LEGO® Builder

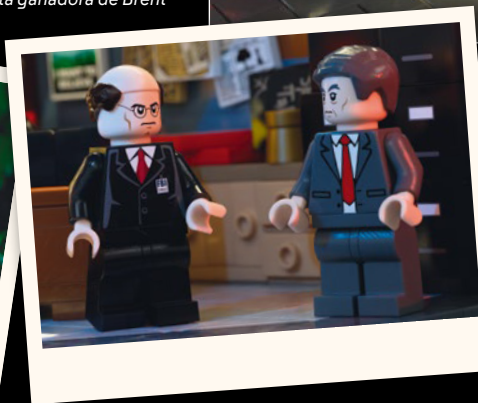

CONOCE AL FAN DISEÑADOR DE LEGO®

Brent Waller (conocido en LEGO® Ideas como WetWired) es un fan diseñador de Brisbane (Australia) con un talento increíble. Con esta propuesta ganadora del desafío *Build Your Nostalgia – 90s Throwback!*, se ha convertido en la primera persona de la historia en conseguir que tres de sus modelos de LEGO Ideas se lancen como sets oficiales.

Brent Waller, fan diseñador de LEGO® Ideas

"Construir con LEGO es mi válvula de escape creativa y una forma de poner a prueba mis habilidades. Durante los años 90, dejé atrás mi etapa infantil con LEGO y pasé a interesarme por los ordenadores, el baloncesto, la música y Expediente X. Nada más ver un anuncio de la serie, quedé enganchado. Creé el despacho de Mulder por primera vez en 2015, lo compartí en mi página de Flickr y se hizo viral. Pasaron los años y, en 2019, le hice algunas mejoras para presentarlo en LEGO Ideas; alcanzó los 10.000 votos, pero al final no fue seleccionado. Para este desafío (2025), quería crear un modelo que resumiera la serie con un diseño fácilmente reconocible. Así, incluí elementos familiares y recurrentes: un bosque tenebroso, alienígenas y un ovni inspirado en el vehículo extraterrestre recuperado del episodio 2 de la primera temporada. Verlo a la venta es increíble, ¡aún me estoy pellizcando! Lo que más recordaré es la respuesta que he recibido de las comunidades de fans de Expediente X y LEGO".

La propuesta ganadora de Brent

LA VERDAD ESTÁ AHÍ FUERA

Estrenada en 1993, *Expediente X* no tardó en convertirse en un fenómeno cultural en todo el mundo. En cada nuevo caso investigado por los agentes del FBI Dana Scully y Fox Mulder, el público se encontraba con algo verdaderamente único para una serie de televisión. La serie abordaba una gran variedad de temas sobrenaturales, con personajes misteriosos y antagonistas excepcionales. Pero su principal gancho era una compleja conspiración gubernamental en torno a la posible presencia de vida extraterrestre. Las historias "inspiradas en informes documentales reales" aportaban a la serie un aire de credibilidad, y cada episodio nos dejaba preguntándonos cuánto de ello podría haber ocurrido de verdad. Si la verdad sobre la vida extraterrestre iba a salir por fin a la luz, ¿queríamos un asiento en primera fila! Por el camino, nos fuimos implicando en la misión de Mulder, movido por el trauma infantil de haber presenciado la aparente abducción extraterrestre de su hermana. Scully, asignada inicialmente a los expedientes X para desacreditar el trabajo de Mulder, vio gradualmente cómo su visión racional y científica del mundo era puesta a prueba, lo que la llevó a cuestionarse sus propias creencias.

