LEGO® Builder

Rencontre avec le fan concepteur

José Miguel Medina (pseudo LEGO® Ideas : yop1172) est un scientifique des données originaire de Mexico. En parallèle de son doctorat en informatique, il nourrit une véritable passion pour des activités artistiques, allant du codage créatif et de l'animation numérique à la construction LEGO.

Le fan concepteur LEGO® Ideas et sa création originale

« J'ai toujours adoré les jouets de construction, et ces dernières années, la communauté de fans de LEGO de mon pays s'est beaucoup développée. J'y ai rencontré des constructeurs incroyables. Mon modèle de La Catrina reflète son esprit joyeux et élégant, un symbole qui nous rappelle de célébrer la vie et d'en apprécier la beauté. Il s'inspire des sculptures traditionnelles en argile de La Catrina que l'on trouve dans l'art populaire mexicain. En tant que constructeurs LEGO, nous nous exprimons à travers les briques, et je trouve que ce projet associe parfaitement l'aspect artistique de la conception LEGO à l'une des traditions les plus importantes de ma culture. Le crâne a été la partie la plus difficile à réaliser, tout comme le fait de doter de modèle de l'anatomie la plus fidèle possible. L'aspect naturel et fluide de la jupe est sans doute l'élément le plus marquant. Atteindre les 10 000 votes a été incroyablement réjouissant – honnêtement, j'avais l'impression de rêver ! Merci à tous ceux qui ont voté. »

Une icône culturelle

Au cours du siècle dernier, La Catrina a conquis le monde entier : d'abord en tant que figure impertinente de satire sociale, et aujourd'hui comme l'une des ambassadrices culturelles les plus charmantes du Mexique. Même dans ses formes les plus anciennes, elle a toujours incarné un mélange d'univers, reflétant avec humour et élégance la culture vibrante du Mexique sous toutes ses formes. Au fil du temps, son large sourire et son chapeau extravagant sont devenus des symboles de l'esprit festif d'El Día de los Muertos (le Jour des morts), le festival annuel durant lequel les familles honorent le souvenir de leurs proches disparus. Elle est souvent accompagnée de papillons monarques qui symbolisent les âmes des défunts revenant sur Terre pour le Jour des morts. Cette célébration coïncide avec la migration des papillons monarques vers le Mexique, renforçant encore leur symbolique liée aux esprits des défunts venant rendre visite aux vivants. Les crânes en sucre traditionnels, également représentés sur sa jupe fluide, rappellent que la mort n'est pas une fin amère mais plutôt une douce continuité du cycle naturel de la vie. Bien au-delà de sa terre natale, La Catrina est devenue une icône transculturelle apparaissant régulièrement dans la culture pop, les sculptures, les défilés, l'art, la mode ou encore le cinéma. Peu importe qui nous sommes ou d'où nous venons, La Catrina nous invite tous à accueillir avec le sourire les merveilleuses étrangetés de la vie... et de la mort.

À l'origine, La Catrina était
appelée La Calavera Catrina —
« le crâne élégant ».

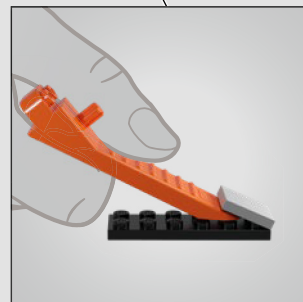

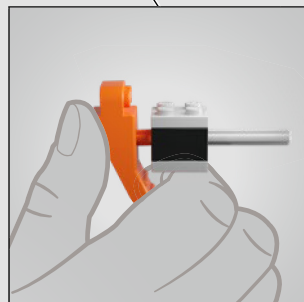

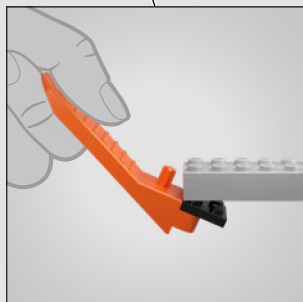

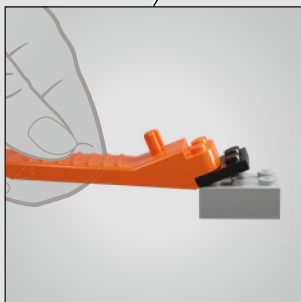

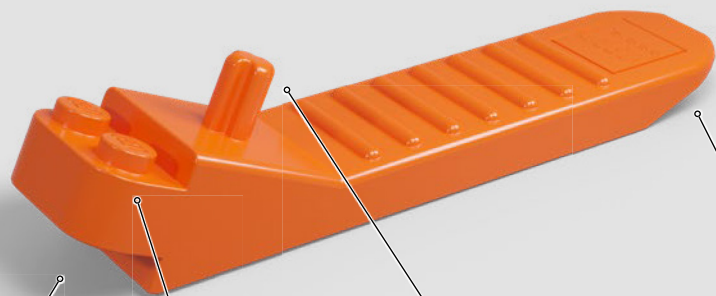

Un mot de l'équipe de designers LEGO® Ideas

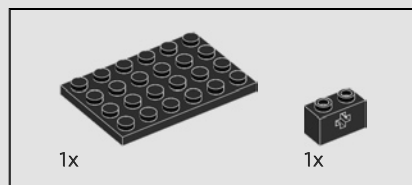

La Catrina incarne la vision culturelle mexicaine selon laquelle les transitions de la vie sont empreintes de beauté et méritent d'être célébrées. Le contraste entre sa tenue élégante et son apparence squelettique saisissante lui confère un charme universel, faisant d'elle une figure aussi fascinante qu'inspirante. L'interprétation du fan concepteur, José, en version LEGO® est un véritable chef-d'œuvre qui rend hommage à l'héritage durable de La Catrina. Son modèle était déjà conçu avec une précision anatomique remarquable, et nous sommes restés fidèles aux proportions humaines, tant pour le squelette de La Catrina que pour sa robe et chaque élément décoratif. Son costume coloré est composé de briques individuelles ornées de décorations imprimées, et bien sûr, ses papillons monarques l'accompagnent partout. Grâce à une articulation complète du cou, des bras et des mains, elle semble presque vivante, ce qui permet de lui faire prendre une multitude de poses et d'expressions amusantes. Que vous souhaitiez célébrer El Día de los Muertos ou simplement la joie créative du quotidien, ce set ne manquera pas de devenir un sujet de conversation captivant.
