LEGO® Builder

DE LA CHALEUR, AVEC UN SOUPÇON DE MYSTERE

Une composition florale qui fait la part belle aux teintes sombres apporte immédiatement de la profondeur à votre décoration d'intérieur. Elle offre une intemporalité très artistique et, avec quelques brins de couleurs claires et contrastées, vous pouvez créer un effet audacieux et spectaculaire. Lorsque nous créons des plantes organiques et vivantes sous forme de sets LEGO® Botanicals, nous cherchons toujours à obtenir un rendu authentique. Et en y regardant de plus près, vous pourriez être surpris de voir comment une utilisation créative des éléments et des couleurs permet de reproduire les formes uniques de chaque fleur. Profitez de la construction tout en admirant les tons riches de cette magnifique composition sombre.

ROSE ROUGE FONCÉ

La rose d'un rouge sombre et velouté évoque un sentiment fascinant de luxe et d'amour. Sa teinte symbolise un lien profond, empreinte d'une aura de mystère.

PÉTUNIA

Originaire d'Amérique du Sud, le pétunia charme le monde depuis des siècles.

ANÉMONE VIOLETTE

Aussi appelée « fille du vent » ou « fleur du vent », elle est très répandue dans les régions tempérées et subtropicales. Offerte en cadeau, on dit qu'elle éloigne le mauvais sort.

DAHLIA ROUGE FONCÉ

Le dahlia revêt de nombreuses significations selon les cultures, des messages secrets à la prospérité en passant par la gentillesse. Fleur nationale du Mexique, il encourage la force intérieure.

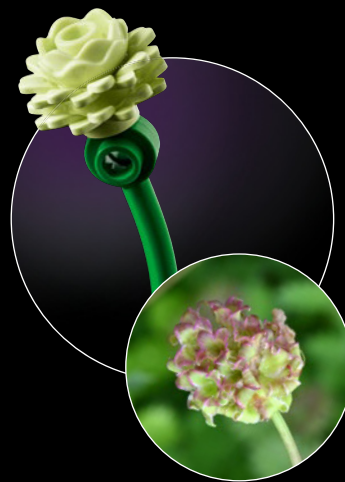

TULIPE NOIRE

En réalité plus proche d'un violet très foncé, la tulipe noire est une couleur hybride cultivée au fil du temps. Elle inspire force et résilience face aux épreuves et aux défis.

PIMPRENELLE

Aussi connue sous le nom de petite pimprenelle ou sanguisorbe, cette plante vivace apporte du volume et une touche de caractère à un bouquet.

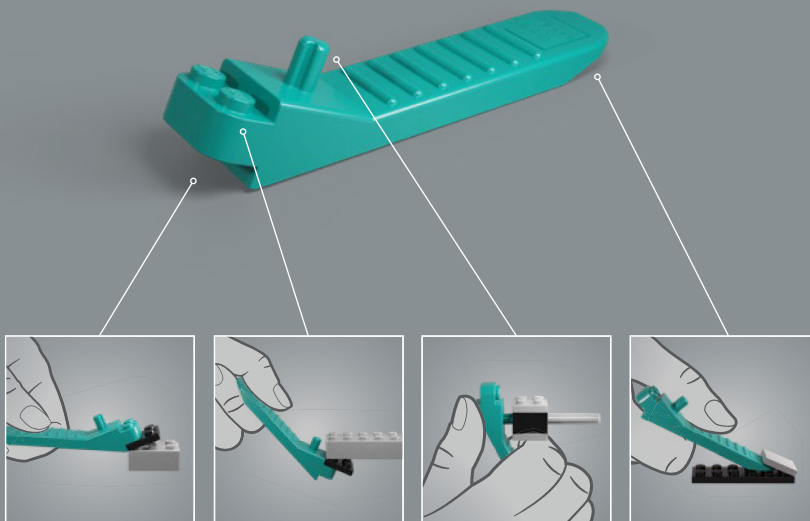

EUPATOIRE VIOLET CLAIR

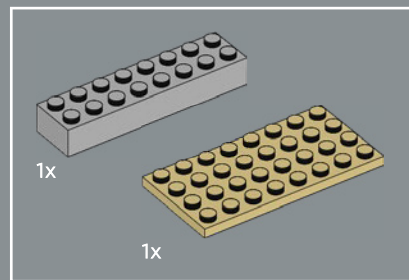

Originnaire de l'est des États-Unis, elle peut atteindre jusqu'à 1,80 mètre de haut. En plus de régaler abeilles et papillons, elle apporte calme et sérénité.

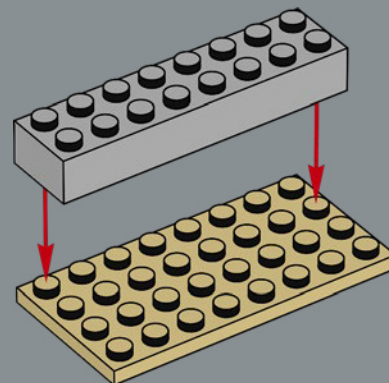

Découvrez des idées pour exposer vos
sets LEGO® Botanicals.

L'anémone violette pousse généralement loin des côtes, mais cette version puise son inspiration dans l'océan puisqu'elle est construite avec des éléments en forme de coquillage.

Cette fleur de dahlia cache une force supplémentaire (du moins symbolique) : regardez de plus près et vous verrez qu'elle est fabriquée avec des éléments de boucliers de minifigurines LEGO®.

Les pétunias s'épanouissent au soleil, mais pour construire cette version, nous avons utilisé des éléments de parasol (créés à l'origine pour le thème LEGO® Belville).