THE X FILES

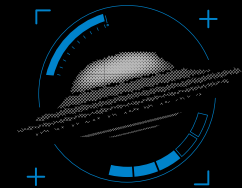

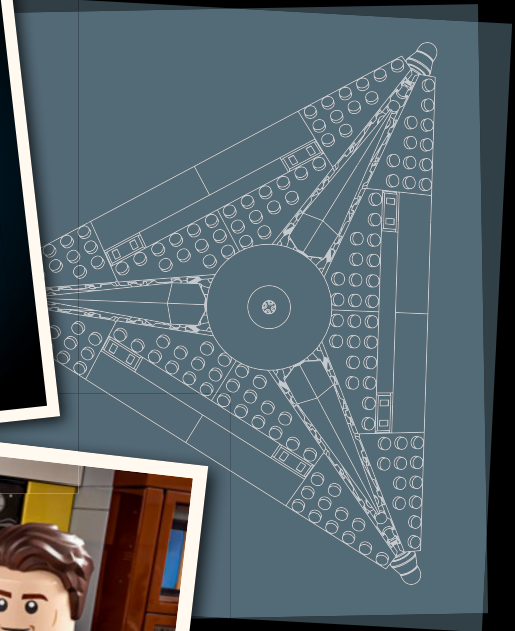

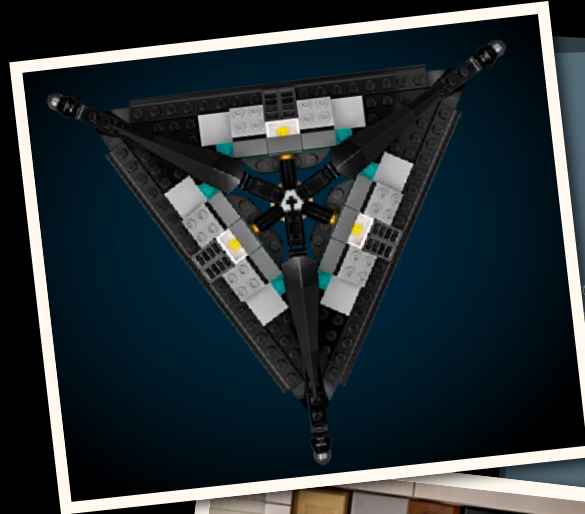

UNA RECREACIÓN CON LADRILLOS DE UN ÉXITO ARROLLADOR

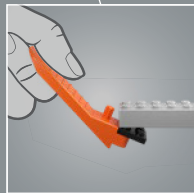

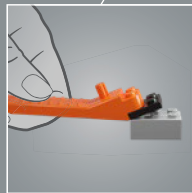

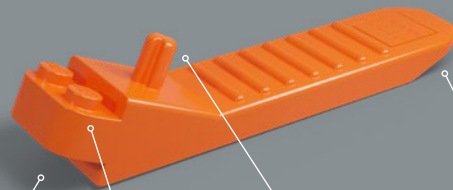

El modelo creado por el fan Brent Waller rinde homenaje a *Expediente X* combinando dos maquetas de forma creativa: la escena del bosque y el ovni en la parte superior, y el despacho del sótano de Fox Mulder, en la sede del FBI de Washington D. C., en la inferior. Dispuestas como si el despacho estuviera en una caverna bajo el suelo del bosque, permite que ambas escenas coexistan

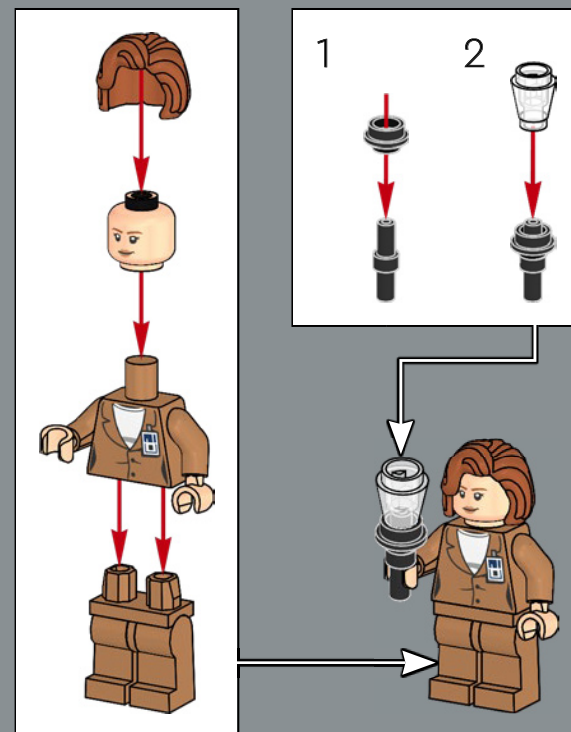

en el mismo espacio. En esta versión, puedes exponerlas apiladas, colocarlas una al lado de la otra, o situarlas en habitaciones completamente separadas. La sección del despacho de Mulder se puede extraer y exponer como una viñeta; además, puedes colocar las minifiguras LEGO® en diferentes posturas para recrear escenas memorables de la serie.

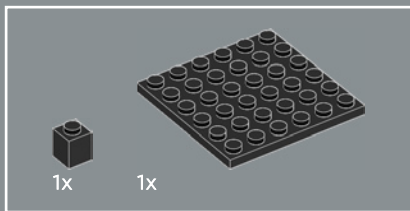

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO®

A diferencia de lo que sucede en las investigaciones de Mulder y Scully, en nuestro trabajo como diseñadores de LEGO® las leyes de la física sí se aplican. Bueno, casi siempre. Pero eso no iba a impedirnos construir un ovni levitando. ¡Su forma triangular con ángulos de 60 grados planteó un desafío de diseño único! Fijamos la cubierta exterior al núcleo usando una ingeniosa técnica: tres anillos dorados actúan como separadores para mantener el núcleo perfectamente centrado. Además, unos elementos flexibles en punta rellenan los contornos superiores para crear una pirámide de tres lados. Estudiamos detenidamente las proporciones del despacho de Mulder y lo diseñamos para que coincidiera (más o menos) con la escala de las minifiguras. En él se refleja su inconfundible caos controlado, con archivos, carpetas, libros y cajas apilados por cualquier parte, además del emblemático póster "I WANT TO BELIEVE". Encontrarás también guiños a episodios, personajes y tramas concretos; por ejemplo, una de las cintas VHS del despacho de Mulder muestra el episodio favorito de Brent de *Expediente X*: *Wetwired*. ¡Le gustó tanto que usó el título como su nombre en LEGO Ideas! ¿Ya estás listo para crear?
