LEGO® Builder

CALIDEZ, CON UNA NOTA DE MISTERIO

Un arreglo floral donde predominan los tonos sombríos aporta profundidad a la decoración de tu hogar. Es atemporal en el sentido artístico de la expresión, y con solo unas ramitas de colores claros como contraste, se puede crear un efecto atrevido y dramático. Cuando recreamos plantas vivas con formas orgánicas en LEGO® Botanicals, siempre nos esforzamos por lograr un aspecto auténtico. Si te fijas bien, quizá te sorprenda descubrir cómo un uso creativo de los elementos y los colores puede dar lugar a la singular forma de cada flor. Disfruta construyendo mientras te deleitas con la vivacidad de esta hermosa composición en tonos oscuros.

ROSA ROJO OSCURO

La aterciopelada rosa rojo oscuro evoca una intrigante sensación de lujo y amor. Su tono saturado simboliza una conexión profunda, aderezada con un aire de misterio.

ANÉMONA MORADA

También conocida como *la hija del viento* o *la flor del viento*, es una imagen habitual en zonas templadas y subtropicales. Cuando se regala, se dice que ayuda a alejar el mal.

PETUNIA

Originaria de Sudamérica, la petunia lleva siglos cautivando al mundo.

DALIA ROJO OSCURO

La dalia tiene significados diversos según cada cultura: desde transmitir mensajes secretos hasta ser símbolo de prosperidad o de bondad. Como flor nacional de México, promueve la fortaleza interior.

TULIPÁN NEGRO

Más próximo al morado oscuro, el tulipán negro posee un color híbrido cultivado a lo largo del tiempo. Transmite fortaleza y resistencia ante las dificultades y los desafíos.

PIMPINELA MENOR

También conocida como *algáfita*, esta planta perenne aporta cuerpo y un toque de dramatismo a cualquier ramo.

FLOR DE NIEBLA VIOLETA CLARO

Originaria del este de los Estados Unidos, la flor de niebla o *Conoclinium* puede alcanzar hasta 1,8 m de altura y, además de constituir un delicioso bufé para abejas y mariposas, aporta calma y tranquilidad.

Descubre ideas para exponer tus
sets LEGO® Botanicals.

Aunque la anémona morada suele preferir las regiones de interior, esta versión se inspira en el océano, ya que está elaborada con elementos que representan conchas marinas.

Esta dalia incorpora resistencia adicional (al menos simbólicamente): acércate y verás que está hecha con escudos de minifiguras LEGO®.

Las petunias crecen muy bien al sol, pero para construir esta versión hemos usado elementos que representan sombrillas (creados originalmente para la línea LEGO® Belville).
