Lerne den Fandesigner kennen

LEGO® Ideas Fandesigner
Sébastien Esnault.
Rechts: Sébastiens
Originalbeitrag

Sébastien Esnault (LEGO® Ideas-Name: Pidelium) ist ein wissenschaftlicher Chemiker aus Frankreich mit einem Händchen für die Restaurierung alter Mopeds. Wer weiß, vielleicht hat ihm dieses Hobby ja tatsächlich dabei geholfen, unsere 90s Throwback – The Next Chapter!-Challenge zu gewinnen!

„Als meine Tochter ihr erstes LEGO Set bekam, habe ich meine Leidenschaft für das LEGO Bauen aus meiner Kindheit wiederentdeckt. Es fühlte sich an, als würde ich wieder zu einem Teil von mir selbst finden, und als meine Tochter an einem LEGO Designwettbewerb teilnahm und es bis ins Finale schaffte, inspirierte sie mich dazu, der LEGO Ideas-Plattform beizutreten. Ich war noch ein Teenager, als Mitte der Neunziger die Aardman-Filme „Wallace & Gromit – Die Techno-Hose“ und „Wallace & Gromit – Unter Schafen“ in die Kinos kamen und das legendäre Duo die Welt eroberte. Abgesehen von den Figuren selbst war es vor allem der Gedanke, sie zusammen mit ihrem Motorrad mit Beiwagen zu bauen, der mich wirklich motiviert hat. Diese Szene enthält alles, was das Wallace & Gromit-Universum so originell und liebenswert macht: Einfallsreichtum, Humor, Kameradschaft und Abenteuerlust. Es macht mir großen Spaß, mit Bausteinen runde Formen zu gestalten, und dieses Modell hat viele runde Stellen. Es sieht vielleicht einfach aus, aber es stabil und robust zu machen, war eine ziemliche Herausforderung! Zu sehen, wie eine meiner Ideen zu einem echten LEGO Set wird, kam mir einst wie ein unerreichbarer Traum vor, und ich bin unglaublich glücklich, dass dieser nun Wirklichkeit wird.“

Höchstgeschwindigkeit -
schneller geht es nicht!"*

- Wallace

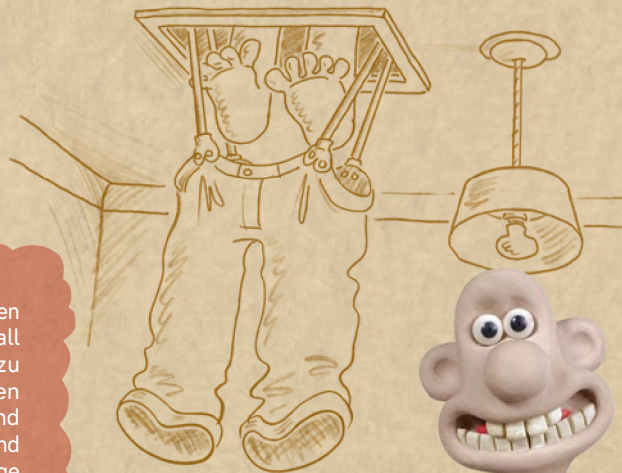

Fenster sind ihre Spezialität

Sollten deine Fenster mal eine gründliche Reinigung brauchen, wird dir der „Wash ‘n’ Go“-Fensterreinigungsservice von Wallace & Gromit mit Sicherheit behilflich sein. In dem preisgekrönten Film „Wallace & Gromit – Unter Schafen“ (1995) erweitert der käseliebende Wallace seine Sammlung skurriler Erfindungen und startet sein neues Geschäft von 62 West Wallaby Street aus.

