*Bonjour, voici Lumi,
un Pourpier de Cooper,
aussi appelé fleur de glace !*

Pourtant, malgré son nom, cette superbe succulente scintillante est tout sauf glaciale ! Elle tire son nom des minuscules poils présents sur sa tige et de ses feuilles, qui reflètent la lumière et ressemblent à des cristaux de glace. Plutôt cool, non ? Tout droit venue d'Afrique du Sud, cette plante LEGO® aventurière, chaleureuse et pleine de vie est prête à jouer partout !

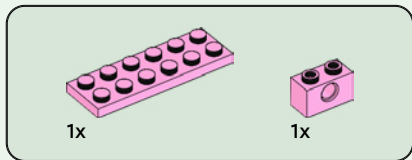

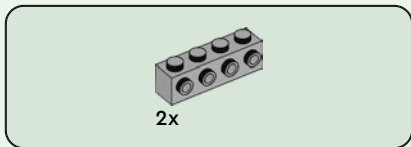

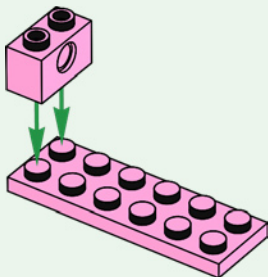

Bonjour, voici Ellie, une Echeveria elegans !

Originnaire d'Amérique centrale, cette succulente classique est appréciée pour son côté facile à vivre. Élégante et adaptable, elle porte bien son nom... Mais elle a aussi un petit côté sauvage. Cette version LEGO® avec ses fleurs éclatantes et colorées nous rappelle que la vie est pleine de surprises.
