Conoce al ganador del desafío

Micah (conocido en LEGO® Ideas como ModularManiac) es el ganador del gran premio de nuestro desafío *Build from the Heart*. Con esta creativa versión de un modelo que celebra el Día de San Valentín, este técnico informático de Míchigan sorprendió tanto a los fans como a los diseñadores de LEGO.

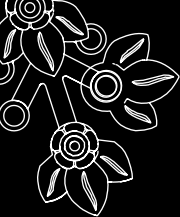

Micah con su propuesta original

"Me entusiasma combinar mis grandes pasiones: el diseño de creaciones LEGO, la dirección artística, la narración de historias y el modelado digital. No exagero al decir que este modelo me nació del corazón porque, por encima de todo, me encanta recrear estructuras orgánicas. Y enterarme de que mi creación había ganado el desafío fue increíble y muy muy emocionante. Para encontrar las proporciones correctas, investigué sobre distintos pájaros y árboles con flores. Además, experimenté usando elementos LEGO de maneras creativas para dar forma a los zarcillos retorcidos y a las cabezas de las aves.

Sin duda, podemos demostrar nuestros sentimientos dando regalos el Día de San Valentín, pero el mejor modo de forjar vínculos profundos con nuestros seres queridos es pasando tiempo juntos. Esta creación sirve como recordatorio para seguir compartiendo afecto y agradecimiento con ellos. Ya sea como parte de una elegante exposición o solo como un divertido modelo, me gusta pensar que estas adorables aves amorosas permanecerán una al lado de la otra para siempre".

Impresiones del equipo de diseño de LEGO® Ideas

Además de ser hermoso y avanzado a nivel técnico, el modelo de Micah es una atractiva pieza de exposición, no solo con motivo del Día de San Valentín, sino para cualquier época del año.

Estos pájaros no representan ninguna especie en particular, ¡simplemente son un par de simpáticas aves que derrochan amor la una por la otra! Manteniéndonos fieles a la forma y el ángulo originales del árbol, el volumen del follaje y la retorcida corteza, simplificamos algunas partes del modelo a fin de hacerlo un poco más accesible para todos los constructores

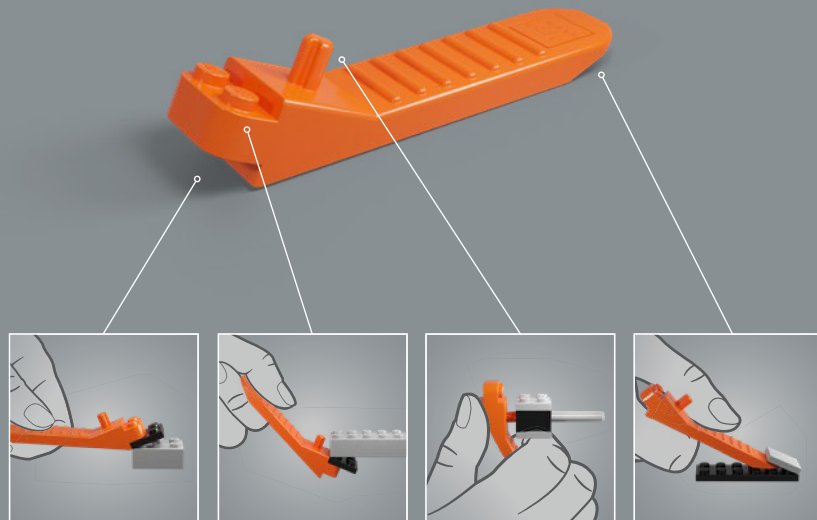

"Cuando están en la pose correcta, las dos aves forman la silueta de un corazón: ¡solo tienes que unir sus colas e inclinar sus cabezas hacia el centro de la escena!".

*El equipo de diseño de
LEGO® Ideas*

adultos. Puedes construir el modelo por tu cuenta, en compañía de un ser querido o en familia. Como homenaje a Micah, agregamos ladrillos en blanco, gris claro, verde arena y azul al modelo, ya que estos son los colores del set LEGO® Banco (10251), ¡su favorito! También actualizamos los tonos del follaje del árbol para crear un contraste aún más vibrante. Asimismo, y muy apropiado para una creación que celebra el amor, este es uno de los primeros sets en presentar un color nuevo para The LEGO Group: el rosa cálido, que complementa a la perfección el coral elegido por Micah.