Mit ihrem cleveren Motorrad und Beiwagen sind er und Gromit bereit, jeden Notfall rund ums Fensterputzen sofort zu lösen. Bald kommt es zu verworrenen Verwicklungen, Rätseln und Unfug, und Wallace und Gromit bündeln ihren Verstand und ihre kreativen Fähigkeiten, um die Lage zu retten. Seit fast 40 Jahren erzählt Nick Park, der Schöpfer von Wallace & Gromit, Geschichten in Animationen, bringt die Welt zum Lachen und hat mit seinen beliebten Stop-Motion-Filmen ein bleibendes Vermächtnis geschaffen.

-Not Gromit!*

Anmerkungen des LEGO® Ideas Designteams

Die Verspieltheit, der Humor und die Kreativität der Aardman-Filme passen einfach perfekt zur LEGO Gruppe, und Fandesigner Sébastien hat wirklich großartige Arbeit geleistet! Besonders gut hat uns gefallen, wie er die Lupe als Schutzbrille eingesetzt hat! Visuelles spielte eine große Rolle, insbesondere die ausdrucksstarken Augen und Wallaces unverkennbares Grinsen.

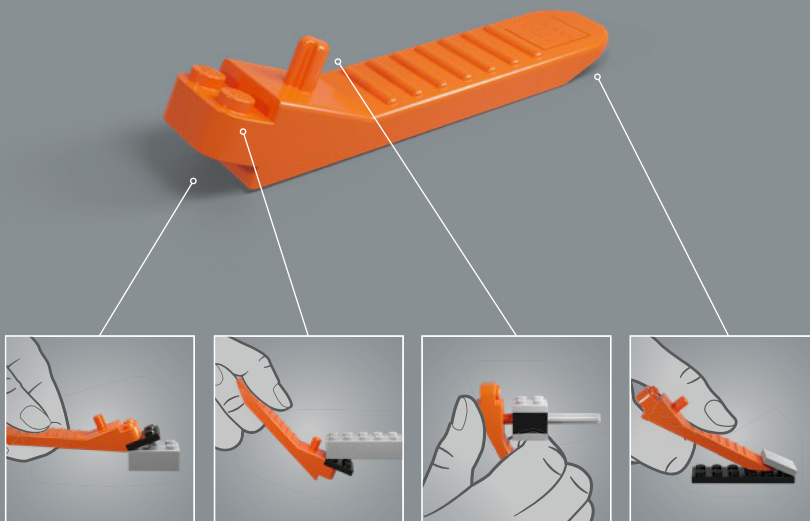

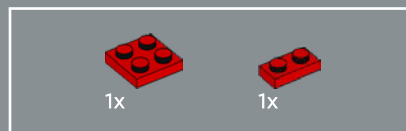

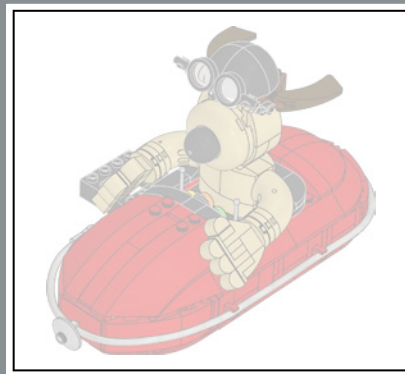

Die Stop-Motion-Modelle der Figuren und des Motorrads in „echter Größe“ entsprechen in etwa den LEGO® Versionen, was uns dabei half, die Proportionen genau einzuhalten. Nick Park, der Schöpfer von Wallace & Gromit, und das Aardman-Team halfen uns dabei, alle letzten Details zu verfeinern. Aardman ist bekannt für den cleveren und humorvollen Einsatz von „Easter Eggs“ in seinen Inhalten, daher haben wir natürlich auch in diesem Modell so viele wie möglich eingebaut. Viel Spaß beim Bauen!

Im Oktober 1996 verlor der Schöpfer Nick Park in New York versehentlich Wallace & Gromit, was weltweit für Schlagzeilen sorgte. Es wurde eine Prämie ausgesetzt, und 36 Stunden später wurden sie wohlbehalten im Kofferraum eines Taxis gefunden!
