LEGO® Builder

CALORE, CON UN PIZZICO DI MISTERO

Una composizione floreale che punta sulle tonalità ombreggiate e che aggiunge una vera profondità all'arredamento della tua casa. È intramontabile con un tocco artistico e, con l'aggiunta di pochi steli dai colori chiari e a contrasto, è possibile creare un effetto impattante e scenografico. Quando ricreiamo piante vive e organiche per LEGO® Botanicals, miriamo sempre a ottenere un look autentico. E, osservando più da vicino, ti sorprenderà scoprire come l'uso creativo di elementi e colori riesca a dare forma alle linee uniche di ogni fiore. Goditi la costruzione mentre ammiri le tonalità intense di questo splendido allestimento dalle meravigliose tonalità scure.

ROSA ROSSA

La vellutata rosa rossa evoca un affascinante senso di lusso e amore. Il suo tono saturo simboleggia una profonda connessione, condita da un'aria di mistero.

ANEMONE VIOLA

Conosciuta anche come fiore del vento, è una presenza familiare nelle aree temperate e subtropicali. Come dono, si dice che aiuti a scacciare il male.

PETUNIA

Con radici originarie del Sud America, le petunie affascinano il mondo da secoli.

DAHLIA ROSSA

La dahlia riveste un grande significato in diverse culture - dai messaggi segreti alla prosperità e alla gentilezza. Il fiore nazionale del Messico, infonde forza interiore.

TULIPANO NERO

Più simile a un viola scuro, il tulipano nero è di un colore ibrido, selezionato nel tempo. Ispira forza e resilienza di fronte a difficoltà e sfide.

MORDIGALLINA

La mordigallina è una pianta della famiglia delle Primulacee, i cui fiori aggiungono corpo e drammaticità a ogni bouquet.

CONOCLINIUM COELESTINUM

Originario degli Stati Uniti orientali, può crescere fino a 1,8 m di altezza e, oltre a offrire un gustoso banchetto per api e farfalle, trasmette calma e tranquillità.

Mentre l'anemone viola solitamente predilige le zone dell'entroterra, questa versione trae ispirazione dall'oceano: è realizzata con elementi a forma di conchiglia.

Questa dahlia possiede una forza extra (almeno simbolica):
guarda più da vicino e vedrai che è realizzata con elementi
a forma di scudo delle minifigure LEGO®.

Le petunie prosperano al sole, ma per costruire questa versione abbiamo usato elementi a forma di parasole (creati originariamente per il tema LEGO® Belville).
