CONOSCIAMO IL FAN DESIGNER

Il fan designer LEGO® Ideas Sebastian Veselka con la sua proposta originale

◆ Sebastian Veselka (noto su LEGO® Ideas come BRO3), originario di Brno, in Moravia (Repubblica Ceca), è un animatore cinematografico 2D e designer freelance. Al termine della giornata lavorativa, continua a riversare il suo estro creativo nei progetti LEGO.

La mia passione per le costruzioni LEGO è di famiglia, a partire da mia nonna e mia madre fino ad arrivare ai miei fratelli e a me. Downton Abbey ci ha tenuto compagnia per anni, è la nostra serie del cuore e il suo fascino, unito a quel raffinato umorismo britannico, è proprio nelle mie corde! Mia nonna è una grande appassionata di storia, letteratura e arte e, con questo modello, voglio esprimerle tutta la mia gratitudine, perché se lo merita davvero. Per la struttura del castello, ho scelto interessanti pezzi LEGO per un aspetto maestoso e decorativo. Per gli interni, volevo creare un modello in stile 'casa delle bambole' con scene iconiche. Ogni personaggio di Downton Abbey è così distintivo e i suoi costumi catturano davvero l'epoca. Lavorare con il team LEGO al design e alle minifigure è stato senza dubbio UN SOGNO CHE SI È AVVERATO, e mi piacerebbe tantissimo rifarlo! Sono profondamente grato all'amore della mia vita, alla mia famiglia e a tutti coloro che hanno sostenuto il progetto. Spero che anche le altre famiglie lo apprezzeranno insieme!"

FELICISSIMO DI ESSERE QUI

◆ *Downton Abbey*, ambientato nell'Inghilterra degli anni che precedono la Prima Guerra Mondiale, si apre in un mondo in cui rango, consuetudini e decoro sono saldamente radicati. Dovere, orgoglio e dignità sono i principi cardine, dai Crawley ai piani alti alla servitù ai piani bassi; ognuno sa perfettamente quale sia il proprio posto nella società, e a chi spetti versare il tè. Con il passare del tempo, i grandi eventi del mondo, lutti e qualche sporadico scandalo turbano questo delicato equilibrio. Tragedie e successi familiari, e persino il progresso tecnologico, ridisegnano le priorità, aprendo nuove strade verso futuri inaspettati. La serie affronta questi cambiamenti con dialoghi raffinati e un'arguzia tagliente e disarmante. E viviamo per quelle sopracciglia inarcate e quelle battute sferzanti che scalfiscono con precisione la facciata impeccabile dei personaggi. Nonostante tutto ciò, questa vicenda profondamente umana tesse una fitta trama di amore e lealtà che ci invita a sentirci parte della famiglia. In quanto dramma storico, *Downton Abbey* rende il passato straordinariamente attuale, riconoscendo nella maestosità della dimora un personaggio chiave della storia: una presenza costante eppure in continua evoluzione.

STORIA CHE VIVE

◆ Le scene ambientate ai piani superiori e gli esterni dell'immaginaria tenuta di *Downton Abbey* sono stati girati presso l'Highclere Castle a Newbury, in Inghilterra. Con origini che risalgono al 749 d.C., la tenuta di Highclere Castle è un luogo intriso di storia, la cui eredità è stata tramandata per generazioni dalla famiglia Carnarvon. Ricostruito nel 1842 dallo stesso architetto che portò a compimento il Palazzo del Parlamento di Londra, il castello si affermò come una delle tenute più maestose d'Inghilterra. Ogni stanza racconta una storia, tra interni finemente decorati, opere d'arte uniche e una sapiente maestria artigianale che traspare da ogni dettaglio, coniugando lo splendore delle grandi tenute inglesi con i ritmi della vita quotidiana. Nel corso dei secoli, Highclere ha ospitato regnanti, statisti e illustri personalità del mondo dell'arte, fungendo anche da ospedale durante la Prima Guerra Mondiale. Proprio come i loro antenati – tra cui il quinto Conte di Carnarvon, che scoprì la tomba di Tutankhamon – gli attuali Lord e Lady Carnarvon si dedicano con profonda passione alla cura del castello e della tenuta. Coniugando tradizione e rinnovamento, hanno aperto la propria dimora al pubblico, coltivando al contempo la passione per la terra, l'attività agricola e la sostenibilità. L'architettura neogotica, le opere d'arte, il parco e la rilevanza culturale della dimora richiamano oggi 120.000 visitatori all'anno da tutto il mondo.

