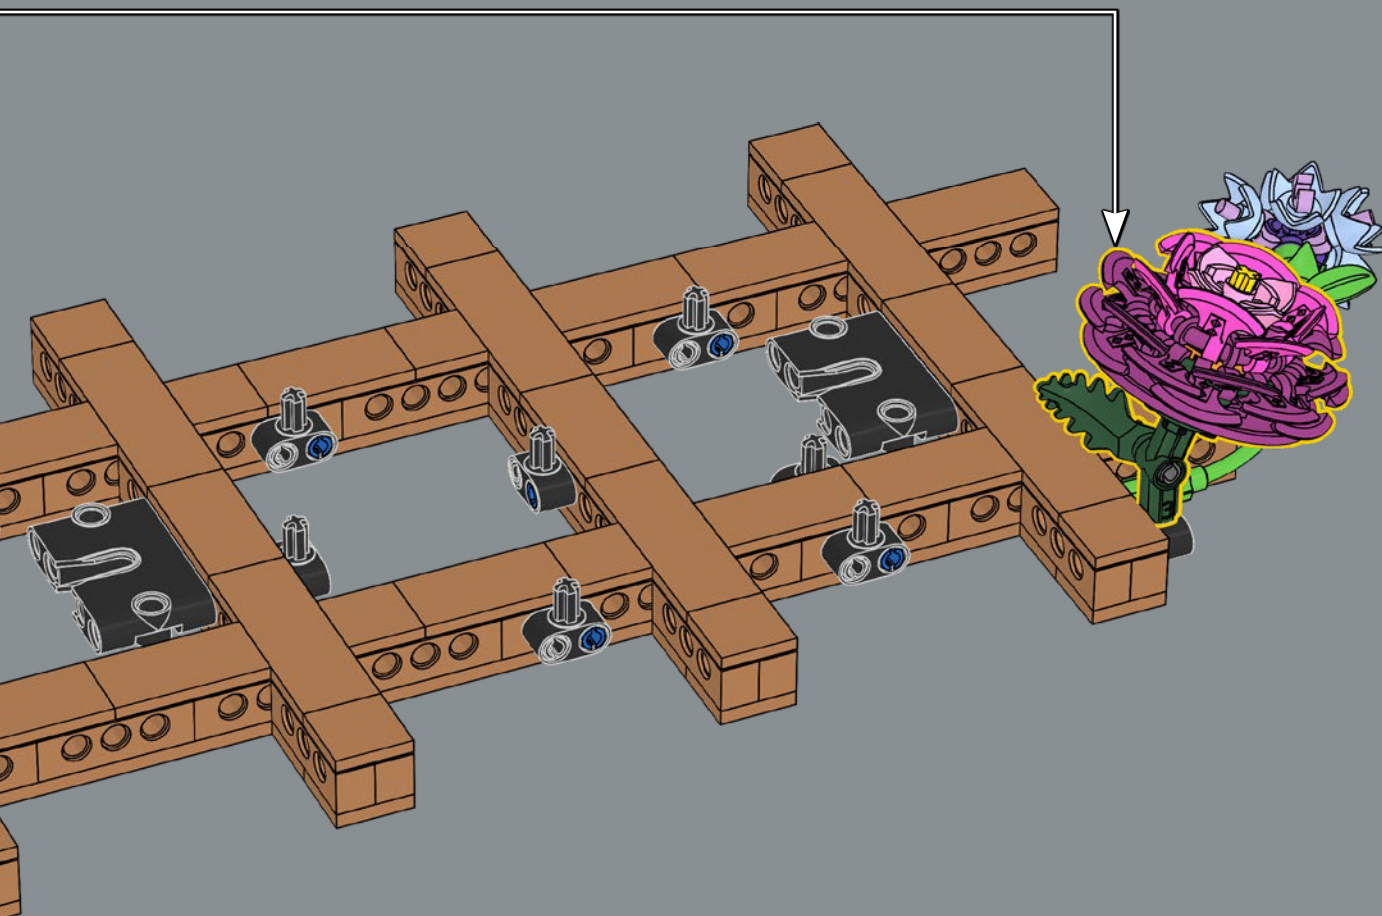

Este elemento LEGO® originalmente concebido como cabeza de hacha tiene un nuevo y pacífico uso: pétalo de la flor del ranúnculo.

PERSONALIZA TU EXPOSICIÓN

Los sets LEGO® Botanicals estimulan el florecimiento de tu creatividad en su hábitat natural. Este set te ofrece la posibilidad de darle un giro a tu pieza de exposición con capullos o flores completas de otros arreglos LEGO Botanicals, e incluso puedes combinar varios sets Muro Floral para ampliar tu creación. Da igual que experimentes con diseños cuadrados, en forma de L, verticales u horizontales, ¡siempre te resultará muy fácil crear una composición para tus paredes a la medida de tu gusto y espacio gracias a los conectores extraseguros!
