Incontriamo il vincitore della sfida

Micah (nome LEGO® Ideas ModularManiac) è il vincitore del Primo premio della nostra sfida *Build from the Heart*. Con questa interpretazione creativa di un modello di San Valentino, il tecnico IT del Michigan ha stupito sia i fan sia i designer LEGO.

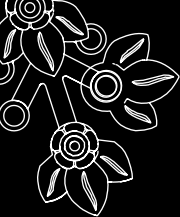

Micah e il suo modello originale

"Adoro unire le mie passioni per il design LEGO, la direzione artistica, la narrazione e la visualizzazione grafica. Mi piace ricreare strutture organiche, quindi questo modello è stato davvero costruito dal cuore e vincere la sfida è stato surreale ed esilarante allo stesso tempo. Ho studiato alberi fioriti e uccelli per ottenere le giuste proporzioni, e ho sperimentato un uso creativo degli elementi LEGO per sistemare i rami attorcigliati e modellare le teste degli uccelli.

Per San Valentino, fare regali è un gesto gentile, ma trascorrere del tempo insieme è il modo migliore per rafforzare i nostri rapporti più cari. Questa creazione ci ricorda l'importanza di dimostrare affetto e gratitudine alle persone care, ogni giorno. Creando un elegante oggetto da esposizione, o semplicemente una costruzione divertente, questi adorabili 'uccelli' rimarranno uno accanto all'altro".

Il LEGO® Ideas Design Team

Il modello di Micah è un gioiello tecnico di rara bellezza, perfetto non solo per San Valentino ma per ogni occasione dell'anno. Questi uccellini innamorati non appartengono a una specie specifica; sono semplicemente degli uccellini adorabili completamente dediti l'uno all'altro! Mantenendoci fedeli alla forma originale e all'angolazione dell'albero, con il suo fogliame rigoglioso e la corteccia contorta, abbiamo semplificato alcune parti del modello per renderlo più accessibile a tutti gli appassionati adulti di costruzioni. È possibile

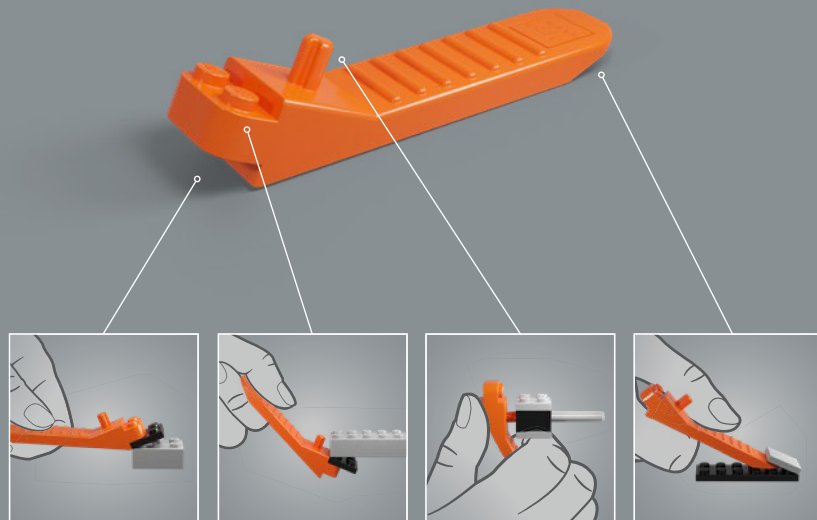

"I due uccelli formano un cuore quando vengono messi in posa nel modo giusto: basta orientare le code una verso l'altra e inclinare le teste verso l'interno!"

- Il LEGO® Ideas
Design Team

costruire il modello da soli, con una persona cara o in famiglia. Per rendere omaggio a Micah, abbiamo aggiunto mattoncini bianchi, grigi, verdi sabbia e blu all'interno del modello, i colori del suo set LEGO® preferito, la Banca 10251. Abbiamo anche aggiornato i colori del fogliame dell'albero per creare un contrasto più vibrante. Inoltre, in linea con un modello che celebra l'amore, questo è uno dei primi set a presentare un nuovo colore per il LEGO Group: il rosa caldo, che si abbina perfettamente al corallo di Micah.
