RENCONTRE AVEC LE FAN CONCEPTEUR LEGO®

Brent Waller (nom LEGO® Ideas : WetWired) est un fan concepteur vraiment doué originaire de Brisbane, en Australie. Avec cette contribution gagnante au défi *Build Your Nostalgia – 90s Throwback!*, il est la première personne à avoir *trois* modèles LEGO Ideas sortis en tant que sets officiels.

Le fan concepteur LEGO® Ideas Brent Waller

« La construction LEGO est mon exutoire créatif et un moyen de tester mes compétences. Dans les années 90, j'ai délaissé les LEGO de mon enfance et me suis tourné vers les ordinateurs, le basket-ball, la musique et X-Files. Dès que j'ai vu une publicité pour la série, j'ai été accro. J'ai créé le bureau de Mulder en 2015, je l'ai partagé sur ma page Flickr et il est devenu viral. Avance rapide jusqu'en 2019. J'ai apporté quelques améliorations et je l'ai proposé à LEGO Ideas. Le projet a atteint 10 000 votes mais n'a finalement pas été sélectionné. Pour ce défi (2025), je voulais créer une construction qui englobe la série en un seul design facilement reconnaissable, avec des éléments familiers et récurrents, comme une forêt effrayante, des extraterrestres et un OVNI inspiré du véhicule extraterrestre récupéré de la saison 1, épisode 2. C'est incroyable que ce set soit commercialisé, j'ai encore du mal à y croire. Les retours que j'ai eus de la part des communautés de fans de X-Files et de LEGO sont ce dont je me souviendrai le plus. »

Le projet gagnant de Brent

LA VÉRITÉ EST AILLEURS

Diffusée pour la première fois en 1993, la série télévisée *X-Files* s'est rapidement transformée en un phénomène culturel mondial. À chaque nouvelle affaire sur laquelle les agents du FBI Dana Scully et Fox Mulder enquêtaient, le public découvrait quelque chose de vraiment unique pour la télévision. La série a approfondi un large éventail de sujets surnaturels, de personnages intrigants et d'antagonistes exceptionnels. Mais son thème principal reposait sur une vaste conspiration gouvernementale autour de la possible présence de vie extraterrestre. Les intrigues « inspirées de témoignages réels » ont donné de la crédibilité à la série. Chaque épisode nous laissait songeurs, à se demander quelle était la part de réalité. Si la vérité sur la vie extraterrestre était enfin sur le point d'être révélée, nous voulions être aux premières loges ! Au fil des épisodes, nous nous sommes investis dans la mission de Mulder, qui a été traumatisé dans son enfance par l'enlèvement apparemment extraterrestre de sa sœur. Scully, initialement affectée aux X-Files pour démystifier les travaux de Mulder, voit peu à peu sa vision rationnelle et scientifique du monde remise en cause, ce qui l'amène à s'interroger sur ses propres croyances.

