LEGO® Builder

Conosciamo il fan designer

Il fan designer LEGO®
Ideas Sébastien Esnault.
A destra: il modello
originale di Sébastien.

Sébastien Esnault (nome utente LEGO® Ideas: Pidelium) è un ricercatore chimico francese con la passione per il restauro di vecchi motorini. Chissà, forse proprio questo hobby lo ha aiutato a vincere la nostra sfida di costruzione 90s Throwback – The Next Chapter!

"Ho riscoperto la mia passione d'infanzia per le costruzioni LEGO quando mia figlia ha ricevuto il suo primo set. È stato come ritrovare una parte di me e, quando mia figlia ha partecipato a un concorso di design LEGO arrivando in finale, mi ha spinto a iscrivermi alla piattaforma LEGO Ideas. Ero un adolescente a metà degli anni Novanta, quando uscirono i film della Aardman "I pantaloni sballati" e "Una tosatura perfetta" e l'iconico duo conquistò il mondo. Al di là dei personaggi in sé, ciò che mi ha spinto davvero è stato poterli costruire insieme alla loro moto con sidecar. Questa scena cattura tutto ciò che rende l'universo di Wallace e Gromit così originale e accattivante: inventività, umorismo, compagnia e un senso di avventura. Mi piace davvero creare forme arrotondate con i mattoncini e questo modello è pieno di curve. Può sembrare semplice, ma renderlo robusto e stabile è stato piuttosto impegnativo! Vedere una delle mie idee trasformarsi in un vero set LEGO un tempo mi sembrava un sogno irraggiungibile, e sono incredibilmente felice che stia diventando realtà".

*"Siamo alla massima
velocità - non può
andare più veloce!"*

- Wallace

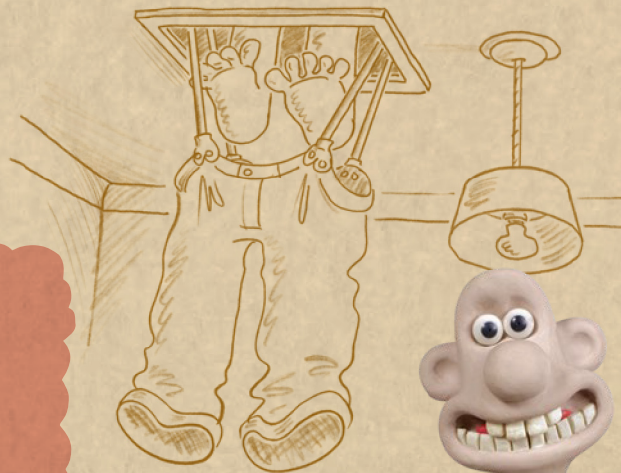

Le finestre sono la loro specialità

Se le tue finestre hanno bisogno di una bella pulita, il servizio di lavaggio vetri "Wash 'n' Go" di Wallace e Gromit sarà senz'altro al tuo servizio. Nel pluripremiato film *Una tosatura perfetta* (1995), Wallace, grande appassionato di formaggi, amplia la sua collezione di bizzarre invenzioni e lancia la sua nuova attività dal civico 62 di West Wallaby Street.

A bordo della loro intelligente motocicletta con sidecar, Wallace e Gromit sono pronti a intervenire all'istante per qualsiasi urgenza legata al lavaggio dei vetri. Ben presto, tra grovigli di lana, misteri e marachelle, Wallace e Gromit uniranno ingegno e creatività per salvare la situazione. Da quasi 40 anni, Nick Park, il creatore di Wallace e Gromit, racconta storie attraverso l'animazione, facendo sorridere il mondo intero e lasciando un'impronta indelebile con i suoi amatissimi film in stop-motion.

*Drawn by Wallace
-Not Gromit!*

Il LEGO® Ideas Design Team

La giocosità, l'umorismo e la creatività dei film di Aardman si sposano perfettamente con il LEGO Group, e il fan designer Sébastien ha fatto davvero un ottimo lavoro! Ci è piaciuto particolarmente il suo uso della lente d'ingrandimento come occhiali! La grafica ha svolto un ruolo enorme, in particolare gli occhi espressivi e l'iconico sorriso di Wallace.

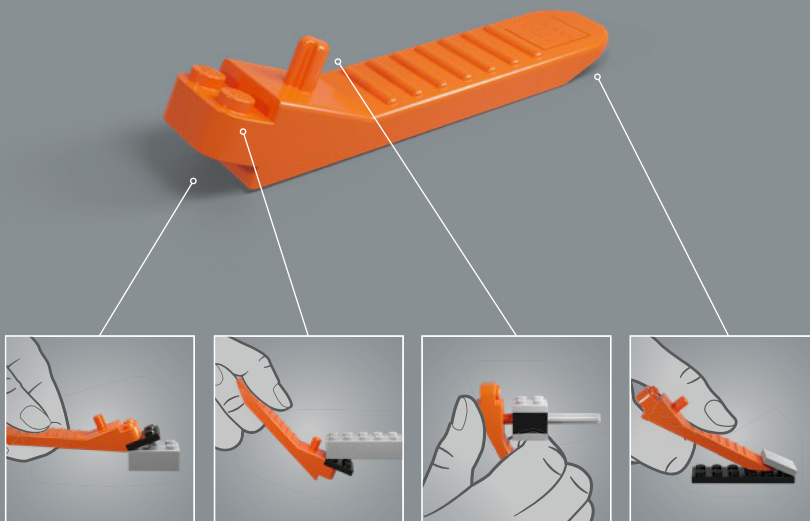

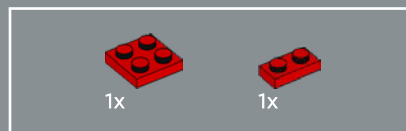

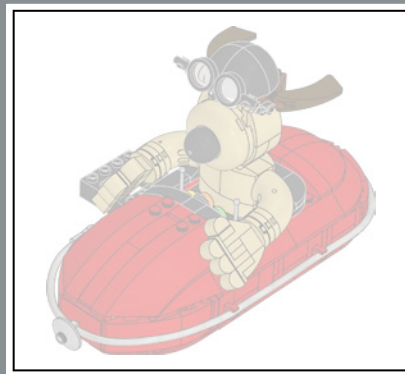

I modelli stop-motion "reali" dei personaggi e della motocicletta hanno dimensioni simili a quelle della versione LEGO®, quindi questo ci ha aiutato a creare proporzioni accurate, e il creatore di Wallace e Gromit Nick Park e il team di Aardman ci hanno aiutato a mettere a punto tutti i dettagli finali. Aardman è famosa per il suo intelligente e divertente uso degli "Easter egg" nei suoi contenuti, quindi, naturalmente, ne abbiamo inclusi quanti più possibile anche nel modello. Divertitevi a costruirlo!

Nell'ottobre del 1996, il creatore Nick Park smarri accidentalmente Wallace e Gromit mentre si trovava a New York, attirando l'attenzione della stampa di tutto il mondo. Fu offerta una ricompensa e, 36 ore dopo, furono trovati sani e salvi nel bagagliaio di un taxi!
