LERNE DEN FANDESIGNER KENNEN

LEGO® Ideas Fan-Designer Sebastian Veselka mit seinem Originalbeitrag

◆ Sebastian Veselka (LEGO® Ideas-Name BRO3), gebürtiger Mährer aus Brünn in der Tschechischen Republik, ist 2D-Filmanimator und freiberuflicher Designer. Auch nach Feierabend lässt er seine kreative Inspiration in LEGO Projekte einfließen.

„Meine Leidenschaft fürs Bauen von LEGO Modellen liegt in der Familie – von meiner Großmutter und meiner Mutter bis hin zu meinen Brüdern und mir. „Downton Abbey“ hat uns jahrelang begleitet, es ist unsere gemeinsame Wohlfühlserie, und ihr Charme und ihr feiner britischer Humor sind genau mein Ding! Meine Großmutter ist ein großer Fan von Geschichte, Literatur und Kunst, und mit diesem Modell möchte ich ihr meine Dankbarkeit zeigen, denn sie hat es wirklich verdient. Für die Schlosskonstruktion habe ich besonders interessante LEGO Steine ausgewählt, um ihm ein majestätisches und dekoratives Aussehen zu verleihen. Für das Innere wollte ich ein Modell im „Puppenhaus“-Stil mit bekannten Szenen gestalten. Jede Figur in „Downton Abbey“ ist so unverwechselbar, und ihre Kostüme spiegeln die Ära perfekt wider. Die Zusammenarbeit mit dem LEGO Team in der Designphase und bei den Minifiguren war DEFINITIV EIN WAHR GEWORDENER TRAUM, und ich würde das jederzeit gerne wiederholen! Ich bin meiner Liebsten, meiner Familie und allen, die das Projekt unterstützt haben, sehr dankbar. Ich hoffe, dass auch andere Familien gemeinsam Spaß daran haben werden!“

ICH FREUE MICH SEHR, HIER ZU SEIN

◆ *Downton Abbey*, das in den Jahren vor dem Ersten Weltkrieg in England spielt, beginnt in einer Welt, in der Rangordnung, Routine und Anstand fest verankert sind. Pflicht, Stolz und Würde sind die Leitprinzipien – von der Familie Crawley im Obergeschoss bis hin zum Personal darunter; Jeder weiß genau, welchen Platz er in der Gesellschaft einnimmt und wer den Tee einschenkt. Im Laufe der Zeit bringen weltpolitische Ereignisse, Verluste und gelegentliche Skandale diese komplexe Ordnung ins Wanken. Familiäre Tragödien und Erfolge sowie technische Fortschritte verändern die Prioritäten und eröffnen neue Türen zu unerwarteten Zukunftsaussichten. Die Serie begegnet diesen Veränderungen mit ausgefeilten Dialogen und scharfem, entwaffnendem Witz. Und wir lieben die hochgezogenen Augenbrauen und die bissigen Bemerkungen, die die sorgfältig gepflegte Fassade der Figuren mühelos durchbrechen. Durch all das hindurch webt diese zutiefst menschliche Geschichte ein dichtes Netz aus Liebe und Treue, das uns das Gefühl gibt, Teil der Familie zu sein. Als historisches Drama macht *Downton Abbey* die Vergangenheit für uns lebendig und bedeutsam. Dabei zeigt es uns die Pracht des Hauses als beständige, sich jedoch weiterentwickelnde Schlüsselfigur der Geschichte.

Bibliothek

In der Bibliothek werden vertrauliche Geschäfts- und Vermögensangelegenheiten und Zukunftspläne diskret besprochen.

Haupthalle

Die Haupthalle wurde für glanzvolle Auftritte und festliche Empfänge errichtet.

Dienstbotensaal

Hier läuten die Glocken, und die Mitarbeiter tratschen und planen große und kleine Veranstaltungen.

Esszimmer

Carson poliert das Silber.

Küche

Wer braucht schon Schlaf? Mrs. Hughes hilft Mrs. Patmore nach einem kleinen Missgeschick mit dem neuen Mixer.

LEBENDIGE GESCHICHTE

◆ Die Innenaufnahmen und Außenaufnahmen des fiktiven *Downton Abbey* Anwesens wurden im Highclere Castle in Newbury, England, gedreht. Das Anwesen von Highclere Castle, dessen Wurzeln bis ins Jahr 749 n. Chr. zurückreichen, ist reich an Geschichte, und sein Erbe wird seit Generationen von der Familie Carnarvon weitergeführt. Das Schloss wurde 1842 von dem Architekten wieder aufgebaut, der auch das Parlamentsgebäude in London fertiggestellt hatte. Es etablierte seinen Status als eines der prächtigsten Anwesen Englands. Jeder Raum erzählt eine Geschichte: Mit kunstvoll gestalteten Innenräumen, einzigartigen Kunstwerken und sorgfältiger Handwerkskunst, die sich in jedem Detail widerspiegelt, kombiniert es die Pracht englischer Landsitze mit dem Rhythmus des Alltags. Im Laufe der Jahrhunderte hat Highclere Angehörige des Königshauses, Staatsmänner und führende Persönlichkeiten aus der Welt der Kunst beherbergt und diente im Ersten Weltkrieg als Lazarett. Wie ihre Vorfahren, darunter der 5. Earl of Carnarvon, der das Grab von Tutanchamun entdeckte, engagieren sich der derzeitige Lord und Lady Carnarvon beide intensiv für das Schloss und das Anwesen. Sie schaffen einen Ausgleich zwischen Tradition und Erneuerung, haben ihr Zuhause für die Öffentlichkeit geöffnet und pflegen gleichzeitig ihre Leidenschaft für Land, Hof und Nachhaltigkeit. Die Architektur im neugotischen Stil, die Kunstwerke, die Außenanlagen und die kulturelle Bedeutung ziehen mittlerweile jährlich 120.000 Besucher aus aller Welt an.