THE X FILES

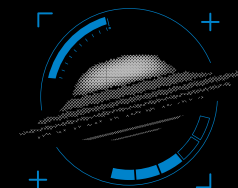

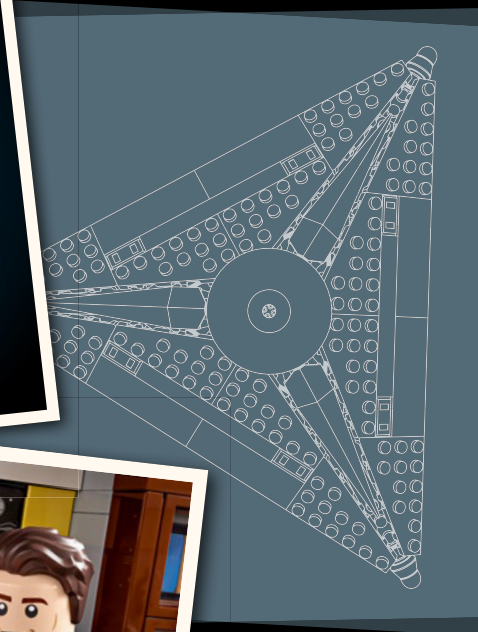

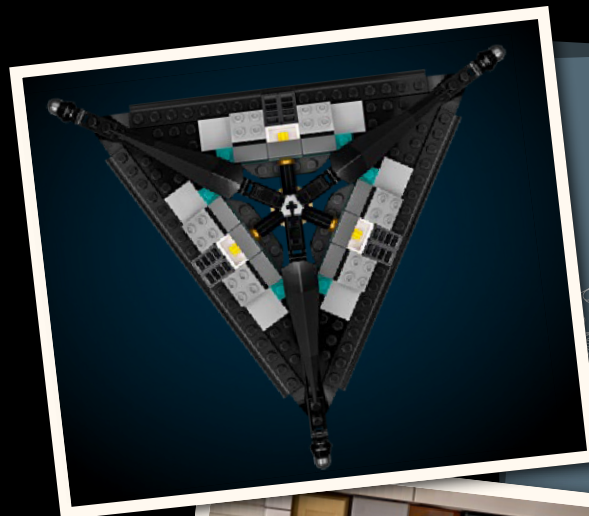

UN REMAKE EN BRIQUES D'UN GRAND SUCCÈS

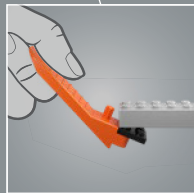

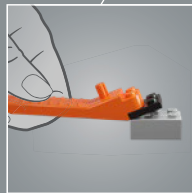

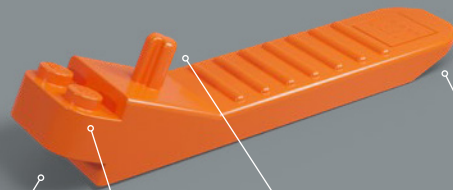

Le modèle de Brent Waller célèbre *X-Files* en combinant deux dioramas de manière créative : la scène de la forêt/de l'OVNI en haut, et le bureau en sous-sol de Fox Mulder au siège du FBI à Washington, DC, en bas. La disposition suggère que le bureau se trouve dans une caverne sous le sol de la forêt : les deux scènes coexistent dans le

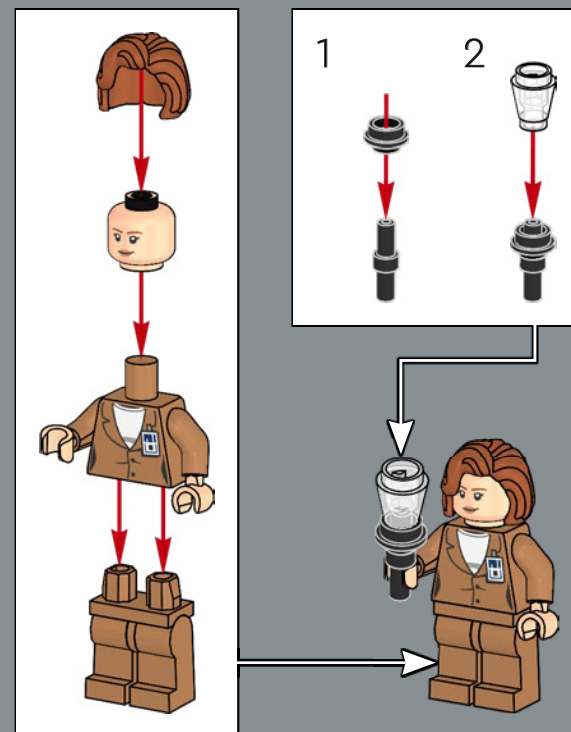

même espace. Dans cette version, vous pouvez les exposer empilés, côte à côte ou dans des pièces entièrement séparées. La section du bureau de Mulder peut être retirée et exposée comme une vignette. Les personnages en minifigurines LEGO® peuvent prendre la pose pour recréer des scènes mémorables de la série.

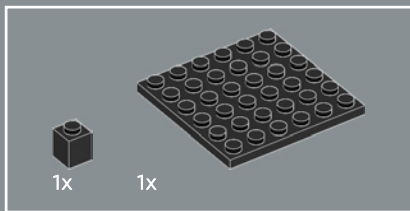

L'ÉQUIPE DE DESIGN LEGO®

Contrairement aux enquêtes de Mulder et Scully, dans notre travail de créateurs LEGO®, les lois de la physique s'appliquent. En général, en tout cas. Mais cela n'allait pas nous empêcher de construire un ovni en vol stationnaire. La forme triangulaire avec des angles de 60° a posé un défi de conception unique ! Nous avons amarré la partie extérieure au centre à l'aide d'une technique astucieuse : trois anneaux d'or servent d'entretoises pour maintenir le centre parfaitement centré. En outre, des éléments de pointe flexibles remplissent les contours supérieurs pour créer une pyramide à trois côtés. Nous avons soigneusement étudié les proportions du bureau de Mulder et l'avons créé pour qu'il corresponde (à peu près) à l'échelle des minifigurines. Il reflète son « chaos contrôlé » caractéristique, composé de dossiers, de chemises, de livres et de boîtes empilés un peu partout, ainsi que le poster emblématique « I WANT TO BELIEVE ». Vous trouverez également des clins d'œil à des épisodes, des personnages et des intrigues spécifiques. Par exemple, l'une des cassettes VHS dans le bureau de Mulder est l'épisode préféré de Brent de *X-Files*, *Wetwired (Hallucinations)*. Il a tellement aimé l'épisode qu'il a même utilisé le titre comme nom LEGO Ideas ! Alors, êtes-vous prêts à y croire ?