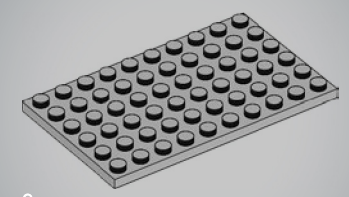

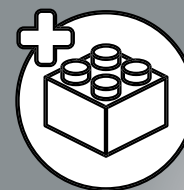

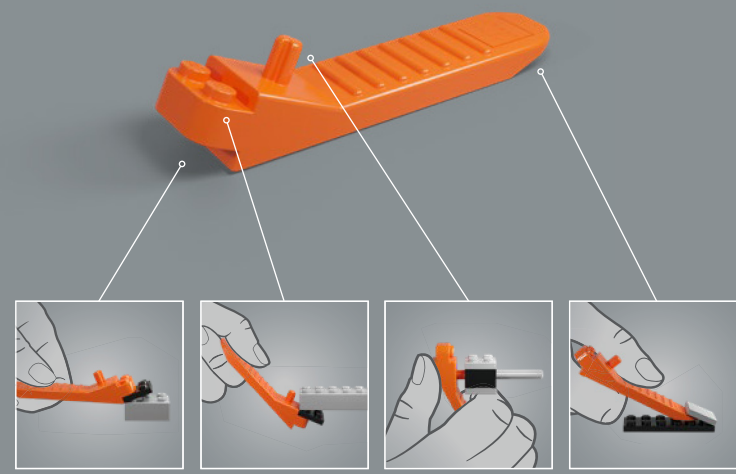

IL COMMENTO DEL LEGO® IDEAS DESIGN TEAM

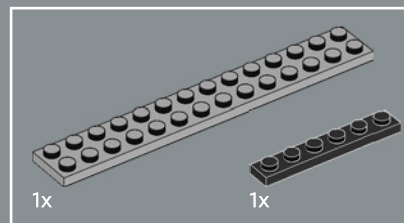

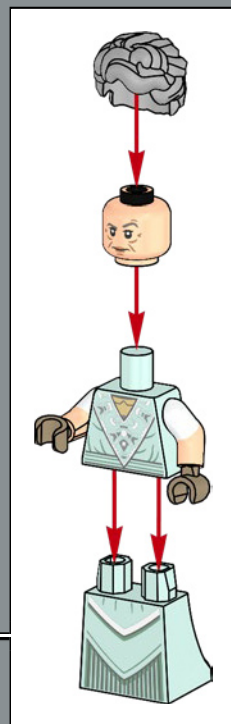

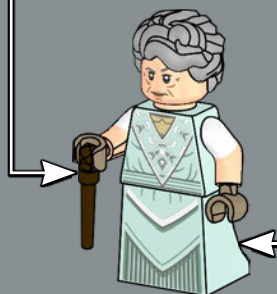

◆ Sebastian ha fatto un ottimo lavoro trasmettendo l'atmosfera elegante, la facciata decorata e le torri di *Downton Abbey*! Abbiamo adattato il modello alla scala minifigure LEGO®, sviluppandolo su due piani, con le proporzioni della facciata fedeli all'edificio originale e la possibilità di vedere e accedere a tutti gli ambienti interni. Combinare le finestre della facciata con gli spazi interni è stata una sfida. Ambienti come il salone principale non hanno finestre, ma dall'esterno queste sembrano avere tende e uno sfondo scuro, creando l'illusione di uno spazio interno. All'interno, alcune sono murate, mentre le finestre "aperte" presentano tende in mattoncini. Nel "seminterrato", all'interno si notano finestre ad arco più piccole, mentre l'esterno appare identico. Ci siamo divertiti moltissimo a collaborare con Universal Products & Experiences alla progettazione di tutti gli arredi, dei dettagli d'interni e dei costumi dei personaggi. I look si ispirano principalmente alla sesta stagione, così abbiamo potuto inserire nuovi elettrodomestici che all'epoca fecero scalpore in casa, come il telefono e lo sbattitore elettrico. Ci auguriamo che vorrai possedere e custodire per sempre la tua *Downton Abbey* personale.

L'illuminazione pubblica iniziò a diffondersi nel Regno Unito già dai primi dell'Ottocento, ma per l'elettricità nelle abitazioni private si dovette attendere la fine del secolo. Quindi, troverai sia luci elettriche sia candele in tutto il castello.