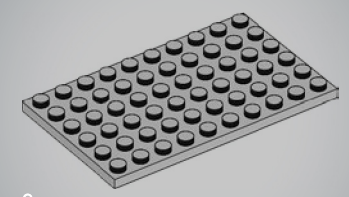

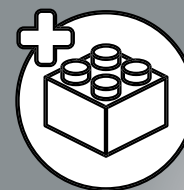

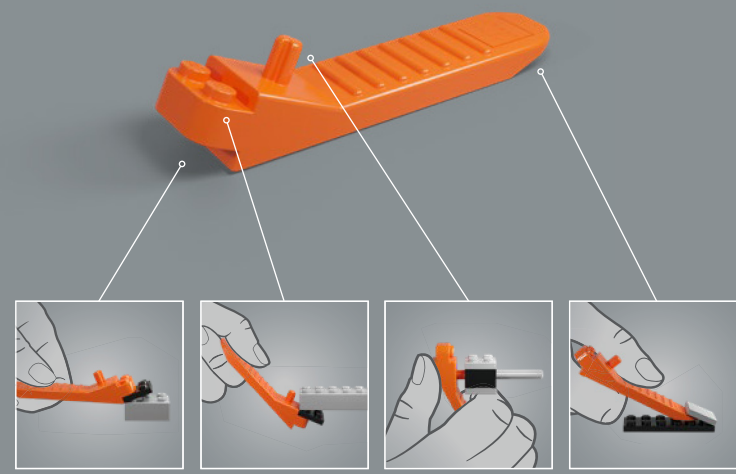

ANMERKUNGEN DES LEGO® IDEAS DESIGNTAMS

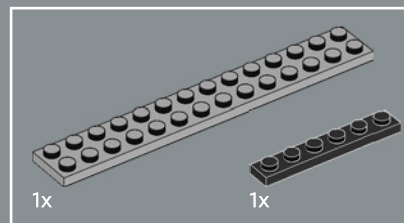

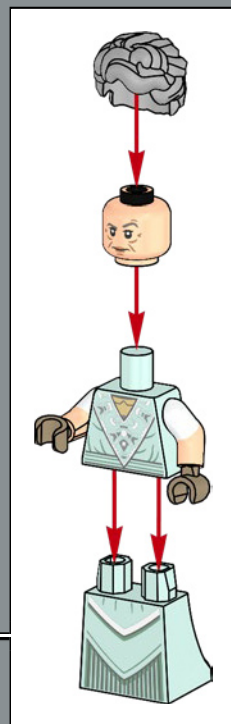

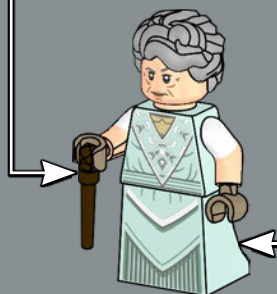

◆ Sebastian hat die elegante Atmosphäre, die kunstvolle Fassade und die Türme von *Downton Abbey* perfekt dargestellt! Wir haben es an den Maßstab der LEGO® Minifiguren angepasst, sodass es nun zwei Stockwerke umfasst. Die Gesamtproportionen der Fassade entsprechen dem tatsächlichen Gebäude und alle Innenräume sind einsehbar und zugänglich. Das Kombinieren der Fassadenfenster mit den Innenräumen stellte eine Herausforderung dar. Räume wie die Haupthalle haben keine Fenster, doch von außen betrachtet scheinen die Fenster mit Vorhängen versehen zu sein und einen dunkleren Hintergrund zu haben, was den Eindruck eines Innenraums erweckt. Im Inneren sind einige mit Mauern verkleidet, während die „offenen“ Fenster mit Vorhängen aus LEGO Steinen versehen sind. Im „Keller“ sind innen kleinere Bogenfenster zu sehen, während die Fassade unverändert bleibt. Es hat uns großen Spaß gemacht, gemeinsam mit Universal Products & Experiences alle Möbel, die Einrichtungsdetails und die Kostüme der Figuren zu entwerfen. Die Ausstattung orientiert sich größtenteils an Staffel 6, sodass wir neue Haushaltsgeräte einbauen konnten, die im Haushalt für Aufsehen sorgten, wie zum Beispiel das Telefon und der Elektro-Mixer. Wir hoffen, dass du ein stolzer Besitzer und Hüter von *Downton Abbey* sein wirst.

Die öffentliche Beleuchtung wurde im Vereinigten Königreich ab Anfang des 19. Jahrhunderts eingeführt, doch Strom in Privathaushalten gab es erst gegen Ende des Jahrhunderts. Im gesamten Schloss findet man also sowohl elektrisches Licht als auch Kerzen.

„Ist das ein Mittel der Kommunikation oder ein Folterinstrument?“ Lady Violet Crawley hatte Vorbehalte gegenüber dem neuen Standtelefon der Familie, das in den 1910er und 1920er Jahren populär wurde.
